PHI VILLA 2 Pcs Swivel Chairs

PHI VILLA Outdoor Patio Swivel Sofa Chairs (Set of 2)

Instruction Manual

1. INTRODUCTION

Thank you for choosing the PHI VILLA Outdoor Patio Swivel Sofa Chairs. This set includes two metal patio armchairs designed for outdoor use, featuring 360-degree rotation and thick cushions for enhanced comfort. This manual provides essential information for the safe assembly, operation, and maintenance of your new patio chairs.

2. SAFETY INFORMATION

- This product requires assembly. Exercise caution around sharp edges and small parts during the assembly process.
- Do not expose the cushions to direct sunlight for extended periods. Prolonged exposure can lead to material damage or discomfort.
- Protect the product from excessive sunlight and humidity to extend its lifespan and maintain its appearance.
- Ensure all bolts and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum load bearing capacity of 350 lbs per chair.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

5. OPERATING INSTRUCTIONS

The PHI VILLA Swivel Sofa Chairs are designed for ease of use and comfort.

5.1. Swivel Function

Each chair features a 360-degree swivel base, allowing for smooth rotation. Simply apply gentle pressure with your feet to rotate the chair in any direction. Ensure the chair is on a flat, stable surface for optimal swiveling.

Bigger, Wider, More comfortable

5.2. Cushion Placement

Place the thick seat cushions onto the chair frame. The cushions are equipped with Velcro straps to secure them to the frame, preventing slippage. Position the back cushions for desired comfort.

All Metal Steel Frame

Heavy Duty & Super Strong - adopts an all-metal frame, and the load-bearing area is reinforced with steel bars, so you don't have to worry about bending or breaking, and it is suitable for consumers of all sizes.

6. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your PHI VILLA patio chairs.

6.1. Frame Care

- Regularly clean the metal frame with a soft cloth and mild soap solution. Rinse thoroughly and dry completely to prevent water spots and rust.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- Cover the chairs when not in use or during inclement weather to protect them from the elements.

6.2. Cushion Care

- The cushions are made of UV-resistant, weather-resistant, and fade-resistant fabric.
- For spills, promptly blot the affected area with a clean, dry cloth. For tougher stains, use a mild soap and water solution, then rinse and air dry.

- The cushion covers are detachable with zipper closures for easy cleaning.
- Store cushions indoors during prolonged periods of non-use or severe weather to maintain their quality.

7. TROUBLESHOOTING

If you encounter any issues with your PHI VILLA patio chairs, please refer to the following common solutions:

- **Wobbly Chair:** Check all bolts and ensure they are securely tightened. Make sure the chair is on a level surface.
- **Difficulty Swiveling:** Ensure the swivel mechanism is free of debris. If the issue persists, apply a silicone-based lubricant to the moving parts.
- **Cushion Slippage:** Re-secure the Velcro straps on the bottom of the seat cushions to the chair frame.
- **Fading Fabric:** While the fabric is fade-resistant, prolonged direct sun exposure can still cause some fading over

time. Use covers when not in use to minimize this.
