BABY JOY Portable Baby Changing Table

Instruction Manual

INTRODUCTION

Thank you for choosing the BABY JOY Portable Baby Changing Table. This manual provides essential information for the safe assembly, operation, and maintenance of your changing table. Please read all instructions carefully before use and retain this manual for future reference.

SAFETY INFORMATION

Your child's safety is paramount. Always adhere to the following safety guidelines:

- **WARNING:** Never leave a child unattended on the changing table.
- Always secure your child with the provided safety belt when using the changing table.
- Ensure all parts are correctly assembled and securely fastened before placing a child on the table.
- Do not exceed the maximum weight recommendation of **33 pounds (15 kg)** for the tabletop.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Regularly inspect the changing table for any signs of wear, damage, or loose components. Discontinue use if any damage is found.
- This product is certified by ASTM and CPSIA for safety standards.

SETUP (ASSEMBLY)

Follow these steps to assemble your BABY JOY Portable Baby Changing Table. For visual guidance, please refer to the installation video below.

Video: BABY JOY Foldable Baby Changing Table with Wheels Installation Guide. This video provides a detailed, step-by-step guide on how to assemble the BABY JOY Portable Baby Changing Table, from unfolding the frame to attaching all fabric components and accessories.

1. **Unfold the Main Frame:** Carefully unfold the main metal frame until it locks into an open position. Ensure all locking mechanisms are engaged.
2. **Assemble Leg Extensions:** Insert the leg extension pieces into the designated slots on the main frame. Press the spring buttons to ensure they click into place securely.
3. **Attach Wheels:** Screw the four universal wheels into the bottom of each leg extension. Ensure they are tightened securely. The wheels are lockable for stability.
4. **Install Storage Basket Fabric:** Unzip the side storage basket fabric. Wrap it around the designated bars on the side of the frame and secure it using the snaps. Zip it closed to form the compartments.
5. **Install Changing Pad Fabric:** Place the changing pad fabric cover over the top frame. Secure it by snapping the buttons around the frame. Ensure the safety belt is accessible.
6. **Install Bottom Storage Shelf Fabric:** Attach the bottom storage shelf fabric to the lower bars of the frame using the snaps provided.
7. **Insert Water Basin:** Place the water basin into its designated slot within the side storage basket.

OPERATING INSTRUCTIONS

This section details how to use your changing table effectively and safely.

1. Adjusting Height

The changing table features 3 adjustable height options to suit users of different heights, reducing strain on your back and waist.

- To adjust the height, locate the adjustment buttons on the legs.
- Press the buttons and slide the leg extensions up or down to your desired height (31.5", 32.5", or 33.5" from tabletop to floor).
- Ensure the buttons click into place at the chosen height for stability.

It shows how these adjustments help users of different heights avoid bending over, promoting ergonomic comfort during use.

2. Using the Changing Pad

The changing pad is designed for comfort and safety.

- Place your baby on the changing pad.
- Always fasten the padded safety belt securely around your baby to prevent falls.
- The changing pad includes a built-in height ruler to track your baby's growth.
- The four heightened sides provide additional security.

MAINTENANCE AND CARE

Proper care will extend the life of your changing table.

- **Cleaning:** The changing pad fabric is waterproof, oil-proof, stain-resistant, and anti-tear. Wipe clean with a damp cloth and mild soap. Do not use abrasive cleaners.
- **Drying:** Allow all components to air dry completely before folding or storing to prevent mold or mildew.
- **Storage:** When not in use, fold the changing table and store it in a dry, cool place away from direct sunlight.
- **Inspection:** Periodically check all screws, snaps, and connections to ensure they are tight and secure.

TROUBLESHOOTING

If you encounter any issues, please refer to the following common solutions:

Problem	Possible Cause	Solution
Table feels wobbly or unstable.	Leg extensions not fully engaged; wheels unlocked.	Ensure all leg extension buttons are clicked into place. Lock all four wheels.
Difficulty folding the table.	Folding buttons not fully pressed.	Ensure both folding buttons on the side of the frame are pressed simultaneously and fully.
Water basin does not fit securely.	Incorrect placement.	Ensure the water basin is oriented correctly and placed into its designated slot in the side storage basket.
