## SETUP AND ASSEMBLY

---

Follow the included assembly guide for step-by-step instructions. The following general steps apply:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Frame:** Connect the heavy-duty metal frame components according to the diagrams in the assembly guide. Ensure all connections are secure.
3. **Attach Legs:** Secure the sturdy metal legs to the assembled frame.
4. **Install Adjustable Foot Pads:** Screw the adjustable foot pads onto the bottom of each leg. These can be adjusted later to level the table on uneven floors.
5. **Attach Tabletop:** Carefully place the tabletop panels onto the frame and secure them using the provided fasteners. Ensure the grommet cutouts align correctly.
6. **Final Placement:** With the help of a second person, carefully flip the table upright and move it to its desired location. Adjust the foot pads as needed for stability.

# OPERATING INSTRUCTIONS

---

The Tribesigns 8FT Conference Table is designed for collaborative environments. Its boat-shaped design allows for clear sightlines among participants.

## Cable Management

The table features two integrated grommet hole cutouts on the tabletop. These, combined with open channels inside the legs, allow for discreet routing of power and data cables from the floor to the work surface. This helps maintain a clean and organized meeting area.

## MAINTENANCE AND CARE

---

To maintain the appearance and longevity of your conference table, follow these care instructions:

- **Cleaning:** Wipe the tabletop and frame with a damp cloth. For general cleaning, use a dry cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Stain Resistance:** The laminate finish is scratch- and stain-resistant, helping to withstand everyday office use. Clean spills promptly to prevent potential staining.
- **Avoid Excessive Heat/Moisture:** Do not place hot items directly on the surface without protection. Avoid prolonged exposure to excessive moisture.
- **Regular Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

## TROUBLESHOOTING

---

### Missing Parts or Damaged Components

- **Solution:** If you find any parts missing or damaged upon delivery, please contact Tribesigns customer service immediately. Provide your order details and a description of the issue for prompt assistance.

### Table Instability or Wobbling

- **Solution:** Ensure all assembly screws are securely tightened. Adjust the foot pads on the bottom of each leg

to level the table on uneven surfaces. Turn the foot pads clockwise or counter-clockwise until the table is stable.

### Difficulty During Assembly

- **Solution:** Refer to the detailed assembly guide provided with the product. Ensure you have sufficient space and, if possible, a second person to assist. If issues persist, contact customer service.
