T4TREAM Farmhouse Makeup Vanity Desk with Sliding Mirror and Lights (Model BDC42VDWS) - Instruction Manual

Your guide to assembly, operation, and care.

1. INTRODUCTION

Thank you for choosing the T4TREAM Farmhouse Makeup Vanity Desk. This manual provides essential information for the safe assembly, proper operation, and effective maintenance of your new vanity desk. Please read these instructions thoroughly before beginning assembly or use, and retain them for future reference.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions could result in injury or damage to the product.

- Always unplug the vanity before assembly or disassembly.
- Be cautious of sharp edges and pinch points during assembly and usage.
- Do not place heavy objects on the tabletop that could exceed the weight limit of 50 lbs.
- Keep the vanity away from water to prevent electrical hazards.
- Always turn off the lights when not in use to prevent overheating.
- If you encounter any problems with the product, contact customer service immediately for assistance.

3. SETUP AND ASSEMBLY

Your T4TREAM Farmhouse Makeup Vanity Desk comes with detailed installation instructions, all parts, and accessories. Each component is easily identified with numbered stickers for straightforward recognition. A pack of spare parts is included in case of hardware loss during assembly.

For optimal assembly, ensure you have a Phillips head screwdriver, as it is frequently used and not provided. It is recommended to have two people for assembly due to the weight and size of some components.

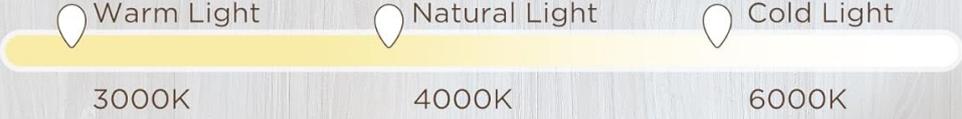

4. OPERATING INSTRUCTIONS

4.1 Sliding Lighted Mirror

The vanity features a sliding HD mirror with integrated lighting. You can slide the mirror to either side to access the shelves behind it. The mirror's lighting is controlled by a touch button on its surface.

- **Turning On/Off:** Gently touch the power button icon on the mirror to turn the lights on or off.
- **Adjusting Color Modes:** Short press the touch button to cycle through three color modes: Warm Light (3000K), Natural Light (4000K), and Cold Light (6000K).
- **Adjusting Brightness:** Long press the touch button to adjust the brightness level within each light mode. The brightness can be dimmed or intensified from 0% to 100%.

6. MAINTENANCE

To maintain the appearance and longevity of your vanity desk, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish or glass.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the wood and glass.
- **Heat:** Do not place hot items directly on the tabletop without protection.

7. TROUBLESHOOTING

If you experience issues with your vanity desk, consider the following general troubleshooting tips:

- **Lights Not Working:** Ensure the vanity is properly plugged into a functional power outlet. Check the touch button for responsiveness.
- **Drawers Sticking:** Verify that the drawer slides are clean and free of obstructions. Ensure the drawers

are correctly aligned within their tracks.

- **Stability Issues:** Confirm all assembly hardware is securely tightened. Avoid placing excessive weight on any single part of the vanity.
