LEGO 71365 Super Mario Piranha Plant Power Slide Expansion Set Instruction Manual

Brand: LEGO | Model: 71365

INTRODUCTION

This document provides comprehensive instructions for the LEGO 71365 Super Mario Piranha Plant Power Slide Expansion Set. This set is designed to enhance your existing LEGO Super Mario play experience by adding new challenges and interactive elements. Please note that this is an expansion set and requires the **LEGO Super Mario Starter Course (71360)**, which includes the interactive LEGO Mario figure, for full functionality.

For detailed digital building instructions and creative play ideas, download the free LEGO Super Mario app. The app is compatible with various Android and iOS devices. Visit LEGO.com/supermario for device compatibility information and to access the app.

MAINTENANCE

Cleaning:

To clean your LEGO elements, gently wipe them with a soft, dry cloth. For more thorough cleaning, use a mild soap solution and rinse with clean water. Avoid harsh chemicals or abrasive materials.

Storage:

Store the LEGO set in a cool, dry place away from direct sunlight and extreme temperatures to prevent damage or discoloration of the bricks.

Safety Warning:

WARNING: Small parts. Not for children under 3 years.

TROUBLESHOOTING

LEGO Mario Not Responding:

- Ensure your LEGO Mario figure (from the Starter Course) has fresh batteries and is powered on.
- Verify that the LEGO Mario figure is placed correctly on the interactive elements.
- Check the LEGO Super Mario app for any available updates for the Mario figure's firmware.
- If issues persist, consult the troubleshooting section within the LEGO Super Mario app or contact LEGO Customer Service.
