Altec Lansing MZX4410

Altec Lansing Kid Safe 2-in-1 Wireless Bluetooth Headphones MZX4410 User Manual

Model: MZX4410

INTRODUCTION

The Altec Lansing Kid Safe 2-in-1 Wireless Bluetooth Headphones (Model MZX4410) are designed to provide a safe and enjoyable audio experience for children. These headphones feature volume-limiting technology to protect delicate hearing, comfortable ear cushions, and versatile connectivity options. This manual provides instructions for setup, operation, and maintenance to ensure optimal performance and longevity of your headphones.

WHAT'S IN THE BOX

- Altec Lansing Kid Safe 2-in-1 Wireless Bluetooth Headphones
- USB-C Charging Cable
- 3.5mm Audio Cable
- Protective Case
- User Manual (this document)

PRODUCT FEATURES

- **Crystal Clear Sound:** High-quality audio with enhanced bass for an immersive listening experience.
- **Safe Volume Limiting:** Integrated technology limits maximum volume to 85dB to protect children's hearing.
- **2-in-1 Connectivity:** Supports both wireless Bluetooth and wired 3.5mm audio connections.
- **Wireless Range:** Up to 30 feet of Bluetooth wireless range for unrestricted movement.
- **Comfortable Design:** Soft ear cushions and an adjustable, cushioned headband ensure a comfortable fit for extended wear.
- **Foldable and Portable:** Convenient foldable design for easy storage and transport.
- **Durable Construction:** Built to withstand active use.

SETUP INSTRUCTIONS

1. Charging the Headphones

1. Locate the USB-C charging port on the headphone earcup.
2. Connect the provided USB-C charging cable to the port on the headphones.
3. Plug the other end of the USB-C cable into a compatible USB power source (e.g., computer, wall adapter).
4. The LED indicator will illuminate during charging and change color or turn off when fully charged.
5. A full charge provides approximately 10 hours of playtime.

2. Bluetooth Pairing

1. Ensure the headphones are charged.

2. Press and hold the Power button on the headphone earcup until the LED indicator flashes blue and red, indicating pairing mode.

3. On your device (smartphone, tablet, computer), go to Bluetooth settings and enable Bluetooth.

4. Select "Altec Lansing MZX4410" from the list of available devices.

5. Once connected, the LED indicator will show a solid blue light.

6. The headphones will automatically reconnect to the last paired device when powered on, if within range.

OPERATING INSTRUCTIONS

Power On/Off

- To power on, press and hold the Power button until the LED indicator lights up.
- To power off, press and hold the Power button until the LED indicator turns off.

Volume Control

- Use the '+' button to increase volume.
- Use the '-' button to decrease volume.

- The volume is limited to 85dB for hearing protection.

Media Control

- Press the Play/Pause button once to play or pause audio.
- Press and hold the '+' button to skip to the next track.
- Press and hold the '-' button to go to the previous track.

Wired Connection (Optional)

For unlimited playtime or when Bluetooth is not available, use the provided 3.5mm audio cable:

1. Plug one end of the 3.5mm audio cable into the audio jack on the headphone earcup.
2. Plug the other end into the 3.5mm audio output of your device.
3. The headphones will automatically switch to wired mode.

Maintenance

Cleaning

- Wipe the headphones with a soft, dry cloth.
- Do not use harsh chemicals or abrasive materials.
- Ensure no moisture enters the ports.

Storage

- Fold the headphones for compact storage.
- Store them in the provided protective case when not in use to prevent damage.
- Keep in a cool, dry place away from extreme temperatures.

ADJUSTABLE
HEADBAND

TROUBLESHOOTING

- **No Power:** Ensure the headphones are fully charged. Connect to a power source using the USB-C cable.
- **Cannot Pair via Bluetooth:** Make sure the headphones are in pairing mode (flashing blue/red LED). Check that Bluetooth is enabled on your device and that the headphones are within the 30-foot range. Try restarting

both the headphones and your device.

- **No Sound in Wireless Mode:** Verify that the headphones are successfully paired and connected to your device. Check the volume levels on both the headphones and your device.
- **No Sound in Wired Mode:** Ensure the 3.5mm audio cable is securely plugged into both the headphones and your device. Check the volume levels on your device.
- **Sound is Too Low:** The headphones feature a built-in volume limiter at 85dB for safety. This is a design feature and not a malfunction.
