ASSEMBLY INSTRUCTIONS (SETUP)

Assembly typically requires two people and a screwdriver (not included). The included installation tool is an Allen wrench. Please follow these steps carefully.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface to prevent damage. Refer to the included assembly guide for a detailed parts list and diagrams.
2. **Attach Legs to Bottom Shelf:** Secure the gold geometric metal legs to the bottom faux marble wood shelf using the provided screws and the Allen wrench. Ensure the legs are oriented correctly as shown in the diagram.
3. **Attach Tabletop to Legs:** Carefully align the tabletop with the top of the assembled legs. Secure the tabletop to the legs using the remaining screws. It is recommended to have a second person assist in holding the tabletop steady during this step.
4. **Tighten All Fasteners:** Once all parts are in place, gently tighten all screws and bolts. Do not overtighten, as this may damage the material.
5. **Position the Table:** With assistance, carefully flip the table upright and place it in its desired location. Adjust the leveling feet if necessary to ensure stability on uneven surfaces.

- **Cleaning:** Wipe the tabletop and frame with a damp cloth, then immediately dry with a clean, dry cloth. The waterproof melamine finish makes the surface easy to clean.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong detergents, or chemical sprays, as these can damage the finish.
- **Protect Surfaces:** Use coasters under drinks and placemats under hot items to prevent water rings and heat damage.
- **Prevent Scratches:** Although the tabletop is scratch-resistant, avoid dragging sharp or heavy objects across the surface.

- **Regular Checks:** Periodically check and tighten all screws and bolts to ensure the table remains stable.
