PACKAGE CONTENTS

- Hoco Smart Ear Wireless Bluetooth 5.3 Earbuds
- Charging Case
- User Manual
- Charging Cable

SETUP

Initial Pairing

To pair your Hoco Smart Ear Earbuds for the first time, ensure they are fully charged. Open the charging case; the earbuds will automatically enter pairing mode. On your device (e.g., smartphone), navigate to Bluetooth settings and select 'Hoco EW18' or a similar name from the list of available devices. Once connected, the earbuds are ready for use.

hoco.

Wireless connection New BT

BT 5.3 chip, lower power consumption,
no delay, stable connection.

Reconnecting

After initial pairing, the earbuds will automatically reconnect to the last paired device when taken out of the charging case and Bluetooth is enabled on the device.

OPERATING INSTRUCTIONS

The Hoco Smart Ear Earbuds feature intuitive touch controls for various functions:

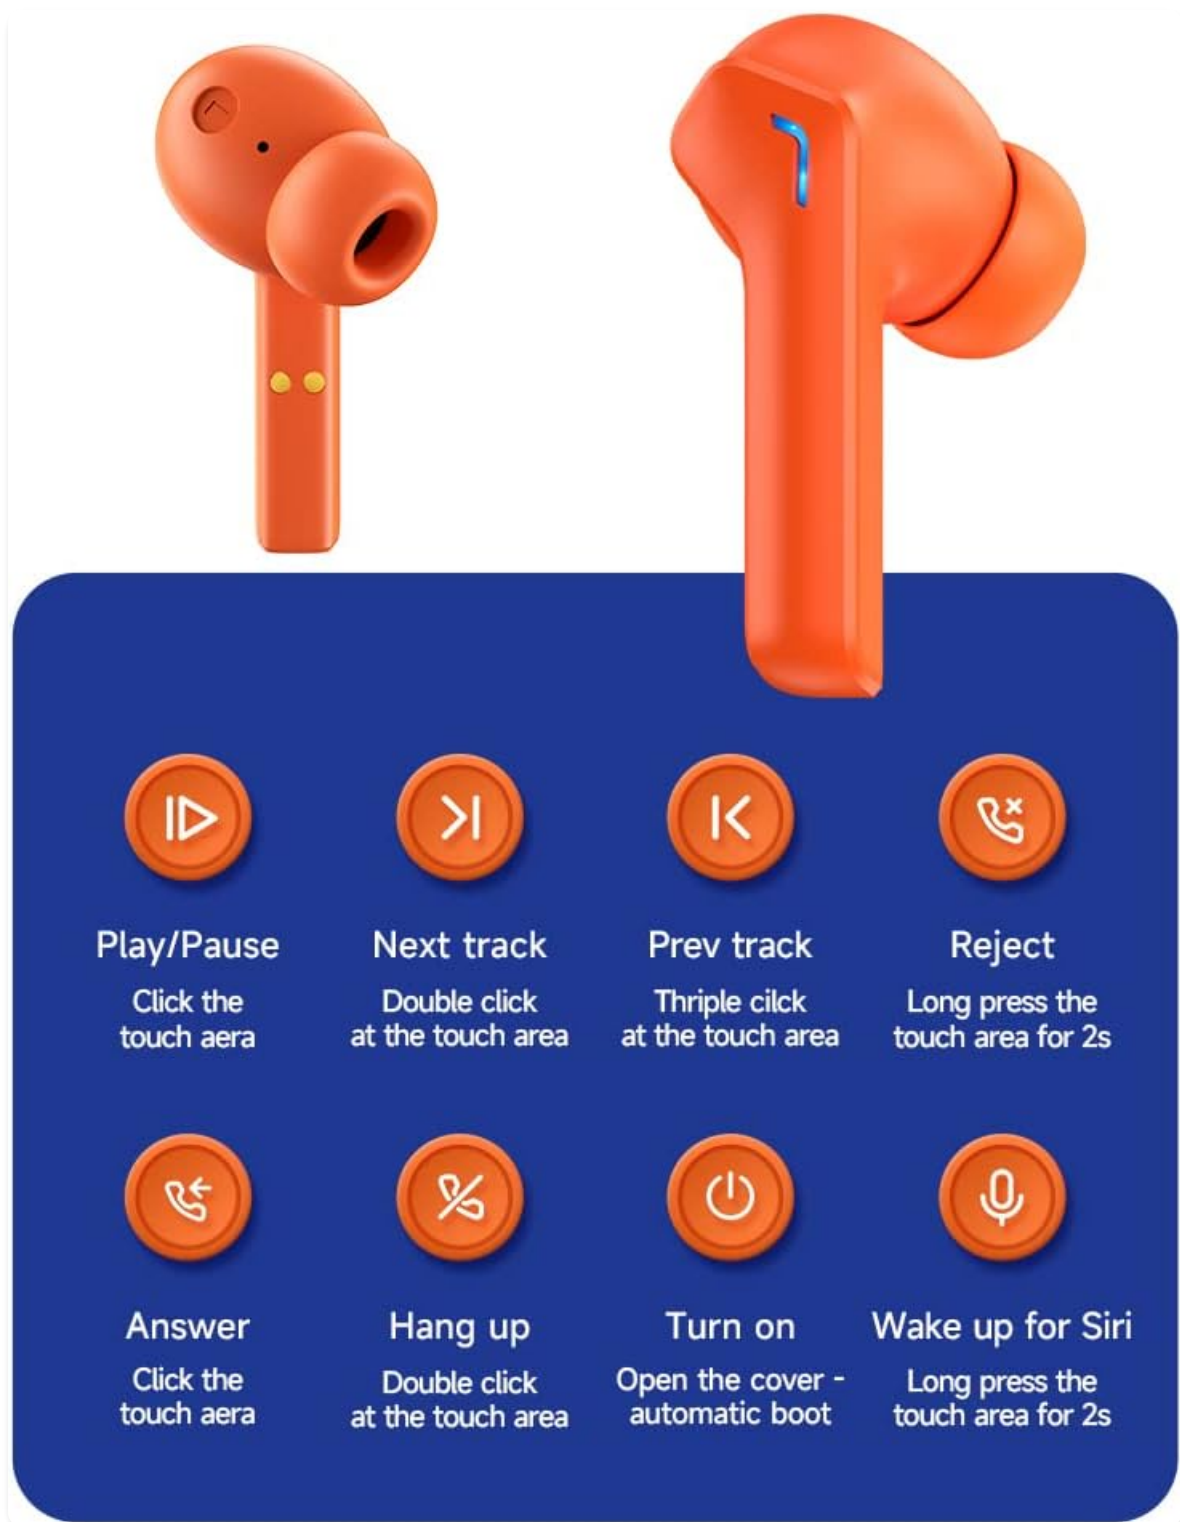

Image: A detailed diagram illustrating the touch control functions of the Hoco earbuds, including playback, track navigation, call management, power, and voice assistant activation.

- **Play/Pause:** Click the touch area once.
- **Next Track:** Double click the touch area.
- **Previous Track:** Triple click the touch area.
- **Answer Call:** Click the touch area once.
- **Hang Up Call:** Double click the touch area.
- **Reject Call:** Long press the touch area for 2 seconds.
