MLILY King Size 10-Inch Memory Foam Mattress User Manual

Model: 810128509862

INTRODUCTION

This manual provides essential information for the setup, use, and care of your MLILY King Size 10-Inch Memory Foam Mattress. Designed for medium support, this mattress features advanced Aerofusion technology for cool sleep and pressure relief, ensuring a comfortable and restorative night's rest. Please read these instructions carefully to maximize your mattress's lifespan and performance.

SETUP INSTRUCTIONS

Your MLILY mattress is conveniently compressed, rolled, and packaged in a box for easy delivery and setup. Follow these steps to prepare your new mattress for use:

1. Step 1: Move the Box

Carefully move the mattress box to the desired room where it will be used. Ensure you have enough space to unroll the mattress.

2. Step 2: Remove from Box

Open the box and gently slide the rolled mattress out. Place the rolled mattress on a clean, flat surface, such as your bed frame or foundation.

3. Step 3: Unroll and Expand

Carefully cut open the plastic packaging. The mattress will begin to expand immediately. Allow at least 2 hours for the mattress to fully expand to its original shape and size. Full expansion may take up to 24-48 hours.

4. Step 4: Enjoy

Once fully expanded, your mattress is ready for use.

Image: Visual guide for mattress unboxing and expansion.

Important Note: While the mattress will expand quickly, it is recommended to allow 24-48 hours for it to reach its full comfort potential and for any new mattress odor to dissipate. This mattress is compatible with various bed bases, including foundations, slatted platforms, box springs, flat platform beds, and bunk beds.

Compatible with Most of Bases and Bed Frames

MAINTENANCE AND CARE

To ensure the longevity and hygiene of your MLILY mattress, follow these care guidelines:

- **Rotation:** Rotate your mattress every 3-6 months to promote even wear and extend its lifespan.
- **Cleaning:** Spot clean any spills or stains immediately using a mild detergent and a damp cloth. Avoid saturating the mattress. Do not machine wash or dry clean the mattress core.
- **Protective Cover:** Use a mattress protector to shield against spills, stains, and allergens.
- **Ventilation:** Allow your mattress to air out periodically by removing bedding, especially after unboxing, to maintain freshness and dissipate moisture.
- **Support:** Ensure your mattress is placed on a suitable, supportive bed base to prevent sagging and maintain its structural integrity.

TROUBLESHOOTING

- **Slow Expansion:** If your mattress does not fully expand within 48 hours, ensure it is laid flat in a warm room. Cooler temperatures can slow down the expansion process. Gently walking on the mattress can sometimes help.
- **New Mattress Odor:** A slight odor, often referred to as "off-gassing," is normal for new foam products. This odor is harmless and will dissipate within a few days. Ensure good ventilation in the room.
- **Firmness Perception:** Mattress firmness can be subjective. Allow your body several weeks to adjust to the new mattress.

WARRANTY AND SUPPORT

Your MLILY King Size 10-Inch Memory Foam Mattress includes a **Worry-Free 10-Year Limited Warranty**. This warranty covers manufacturing defects and damage during delivery. Please note that there is no trial period, and opened mattresses cannot be returned unless defective or damaged. For warranty claims or any product-related concerns, please contact our U.S.-based customer support

team. They are dedicated to assisting you and addressing any issues to ensure your satisfaction. For further assistance, visit the official MLILY store: [MLILY Store on Amazon](#).
