intelamp YL004-3B

Intelamp Solar Fence Lights Outdoor - Instruction Manual

Model: YL004-3B

1. Product Overview

The Intelamp Solar Fence Lights are designed to provide versatile outdoor lighting with RGB color-changing capabilities. These lights are solar-powered, waterproof, and can be controlled via a remote or directly on the unit. They are suitable for various outdoor applications such as fences, decks, patios, and stairs.

Image 1: Overview of Intelamp Solar Fence Lights demonstrating various lighting modes and remote control functionality.

2. Package Contents

- Solar Fence Lights (2 units)
- Remote Control
- Mounting Hardware (screws, wall anchors)
- Instruction Manual

3. Setup and Installation

3.1 Initial Activation and Charging

1. Before first use, ensure the ON switch on the light unit is turned on.
2. Place the solar lights in direct sunlight for approximately 9 hours to achieve a full charge. This ensures optimal performance and up to 20 hours of continuous use.

3.2 Mounting Options

The Intelamp Solar Fence Lights offer two convenient installation methods:

- **Adhesive Installation:** Suitable for smooth surfaces such as glass, marble, wood, or stainless steel. Ensure the surface is clean and dry before applying the adhesive.
- **Screw Fixation:** For more permanent mounting on walls, fences, or decks. Use the provided screws and wall anchors as needed.

Image 2: Illustration of the two installation methods: adhesive tape and screw fixation.

4. Operating Instructions

4.1 Power On/Off and Mode Selection

The lights can be controlled directly on the unit or using the included remote control.

- **On-Unit Control:** Press the 'POWER' button on the light to switch it on/off and cycle through basic modes.
- **Remote Control:** The remote provides comprehensive control over the light's functions.

4.2 Remote Control Functions

The remote control allows for advanced customization of your lighting experience:

- **Color Selection:** Choose from 9 fixed colors: red, yellow, light green, green, sky blue, blue, purple, pink, and warm white.
- **RGB Cycling Mode:** Activate the RGB color cycle mode, which changes colors every 3 seconds or every 30 minutes.
- **Brightness Adjustment:** Increase or decrease the light intensity.
- **Timer Function:** Set a timer for the lights to operate for a specific duration.

5. Maintenance

5.1 Weather Resistance

The Intelamp Solar Fence Lights are designed for outdoor use with an IP65 waterproof rating, ensuring durability against various weather conditions including wind, rain, heat, and frost.

Image 3: The solar lights demonstrating their resilience to various outdoor elements.

5.2 Cleaning

To maintain optimal charging efficiency, periodically clean the solar panel surface with a soft, damp cloth to remove dust, dirt, or debris. Avoid using abrasive cleaners.

6. Troubleshooting

- **Light not turning on at night:**
  - Ensure the ON switch on the light is activated.
  - Verify the solar panel receives at least 6-8 hours of direct sunlight daily. Obstructions like trees or buildings can reduce charging efficiency.
  - Check if the remote control batteries need replacement.
- **Light duration is shorter than expected:**
  - Insufficient sunlight exposure during the day.
  - The solar panel may be dirty; clean it as described in the Maintenance section.
  - Extreme weather conditions (e.g., prolonged cloudy days, very cold temperatures) can affect battery performance.
- **Remote control not responding:**
  - Ensure the remote is pointed directly at the light unit.
  - Replace the remote control battery if necessary.

7. Specifications

Image 4: Dimensions and key features of the Intelamp Solar Fence Light.

Feature	Detail
Brand	intelamp
Model Number	YL004-3B
Color	Black
Material	Acrylonitrile Butadiene Styrene (ABS)
Power Source	Solar Powered
Light Source	LED
Control Method	Remote, Touch
Water Resistance Level	IP65 Waterproof
Item Dimensions (L x W x H)	6.7" x 4.7" x 4.1"

Special Features	9 fixed colors, Color Changing, Easy to install, Timer

8. Warranty and Support

8.1 Warranty Information

This product comes with a Limited Warranty. Please refer to the specific warranty terms provided at the time of purchase or contact customer support for details.