- **Turn On:** Open the cover of the charging case (automatic boot).
- **Wake up Siri/Voice Assistant:** Long press the touch area for 2 seconds.

MAINTENANCE

To ensure the longevity and optimal performance of your earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Charging Contacts:** Periodically clean the charging contacts on both the earbuds and inside the case to ensure a proper connection.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Avoid Moisture:** Keep the earbuds and case away from water and excessive moisture.
- **Temperature:** Avoid exposing the product to extreme temperatures.

TROUBLESHOOTING

If you encounter issues with your Hoco Smart Ear Earbuds, refer to the following common solutions:

- **No Sound:**
 - Ensure earbuds are charged.
 - Check device volume and earbud volume.
 - Verify Bluetooth connection. Try disconnecting and reconnecting.
- **Earbuds Not Pairing:**
 - Ensure earbuds are in pairing mode (open case).
 - Turn off and on Bluetooth on your device.
 - Forget the device in your phone's Bluetooth settings and re-pair.
 - Ensure no other devices are connected to the earbuds.
- **Charging Issues:**
 - Check if the charging cable is securely connected.
 - Ensure the charging contacts on both earbuds and case are clean.
 - Try a different charging cable or power adapter.
- **Intermittent Connection:**
 - Ensure you are within the effective Bluetooth range.
 - Minimize interference from other wireless devices.
