## 2. SAFETY INFORMATION

**WARNING:** This product is not suitable for children under 8 years of age. It is intended for use only under adult supervision. This collectible item contains small parts and is fragile. Handle with care to prevent breakage and potential injury.

## 3. SETUP

To set up your Raven Hill Spooky Town Facade, follow these steps:

1. **Unpacking:** Carefully remove the facade from its packaging. Inspect the item for any damage.
2. **Placement:** Place the facade on a stable, flat surface where it will not be easily knocked over. Ensure it is away from direct sunlight, heat sources, and moisture.

3. **Power Options:** The facade can be powered in two ways:
- **Battery Operation:** Requires batteries (not included). Locate the battery compartment, typically on the underside of the base, and insert the required batteries according to the polarity markings.
  - **4.5V Adaptor:** The facade is compatible with a 4.5V adaptor (not included). Connect the adaptor to the designated port on the facade and plug it into a standard electrical outlet.
4. **Activation:** Locate the ON/OFF switch, usually on the back or bottom of the unit. Flip the switch to the "ON" position to activate the lights.
5. **Timer Functionality:** This product does not include a built-in timer. If you wish to automate the lighting, you may use an external timer with your 4.5V adaptor or a smart plug controlled by your phone.

## 4. OPERATION

Once powered on, the Lemax Raven Hill Spooky Town Facade will illuminate, bringing its detailed scene to life. The facade features multicolored lights that highlight various elements of the spooky village, including the "Mortuary," "Notions Potions," and "Withered Flowers" buildings, as well as the surrounding graveyard and figures. The dynamic lighting creates an engaging display, perfect for Halloween or year-round enjoyment for collectors. There are no moving parts or special features beyond the lighting.

## 5. MAINTENANCE

- **Cleaning:** To clean the facade, gently wipe it with a soft, dry cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish and painted details.
- **Storage:** When not in use, store the facade in its original packaging or a protective container to prevent dust accumulation and damage. Ensure it is stored in a cool, dry place. Due to its intricate details, handle the piece with care during storage and retrieval to avoid breakage.
- **Battery Replacement:** If using batteries, replace them when the lights dim or cease to function. Ensure proper battery type and polarity.
