FUKUMARU AT05

FUKUMARU Cat Tree Model AT05 User Manual

Comprehensive instructions for assembly, use, and maintenance.

INTRODUCTION

Thank you for choosing the FUKUMARU Cat Tree Model AT05. This modern cat tower is designed to provide a multi-level play and rest area for your cats, featuring scratching posts, a comfortable hammock, a cozy condo, and interactive silvervine toys. This manual provides essential information for safe assembly, proper use, and effective maintenance of your cat tree.

IMPORTANT SAFETY INFORMATION

WARNING: This product contains small parts that can be hazardous to pets if ingested. Ensure all parts are securely fastened during assembly and regularly check for loose components. Keep small children away during assembly.

- Place the cat tree on a flat, stable surface to prevent tipping.
- Regularly inspect the cat tree for any damage, loose parts, or wear and tear. Tighten screws and replace damaged components as needed.
- Ensure the anti-tipping strap is securely installed to a wall stud for added stability, especially if you have multiple or active cats.

- This product is intended for indoor use only.

PACKAGE CONTENTS

Before assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Base Plate
- Multi-level Platforms (various sizes)
- Scratching Posts (jute-wrapped)
- Cat Condo/Cave
- Hammock
- Top Perch with Detachable Cushion
- Detachable Cushions for platforms
- Silvertine Bell Balls (detachable)
- Assembly Hardware (screws, Allen wrench)
- Anti-Tipping Strap and Wall Anchor
- Anti-Slip Silicone Pads

SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your FUKUMARU Cat Tree. It is recommended to assemble the unit in the room where it will be used.

1. **Prepare the Base:** Place the large square base plate on a flat, stable surface. Attach the anti-slip silicone pads to the bottom corners of the base plate.
2. **Assemble the Cat Condo:** Secure the walls of the cat condo to the base plate using the provided screws. Ensure the entrance opening faces the desired direction.
3. **Attach Lower Scratching Posts:** Screw the first set of jute-wrapped scratching posts into the designated holes on the base plate and the top of the cat condo.
4. **Install Platforms:** Attach the various platforms to the scratching posts and other support structures using the screws. Refer to the assembly diagram for correct placement.
5. **Secure the Hammock:** Attach the hammock to its designated support points, ensuring it is taut and secure.
6. **Mount the Top Perch:** Secure the top perch to the uppermost scratching post. Place the detachable cushion onto the perch.
7. **Add Cushions and Toys:** Place the remaining detachable cushions on the platforms as desired. Attach the silvertine bell balls to the designated hanging points.
8. **Install Anti-Tipping Strap:** For enhanced stability, locate a wall stud near the cat tree. Secure one end of the anti-tipping strap to the top of the cat tree and the other end to the wall stud using the provided anchor. This step is crucial for preventing accidental tipping, especially with active cats.

Lead Cats Healthy Chewing Behavior

Natural silvervine balls, effectively eliminate plaque and tartar

Clean and Grind Teeth

Regulate mood

Promote digestion

OPERATING INSTRUCTIONS

The FUKUMARU Cat Tree is designed for your cat's comfort and entertainment. No complex operation is required; simply allow your cat to explore and utilize its various features.

- **Scratching Posts:** Encourage your cat to use the jute-wrapped posts for scratching to maintain claw health and protect your furniture.
- **Multi-level Platforms:** Cats can climb, jump, and rest on the various platforms. The 4-layer structure provides ample space for exploration and observation.
- **Hammock:** The comfortable hammock offers a cozy spot for napping and lounging.
- **Cat Condo/Cave:** The semi-enclosed cave provides a private and secure hideaway for your cat to sleep or relax.
- **Silvervine Bell Balls:** The detachable silvervine toys are designed to engage your cat, promote healthy chewing behavior, and help clean teeth.

MAINTENANCE AND CARE

Regular maintenance will extend the life of your FUKUMARU Cat Tree and ensure a hygienic environment for your pet.

- **Cleaning Cushions:** The detachable cushions can be removed and machine washed on a gentle cycle with mild detergent. Air dry thoroughly before reattaching.
- **Spot Cleaning:** For other fabric areas, spot clean with a damp cloth and mild pet-safe cleaner. Avoid excessive moisture.
- **Wood Surfaces:** Wipe wood surfaces with a dry or slightly damp cloth to remove dust and dirt. Avoid harsh chemicals.
- **Scratching Posts:** Vacuum the jute scratching posts periodically to remove loose fibers and cat hair.
- **Inspection:** Periodically check all screws and connections to ensure they are tight. Re-tighten as necessary. Inspect the scratching posts for excessive wear and tear; replace if severely damaged.

TROUBLESHOOTING

If you encounter any issues with your cat tree, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Cat tree feels wobbly or unstable.	Loose screws; uneven floor; anti-tipping strap not installed.	Tighten all screws. Ensure the cat tree is on a flat surface. Install the anti-tipping strap securely to a wall stud.
Cat is not using the scratching posts.	Preference for other surfaces; unfamiliarity.	Place catnip on the scratching posts. Gently guide your cat's paws to the posts. Ensure the posts are stable.
Silvertine balls are damaged or lost.	Normal wear from chewing; detached during play.	These are detachable and replaceable. Contact customer support for replacement options or use other cat-safe toys.
Difficulty assembling a part.	Incorrect orientation; missing hardware.	Review the assembly diagram carefully. Ensure all hardware is present and correctly used. Do not force parts. Contact customer support if issues persist.
