HOSTACK 11

HOSTACK Modern 6 Drawer Dresser Instruction Manual

Model: 11

INTRODUCTION

Thank you for choosing the HOSTACK Modern 6 Drawer Dresser. This tall chest of drawers is designed to provide ample storage and a stylish addition to your bedroom, living room, or entryway. Featuring a spacious tabletop, 6 deep easy-glide drawers with unique cut-out handles, and sturdy construction, this dresser is built for durability and functionality. Please read this manual carefully before assembly and use to ensure proper setup and long-lasting enjoyment of your new furniture.

SAFETY INFORMATION

Your safety is our priority. Please adhere to the following safety guidelines:

- This dresser meets the criteria outlined in safety standard (ASTM 2057–2023) for Clothing Storage Units to protect children from tip-over-related injury.
- Anti-tipping accessories are included in the package. It is crucial to install these accessories to secure the dresser to the wall, preventing accidental tip-overs.
- Do not allow children to climb on the dresser or open multiple drawers at once, as this can create a tip-over hazard.
- Place the dresser on a flat, stable surface.
- Distribute weight evenly in drawers to maintain stability.
- Keep small parts and assembly hardware out of reach of children during assembly.

PARTS LIST

Before beginning assembly, ensure all parts and hardware are present. Refer to the included detailed instructions for a complete list and identification of numbered parts.

Note: A detailed parts diagram is typically found in the printed manual.

ASSEMBLY INSTRUCTIONS

Assembly is designed to be frustration-free for any skill level. Follow the numbered steps carefully. It is recommended to have a second person for certain steps to ensure stability and ease of assembly.

Step 1: Prepare Drawer Slides

Separate the two parts of each drawer slide. Identify the inner and outer rails. The inner rail attaches to the drawer, and the outer rail attaches to the dresser frame.

Step 2: Attach Slides to Dresser Panels

Attach the outer rails of the drawer slides to the designated side panels of the dresser using the provided screws. Ensure they are aligned correctly with the pre-drilled holes.

Step 3: Assemble Dresser Frame

Connect the side panels, top, and bottom panels according to the numbered instructions. Use the cam locks and dowels to secure the connections. Ensure all connections are tight and stable.

Step 4: Assemble Drawers

Assemble each drawer by connecting the front, back, and side panels. Slide the bottom panel into the grooves. Attach the inner rails of the drawer slides to the sides of each drawer.

Step 5: Insert Drawers

Carefully align the inner rails on the drawers with the outer rails on the dresser frame. Gently push the drawers in until they click into place. Test each drawer to ensure smooth operation.

OPERATING INSTRUCTIONS

The drawers are equipped with quality ball-bearing slides for smooth operation and a pull-out stop mechanism to prevent them from accidentally falling out. To open a drawer, simply pull it using the integrated cut-out handle. To remove a

drawer for cleaning or maintenance, pull it out as far as possible, then locate the small safety buckles on the drawer slides. Press one buckle down and lift the other buckle up simultaneously, then pull the drawer out with force.

MAINTENANCE

To maintain the appearance and longevity of your dresser, wipe it with a dry cloth regularly. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish. Periodically check all screws and fasteners to ensure they remain tight. If any part becomes loose, tighten it immediately.

TROUBLESHOOTING

- **Drawers not sliding smoothly:** Check that the drawer slides are properly aligned and securely fastened to both the drawer and the dresser frame. Ensure no debris is obstructing the runners.
- **Dresser wobbles:** Verify that the dresser is placed on a level surface. Check all assembly connections and tighten

any loose screws. Ensure anti-tipping hardware is correctly installed and secured to the wall.

- **Missing parts:** If you find any parts missing upon unboxing, please contact customer support immediately.
