

Ahmed Al Maghribi Kaaf

Ahmed Al Maghribi Kaaf Unisex Eau de Parfum 100ML Instruction Manual

Brand: Ahmed Al Maghribi | Model: Kaaf

PRODUCT OVERVIEW

Kaaf is a distinctive fragrance designed to evoke a sense of calm and allure. It features a complex blend of notes, starting with an infusion of watermelon and red fruits, complemented by subtle lavender and zesty Sicilian orange. The heart of the perfume reveals oceanic freshness, while the base notes provide assertiveness with woody and amber undertones, finishing with the warmth of white musk.

- A scent that expresses assertiveness, bolstered by a woody and amber undertone.
- The concept evokes a sense of precision, harmony, and serenity.
- A scent is more than just an extract.

SETUP

The Ahmed Al Maghribi Kaaf Eau de Parfum is ready for immediate use upon unboxing. No assembly or complex setup is required. Ensure the bottle is stored upright in a cool, dry place away from direct sunlight to preserve the fragrance's integrity.

OPERATING INSTRUCTIONS

To apply the fragrance, remove the cap and hold the bottle approximately 5-7 inches away from your skin. Press the atomizer firmly to release a fine mist. For optimal diffusion and longevity, apply to pulse points such as the wrists, neck, and behind the ears. Avoid rubbing the fragrance into the skin, as this can alter the scent profile.

MAINTENANCE

To maintain the quality and longevity of your Ahmed Al Maghribi Kaaf Eau de Parfum, keep the cap securely closed when not in use. Store the bottle in its original packaging or in a dark, cool environment to protect it from light and temperature fluctuations, which can degrade the fragrance over time. Avoid storing in bathrooms or other humid areas.

TROUBLESHOOTING

- **Scent Fades Quickly:** Ensure application is to pulse points. Skin hydration can also affect longevity; consider applying after moisturizing.
- **Irritation After Application:** Discontinue use immediately. Consult a healthcare professional if irritation persists.
- **Atomizer Not Spraying:** Check if the nozzle is clogged. Gently wipe with a damp cloth. If the issue persists, contact customer support.

SPECIFICATIONS

Feature	Detail
Brand	Ahmed Al Maghribi
Item Form	Liquid
