› Feandrea Collapsible Soft Dog Crate (Model UPDC70H) Instruction Manual

Feandrea UPDC70H

Feandrea Collapsible Soft Dog Crate

Model: UPDC70H

INTRODUCTION

This manual provides instructions for the safe and effective use of your Feandrea Collapsible Soft Dog Crate, Model UPDC70H. This portable pet carrier is designed for convenience and comfort, suitable for various uses including travel, camping, and home containment. Please read all instructions carefully before assembly and use.

PRODUCT FEATURES

- **Collapsible Design:** Folds flat for easy transport and storage.
- **Durable Construction:** Features a metal frame for stability and 600D Oxford fabric with PVC coating for durability.
- **Ventilation:** Multiple mesh doors and windows ensure proper airflow and visibility for your pet.
- **Accessibility:** Equipped with front, side, and top zippered openings for easy pet access.
- **Comfort:** Includes a removable faux fleece mat for enhanced pet comfort.
- **Portability:** Integrated handle for convenient carrying.
- **Storage:** Two side pockets provide space for treats, collars, or other small accessories.

Portable and Foldable

Lightweight, easy to carry, and simple to store when folded

7.5 lb
(3.4 kg)

SETUP AND ASSEMBLY

The Feandrea Collapsible Soft Dog Crate is designed for quick assembly and disassembly.

1. **Unpack:** Remove the folded crate from its packaging.
2. **Unfold:** Lay the crate flat and unlock any buckles securing it in the folded position.
3. **Lift Sides:** Gently lift the sides of the carrier upwards.
4. **Connect Frame:** Insert the metal tubes on one side into the sleeves on the other side to connect and secure the frame. Ensure all connections are firm.
5. **Insert Mat:** Place the faux fleece mat inside the crate.

To collapse the crate, reverse these steps: remove the mat, disconnect the frame tubes, and fold the sides down, securing with buckles if present.

Multiple Doors

For easy access and ventilation, while allowing your pet to observe the environment

OPERATING INSTRUCTIONS

This soft dog crate offers versatility for various situations.

- **Pet Entry/Exit:** Use the zippered front, side, or top doors to allow your pet to enter or exit the crate. Ensure zippers are fully closed when the pet is inside to prevent escape.
- **Ventilation and Visibility:** The mesh windows and doors provide ample ventilation and allow your pet to see their surroundings, reducing anxiety.
- **Portability:** Utilize the integrated handle for carrying the crate when moving it short distances. For longer transport, especially with a pet inside, ensure the crate is stable and secure.
- **Storage Pockets:** Use the side pockets to store essential items such as treats, waste bags, or a leash.
- **Placement:** The crate can be used indoors as a comfortable den, in a car trunk for travel, or during outdoor activities like camping. Always ensure the crate is placed on a stable, level surface.

MAINTENANCE

Regular cleaning and maintenance will extend the life of your pet carrier.

- **Faux Fleece Mat:** The removable faux fleece mat is washable. Remove it from the crate and follow the care instructions on its label for cleaning. Typically, machine wash on a gentle cycle with cold water and tumble dry on low heat, or air dry.
- **Fabric Exterior:** For the Oxford fabric exterior, spot clean with a damp cloth and mild detergent. Do not machine wash the entire crate body as it may damage the metal frame and fabric structure.

- **Mesh Windows:** Wipe mesh areas with a damp cloth to remove dirt or pet hair.
- **Zippers:** Periodically check zippers for smooth operation. Clean any debris that may hinder their movement.
- **Storage:** When not in use, ensure the crate is clean and dry before folding and storing in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

This section addresses common concerns you might encounter with your Feandrea Soft Dog Crate.

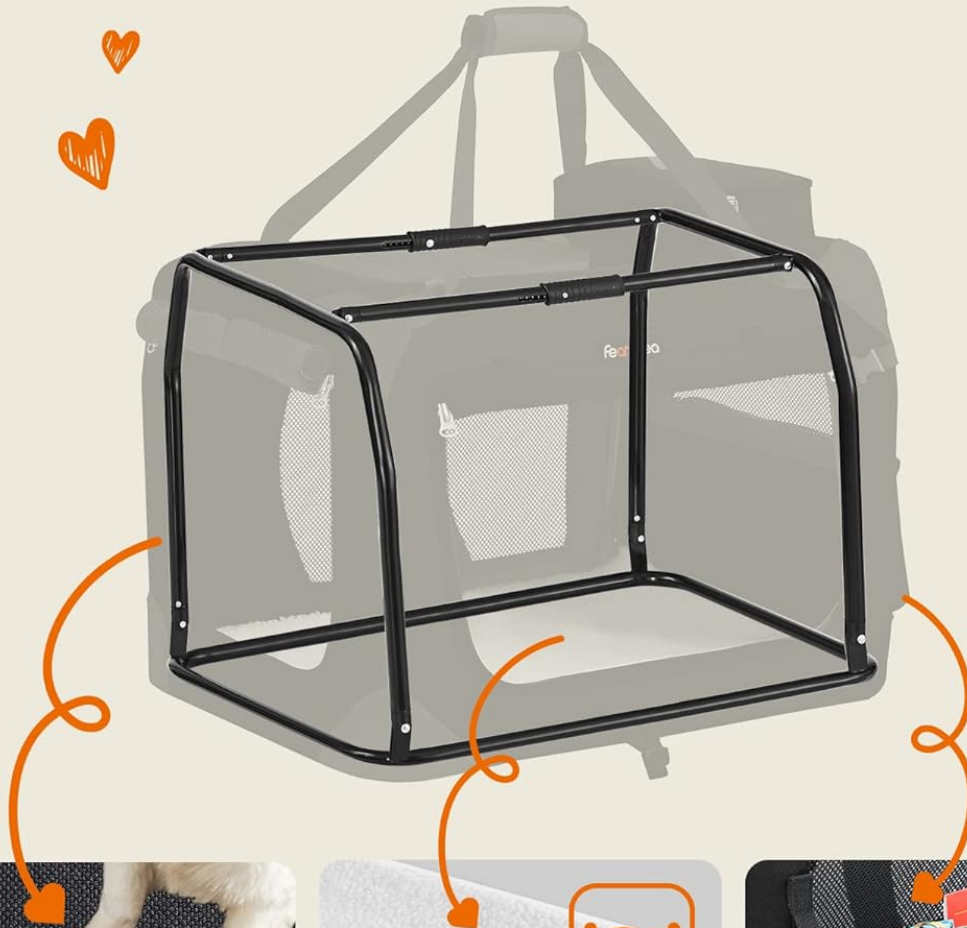

- **Crate Not Standing Firmly:** Ensure all metal frame tubes are fully inserted into their connectors and sleeves. Check that the buckles (if any) are securely fastened to maintain the crate's shape.
- **Zippers Sticking:** Clean any pet hair or debris from the zipper teeth. Apply a small amount of zipper lubricant or a graphite pencil to the teeth to improve smoothness.
- **Pet Chewing/Scratching Fabric:** While the Oxford fabric is durable, persistent chewing or scratching can cause damage. Consider using chew deterrent sprays or providing appropriate chew toys to redirect your pet's behavior. Ensure your pet is comfortable and not overly stressed when left in the crate.
- **Difficulty Folding/Unfolding:** Ensure all internal components (like the mat) are removed before attempting to fold. Check for any obstructions or misaligned frame parts. Follow the assembly/disassembly steps in reverse for folding.

SPECIFICATIONS

Feature	Detail
Model Number	UPDC70H
Product Dimensions (L x W x H)	70L x 52W x 52H Centimetres (28 x 20.5 x 20.5 Inches)
