2. IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in serious injury.

- **Adult Supervision Required:** Always ensure a responsible adult supervises children during play.
- **Assembly:** The slide requires tightening of plastic screws during assembly. Ensure all components are securely fastened before allowing children to play.
- **Regular Inspection:** Periodically check for loose screws, damaged parts, or wear and tear. Tighten any loose fasteners immediately. Replace damaged parts before further use.
- **Weight Limit:** Do not exceed the maximum recommended weight of 130 pounds (59 kg).
- **Age Appropriateness:** This product is designed for toddlers aged 1 year and older.
- **Placement:** Place the playset on a level, soft surface such as grass or a play mat. Avoid hard surfaces like concrete or asphalt. Ensure adequate clear space around the playset.
- **Environmental Conditions:** Suitable for both indoor and outdoor use. When used outdoors, protect from extreme weather conditions to prolong product life.
- **Material Safety:** Made from odorless, durable, high-quality HDPE with a polished surface and no sharp corners or edges.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Slide sections
- Climber/Stair sections
- Main play structure panels
- Basketball hoop and net
- Small basketball
- Ring-toss rings
- Play telescope
- Fasteners (plastic screws, nuts, etc.)
- Assembly tool (if included)

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. While the process is generally straightforward, careful attention to detail is important. It is recommended to have two adults for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Verify against the package contents list.
2. **Identify Main Panels:** Locate the main structural panels that form the base of the playset.
3. **Attach Climber/Stairs:** Securely attach the climber/stair sections to the designated points on the main structure using the provided plastic screws and fasteners. Ensure they are tightly secured.
4. **Assemble Slide:** Connect the slide sections, ensuring a smooth transition. Attach the assembled slide to the main structure. Pay close attention to the connection points for stability.
5. **Install Basketball Hoop:** Mount the basketball hoop and backboard to the designated area. Attach the net.
6. **Add Accessories:** Install the play telescope, ring-toss rings, and any other decorative or functional elements.
7. **Final Check:** Once assembled, thoroughly inspect all connections, screws, and joints to ensure they are tight and secure. Shake the playset gently to confirm stability.

Image 4.2: Close-up view highlighting the engineered zones of the slide for a controlled and safe descent.

5. OPERATING INSTRUCTIONS

The XJD 8-in-1 Toddler Slide Set offers multiple play activities. Ensure children use each feature appropriately and under adult supervision.

Image 5.1: A visual guide to the various play areas, including the slide, telescope, basketball hoop, climber, crawl-through tunnel, and ring toss game.

- **Slide:** Children should climb the stairs, sit at the top of the slide, and slide down feet first. Ensure the landing area is clear. The slide features acceleration, deceleration, and buffer zones for a smooth and safe ride.
- **Climber/Stairs:** Encourage children to use the non-slip steps and sturdy handrails for safe ascent to the slide platform or other elevated areas.
- **Basketball Hoop:** Use the included small basketball to practice shooting hoops.
- **Ring-Toss Game:** Engage in the ring-toss game by throwing the rings onto the designated pegs.
- **Crawl-through Tunnel/Aisle:** Children can crawl through the archway beneath the main structure, fostering exploration.
- **Play Telescope:** Use the telescope for imaginative play, observing surroundings.
- **Storage Space:** Utilize the integrated storage areas for toys or other small items.

6. CARE AND MAINTENANCE

Regular care will ensure the longevity and safety of your XJD Toddler Slide Set.

- **Cleaning:** Wipe down all surfaces with a damp cloth and mild soap. Rinse thoroughly and dry. Avoid abrasive cleaners or harsh chemicals.
- **Inspection:** Perform weekly checks for loose screws, cracks, or any signs of damage. Pay particular attention to connection points and high-wear areas.
- **Outdoor Use:** If used outdoors, consider covering the playset when not in use to protect it from UV rays and weather elements, which can cause fading or material degradation over time.
- **Storage:** If storing for an extended period, disassemble if necessary and store in a cool, dry place away from direct sunlight.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Playset feels unstable or wobbly.	Loose fasteners or incorrect assembly.	Check all plastic screws and connections. Tighten securely. Refer to assembly instructions. Ensure playset is on a level surface.

Problem	Possible Cause	Solution
Parts do not fit together during assembly.	Incorrect orientation of parts or manufacturing defect.	Review the assembly diagram carefully. Ensure parts are oriented correctly. If parts are clearly defective, contact customer support.
Slide surface is not smooth.	Debris on the slide or improper connection of slide sections.	Clean the slide surface. Re-check the connection points of the slide sections to ensure they are flush and securely joined.
Missing components.	Packaging error.	Contact XJD customer support with your purchase details and a list of missing parts.
