## 5. MAINTENANCE AND CARE

To ensure the longevity of your action figure, follow these care guidelines:

- **Cleaning:** Wipe the figure with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, but avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the figure away from direct sunlight, extreme temperatures, and high humidity to prevent discoloration or material degradation.
- **Handling:** Avoid excessive force when posing or attaching/detaching parts to prevent breakage.

## 6. TROUBLESHOOTING

If you encounter any issues with your action figure, consider the following:

- **Loose Joints:** If a joint becomes loose, it may be due to repeated movement. Gentle manipulation can sometimes restore tightness. Avoid applying lubricants.
- **Stuck Joints:** If a joint is stiff, gently warm the area with warm (not hot) water or a hairdryer on a low setting for a few seconds to loosen the plastic before attempting to move it.
- **Lost Parts:** Keep all small accessories in a safe place when not in use to prevent loss. Replacement parts are generally not available directly from the manufacturer for individual figures.
