## 4. MAINTENANCE

To ensure the longevity and appearance of your Luoran Silicone Case, follow these maintenance guidelines:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth to remove dust and fingerprints. For tougher stains, a mild soap solution can be used, followed by rinsing and air-drying.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage

the silicone/TPU material.

- **Storage:** Store the case in a cool, dry place away from direct sunlight when not in use to prevent discoloration or material degradation.

## 5. TROUBLESHOOTING

If you encounter any issues with your Luoran Silicone Case, please refer to the following:

- **Case Does Not Fit:** This case is specifically designed for the **Luoran M4B Music Player ONLY**. Please verify that your device is indeed the M4B model. Cases for other models may have different dimensions and button placements.
- **Buttons Are Stiff:** Ensure the case is correctly aligned and fully seated on the player. The flexible material should allow for normal button operation. If buttons remain stiff, remove and re-install the case, ensuring proper alignment.
