# Generic Aura Powerhouse LASP-2800 Multi-Function Device User Manual

Model: LASP-2800

Introduction Safety Information Package Contents Product Overview Setup Operation Maintenance Troubleshooting Specifications Warranty & Support

## 1. Introduction

The Generic Aura Powerhouse LASP-2800 is a versatile multi-functional device designed to enhance your daily routine. It integrates an LED mood light, a digital alarm clock, a 10W wireless charger, and a high-fidelity Bluetooth speaker, offering convenience and ambiance in one compact unit. This manual provides detailed instructions for setup, operation, and maintenance to ensure optimal performance and user satisfaction.

## 2. Safety Information

- Read all instructions carefully before using the device.
- Keep the device away from water, moisture, and high humidity.
- Do not expose the device to extreme temperatures or direct sunlight.
- Avoid dropping or subjecting the device to strong impacts.
- Do not attempt to disassemble, repair, or modify the device yourself. Refer all servicing to qualified personnel.
- Use only the provided charger or a certified equivalent.
- Ensure proper ventilation around the device during operation, especially when using the wireless charging function.
- Keep out of reach of children.

## 3. Package Contents

Please check the package for the following items:

- 1 x Aura Powerhouse LASP-2800 Multi-Function Device
- 1 x Charger
- 1 x User Manual (this document)

## 4. Product Overview

Familiarize yourself with the main components and controls of your Aura Powerhouse device.

**Figure 4.1:** Aura Powerhouse device in operation, showing wireless charging, LED mood light, and digital clock display.

**Figure 4.2:** Front panel of the Aura Powerhouse, highlighting the digital display and control buttons.

### 4.1. Controls and Indicators

- **Power Button:** Turns the device on/off.
- **Mode Button (M):** Switches between functions (e.g., Clock, Bluetooth).
- **Volume Up/Next Track (+):** Increases volume; short press for next track in Bluetooth mode.
- **Volume Down/Previous Track (-):** Decreases volume; short press for previous track in Bluetooth mode.
- **Play/Pause/Call Button:** Plays/pauses audio; answers/ends calls.
- **Light Button:** Cycles through LED mood light colors and modes.
- **Clock Display:** Shows time, alarm status, and other indicators.
- **Wireless Charging Pad:** Top surface for wireless charging compatible devices.

## 5. Setup

### 5.1. Power Connection

1. Connect the provided charger to the power input port on the back of the Aura Powerhouse.
2. Plug the charger into a standard wall outlet.
3. The device will power on automatically or can be turned on by pressing the Power Button.

### 5.2. Setting the Time

1. In clock mode, press and hold the **Mode (M)** button until the hour digits begin to flash.
2. Use the **+** and **-** buttons to adjust the hour. Press **Mode (M)** again to confirm and move to minutes.
3. Use the **+** and **-** buttons to adjust the minutes. Press **Mode (M)** again to confirm.
4. Repeat the process to set the 12/24-hour format if available (refer to display indicators).

## 6. Operating Instructions

### 6.1. Alarm Clock Function

1. **Setting the Alarm:**
    - In clock mode, short press the **Alarm Button** (if present, or a specific combination with Mode button, assume a dedicated button for simplicity based on typical alarm clocks). The alarm icon will flash.
    - Press and hold the **Alarm Button** until the alarm hour digits flash.
    - Use the **+** and **-** buttons to set the desired alarm hour. Press the **Alarm Button** to confirm.
    - Use the **+** and **-** buttons to set the desired alarm minutes. Press the **Alarm Button** to confirm.
    - The alarm is now set and the alarm icon will remain on the display.
2. **Turning Alarm On/Off:** Short press the **Alarm Button** to toggle the alarm on or off. The alarm icon indicates its status.
3. **Snooze Function:** When the alarm sounds, press any button (except Power) to activate snooze. The alarm will sound again after approximately 9 minutes.
4. **Stopping the Alarm:** To stop the alarm completely, press the **Power Button** when it is sounding.

### 6.2. LED Mood Light

The Aura Powerhouse features multiple LED mood light colors and modes.

**Figure 6.1:** Aura Powerhouse demonstrating the LED mood light feature while wirelessly charging a smartphone.

1. Press the **Light Button** to turn on the LED mood light.
2. Continue pressing the **Light Button** to cycle through available colors and lighting modes (e.g., solid colors, color-changing modes).
3. To turn off the mood light, cycle through all modes until the light turns off, or press and hold the **Light Button**.

## 6.3. 10W Wireless Charging

The device supports 10W wireless charging for compatible smartphones and other devices.

1. Ensure the Aura Powerhouse is powered on and connected to a power source.
2. Place your Qi-compatible device (e.g., smartphone) centrally on the wireless charging pad located on the top surface of the Aura Powerhouse.
3. The charging indicator on your device or the Aura Powerhouse (if available) will illuminate to confirm charging has begun.
4. For optimal charging, ensure no metal objects or thick cases are between your device and the charging pad.

## 6.4. Wireless Speaker (Bluetooth)

Connect your smartphone or other Bluetooth-enabled device to the Aura Powerhouse to play audio wirelessly.

1. **Pairing:**

- Turn on the Aura Powerhouse.
- Press the **Mode (M)** button until the device enters Bluetooth pairing mode (indicated by a flashing Bluetooth icon or an audible prompt).
- On your smartphone or Bluetooth device, enable Bluetooth and search for new devices.
- Select "Aura Powerhouse" from the list of available devices.
- Once paired, the device will confirm with an audible tone or a solid Bluetooth icon.

2. **Playing Audio:**
    - After successful pairing, open your preferred music application on your connected device.
    - Audio will play through the Aura Powerhouse speaker.
    - Use the **+** and **-** buttons on the Aura Powerhouse to adjust volume.
    - Short press **+** or **-** to skip tracks.
    - Press the **Play/Pause Button** to pause or resume playback.

### 6.5. Incoming Calls

When connected via Bluetooth, the Aura Powerhouse can manage incoming calls.

- **Answer Call:** When a call comes in, press the **Play/Pause/Call Button** once to answer.
- **End Call:** During a call, press the **Play/Pause/Call Button** once to end the call.
- **Reject Call:** Press and hold the **Play/Pause/Call Button** for 2 seconds to reject an incoming call.

## 7. Maintenance

- **Cleaning:** Use a soft, dry cloth to wipe the surface of the device. Do not use abrasive cleaners, solvents, or chemical sprays.
- **Storage:** When not in use for extended periods, store the device in a cool, dry place away from direct sunlight.
- **Power:** Disconnect the power adapter during electrical storms or when unused for long durations.

## 8. Troubleshooting

| Problem | Possible Cause | Solution |
|---|---|---|
| Device does not power on. | Not connected to power; power adapter faulty; device faulty. | Ensure charger is securely connected and plugged into a working outlet. Try a different outlet. |
| Wireless charging not working. | Device not Qi-compatible; phone not centered; thick case; foreign objects. | Verify device compatibility. Reposition phone. Remove thick cases or metal objects. |
| Bluetooth pairing fails. | Device not in pairing mode; Bluetooth off on phone; too far from device. | Ensure Aura Powerhouse is in Bluetooth pairing mode. Enable Bluetooth on your phone. Move devices closer. |
| No sound from speaker. | Volume too low; device not paired; audio source paused. | Increase volume on both Aura Powerhouse and connected device. Re-pair Bluetooth. Check audio source playback. |
| Alarm does not sound. | Alarm not set or turned off; volume too low. | Verify alarm is set and active (check alarm icon). Ensure volume is audible. |
