SETUP

Installing your TORRAS Slim Fit Phone Case is a straightforward process. Ensure your iPhone 15 is clean and free of dust or debris before installation.

1. **Prepare Your Device:** Gently wipe your iPhone 15 with a soft, lint-free cloth to remove any fingerprints or smudges.

2. **Align the Case:** Start by aligning the camera cutout of the case with your iPhone's camera module.

3. **Insert the Phone:** Carefully push your iPhone into the case, ensuring all corners and edges are properly seated within the case's frame. Apply gentle pressure around the edges until the phone is fully secured.

4. **Check Fit:** Verify that all buttons are accessible and functional, and that the case fits snugly around your device without any gaps.

OPERATING THE CASE

The TORRAS Slim Fit Phone Case is designed to enhance your iPhone 15 experience while providing essential protection.

Button Functionality

The case features upgraded metal buttons that offer responsive and tactile feedback. These buttons are precisely engineered to align with your iPhone's volume and power buttons, ensuring effortless operation.

Wireless Charging Compatibility

The ultra-slim design of the case ensures full compatibility with wireless charging. You can charge your iPhone 15 without needing to remove the case, allowing for efficient power transfer.

Enhanced Protection Features

Despite its slim profile, the case offers robust protection for critical areas of your iPhone:

- **Raised Screen Edges:** A 1.2 mm raised edge around the screen helps protect it from direct impact when placed face down.
- **Raised Camera Bezels:** A 1.5 mm raised bezel around the camera module safeguards the lenses from scratches and damage.
- **X-shock Airbags:** Integrated X-shock airbags in the corners are designed to absorb impact and provide strong protection against accidental drops.

MAINTENANCE

To ensure the longevity and appearance of your TORRAS Slim Fit Phone Case, follow these maintenance guidelines:

- **Cleaning:** Use a soft, damp cloth to wipe down the case regularly. For stubborn stains, a small amount of mild soap can be used, followed by wiping with a clean, damp cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the case's finish and material.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight and extreme

temperatures.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Case does not fit snugly.	Incorrect phone model or improper installation.	Ensure you have the correct case for iPhone 15 (6.1 inch). Re-install the case, making sure all corners snap into place.
Wireless charging is slow or not working.	Misalignment on charging pad or foreign objects between phone and charger.	Re-position the phone on the wireless charger. Ensure no foreign objects are present. The case is designed to be compatible with wireless charging.
Buttons are not responsive.	Improper case alignment or debris.	Remove the case and re-install it, ensuring proper alignment. Check for any debris around the buttons.
