Booyuer Friends Treehouse Building Toy

MODEL: FC3512

1. Important Safety Information

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Small Parts Warning:** This building set contains small parts which may pose a choking hazard for children under 3 years old. Adult supervision is recommended during assembly and play for all ages.
- **Age Recommendation:** Recommended for ages 6 years and up.
- **Material Safety:** The building blocks are made from non-toxic, BPA-free plastic.
- **LED Light Safety:** The integrated LED light is designed for safe use. Do not attempt to modify or disassemble the light unit.

2. Package Contents

Before beginning assembly, please verify that all components are present. Refer to the image below for an overview of the package contents.

3. Assembly Instructions

Follow the step-by-step instructions provided in the included manual to construct your Treehouse Building Toy. Organize your pieces before starting to ensure a smooth building process.

1. **Unpack Components:** Carefully open the packaging and sort the building blocks. It is helpful to separate pieces by color or type if desired.
2. **Consult Manual:** Refer to the detailed, illustrated instruction manual for step-by-step guidance. Each step shows which pieces are needed and how they connect.

3. **Connect Pieces:** Firmly press the building blocks together to ensure a secure connection. If a piece does not fit, check its orientation and the corresponding step in the manual.
4. **Integrate Special Features:** Follow the manual for integrating the LED light unit, slides, swing, and other detailed play areas.
5. **Final Check:** Once assembly is complete, review the model to ensure all parts are correctly attached and the structure is stable.

4. Operating Instructions (LED Light)

Your Booyuer Treehouse Building Toy includes an integrated LED light feature to enhance the play experience.

1. **Locate Switch:** Identify the small ON/OFF switch on the LED light unit, typically located on the base or a discreet part of the light module.
2. **Activate Light:** Slide the switch to the 'ON' position to illuminate the treehouse.

3. **Deactivate Light:** Slide the switch to the 'OFF' position when the light is not needed to conserve power.

5. Maintenance

To keep your building toy in optimal condition, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the assembled model with a soft, slightly damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the toy in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Inspection:** Periodically check for any loose or damaged parts. Replace or reattach as necessary.

6. Troubleshooting

If you encounter any issues during assembly or use, refer to the following common solutions:

- **Missing Pieces:** If you find any pieces missing from your set, please contact customer support for assistance.
- **Pieces Not Connecting:** Ensure the pieces are correctly oriented according to the instruction manual. Apply gentle, even pressure to connect them. Avoid forcing pieces together.
- **LED Light Not Working:** Verify that the ON/OFF switch is in the 'ON' position. If the light still does not work, ensure the light unit is properly seated within the model.
- **Model Instability:** Double-check all connections to ensure pieces are firmly attached. Refer back to the instruction manual to confirm correct assembly steps.
