

Moimhear 0402

Moimhear Bunk Bed 90 x 200 cm with Storage Stairs and Slide

Model: 0402

INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your Moimhear Bunk Bed. Please read these instructions thoroughly before beginning assembly or using the product to ensure proper function and safety.

The Moimhear Bunk Bed combines a playful house-shaped design with practical features, including a slide and integrated storage stairs. Constructed from solid pine wood and MDF, it offers a durable and stable sleeping solution for children. The design includes a safety rail for the upper bunk and adjustable slide positioning to fit various room layouts.

Safety Warning: Always read the user manual carefully for safe assembly and use. Adult supervision is recommended during assembly and initial use.

PRODUCT FEATURES

- **Durable Material Construction:** Crafted from high-quality pine wood and MDF, ensuring stability and long-lasting durability. Pine wood provides natural strength, while MDF offers a smooth, warp-resistant surface.
- **Creative House Design:** Features a unique cottage-style design that stimulates imagination and creativity, transforming a child's room into a playful and engaging space.
- **Interactive Slide:** An integrated slide extends from the upper bed to the floor, adding an element of fun and liveliness to daily routines. The slide's position can be adjusted during assembly.
- **Multifunctional Storage Stairs:** Equipped with open storage compartments within the stairs, providing convenient space for children to store books, toys, and other items, promoting tidiness and organization.
- **Easy Assembly and Maintenance:** Includes detailed assembly instructions and all necessary hardware for quick and straightforward setup. The material surfaces are designed for easy cleaning and maintenance.

SPECIFICATIONS

Brand	Moimhear
-------	----------

Model	0402
Color	Grey
Material	Pine Wood, MDF
Overall Dimensions (L x W x H)	245.5 x 200 x 200 cm (approx. 2.46L x 2W x 2H meters)
Bed Size	90 x 200 cm
Number of Slats	15
Product Weight	45 kg
Bed Weight Capacity	120 kg
Number of Packages	3
Assembly Required	Yes
Special Features	Mattress not included, adjustable slide position

SETUP AND ASSEMBLY

The Moimhear Bunk Bed requires assembly. All necessary hardware and detailed step-by-step instructions are included in the product packaging. Please ensure all components are present and undamaged before beginning assembly. It is recommended to assemble the bed with at least two adults to ensure safety and ease of construction.

Follow the provided guide carefully, paying close attention to the orientation of parts and the secure tightening of all fasteners. Do not overtighten screws. Refer to the dimension diagram below for component identification and overall measurements.

OPERATING INSTRUCTIONS

Using the Bunk Bed

The upper bunk is designed for older children, while the lower bunk is suitable for younger children. Always ensure the safety rail on the upper bunk is securely in place before use. Do not allow children under 6 years of age on the upper bunk. Ensure the mattress used fits snugly within the bed frame to prevent gaps.

Using the Slide

The slide provides a fun way to descend from the upper bunk. Before use, ensure the area around the slide is clear of any obstructions. Only one child should use the slide at a time. The slide's position can be adjusted to either side of the bed during assembly or reassembly, offering flexibility for your room layout.

Storage Stairs

Utilize the open compartments integrated within the stairs for storing books, toys, and other small items. This feature helps maintain a tidy and organized room. Ensure items stored do not obstruct the steps or create a tripping hazard.

MAINTENANCE

Cleaning

The bed's surfaces, made of pine wood and MDF, are designed for easy cleaning. Wipe regularly with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or solvents, as these may damage the finish or material.

Structural Integrity

Periodically (e.g., every 3-6 months) check all screws, bolts, and fasteners to ensure they remain tight. Retighten any loose connections as necessary to maintain the bed's stability and safety. Do not overtighten.

Wood Care

Protect the wood components from excessive moisture and direct sunlight to prevent warping, cracking, or fading. Promptly wipe up any spills.

TROUBLESHOOTING

- **Loose Connections or Squeaking:** If the bed feels unstable or produces squeaking noises, carefully inspect all assembly points. Tighten any loose screws or bolts. Ensure the bed is placed on a level surface.
- **Missing or Damaged Parts:** If any parts are missing or damaged upon delivery, do not proceed with assembly. Contact customer support immediately with your purchase details and a list of the affected parts.
- **Assembly Difficulties:** If you encounter difficulties during assembly, refer to the detailed instruction manual provided with the product. Ensure all steps are followed in the correct order. If issues persist, contact customer support for assistance.

WARRANTY AND SUPPORT

For any questions, concerns, or support regarding your Moimhear Bunk Bed, please contact the seller directly through your purchase platform. Keep your purchase receipt and the model number (0402) handy for faster service. Specific warranty details may be provided by the seller at the time of purchase.
