3. SETUP INSTRUCTIONS

Follow these steps to assemble and prepare your Hot Wheels Ice Cream Swirl Playset for play:

1. **Unpack Components:** Carefully remove all playset components and the Hot Wheels car from the packaging.
2. **Assemble Base:** Connect any base track pieces if they are separate, ensuring they snap securely into place.
3. **Position Playset:** Place the main ice cream shop structure onto the designated area of the base.
4. **Prepare Car Entry:** Ensure the sign diverter is in the open position, allowing the car to enter the ice cream cone.

5. **Connect to Other Sets (Optional):** If you have other Hot Wheels City sets, use the connection points on the base to expand your play area.

4. OPERATING THE PLAYSET

Once assembled, the Ice Cream Swirl Playset is ready for interactive play:

1. **Place Car:** Position the included Hot Wheels car at the entrance of the ice cream shop, just past the sign diverter.
2. **Initiate Swirl:** Gently push the car forward into the cone.
3. **Spin the Logo:** Rotate the Hot Wheels logo at the top of the ice cream cone. This action will move the car through the internal swirl mechanism.

5. MAINTENANCE

To ensure the longevity and optimal performance of your Hot Wheels Ice Cream Swirl Playset, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the playset and cars with a soft, damp cloth. Do not submerge in water or use harsh chemicals, as this may damage the plastic or decals.
- **Storage:** Store the playset in a cool, dry place away from direct sunlight to prevent warping or fading.
- **Inspection:** Periodically check all connection points and moving parts for any signs of wear or damage.
