YASINU Bathtub Faucet with Sprayer and Diverter

Model: YNF00626**

Brand: YASINU

1. PRODUCT OVERVIEW

The YASINU All Metal Bathtub Faucet with Sprayer and Diverter is designed to provide a versatile and durable bathing experience. This unit includes a tub spout with a built-in diverter and a handheld showerhead with multiple spray settings. Its all-metal construction ensures longevity and reliable performance.

2. SETUP AND INSTALLATION

This product is designed for straightforward installation. Please ensure you have the necessary tools and verify pipe dimensions before beginning.

2.1 Compatibility and Dimensions

The connection is compatible with 1/2 inch or 3/4 inch threads, and 1/2 inch pipes. Adapters are included to facilitate installation for various pipe sizes. Always measure your existing installation pipes to confirm compatibility.

2.2 Installation Steps

The unit is designed for wall-mounted installation. An installation kit is provided to assist with the process. Ensure all washers are correctly placed on both ends of the hose. For the adhesive shower holder, it is recommended to wait 24 hours after application before placing the handheld shower in it to allow for proper adhesion.

Hassle-Free Installation

Make sure the washers are on both ends of the hose. Hex nut connect tub spout diverter and conical nut connect the handheld shower. (Adhesive Shower Holder is better to waiting 24hours)

3. OPERATING INSTRUCTIONS

3.1 Diverter Function

The bathtub spout features a built-in diverter for easy switching between the tub spout and the handheld showerhead. To activate the showerhead, simply lift the diverter knob. To return water flow to the tub spout, push the knob down.

Convenient to Use

4. MAINTENANCE

To maintain the chrome finish and ensure optimal performance, regular cleaning is recommended. Use a soft cloth and mild soap or a non-abrasive cleaner specifically designed for chrome fixtures. Avoid harsh chemicals or abrasive cleaning tools, as these can damage the finish.

The faucet and shower components are constructed from all-metal, primarily stainless steel, ensuring superior quality and durability. This robust construction is designed for long-lasting use.

5. TROUBLESHOOTING

5.1 Leaks

If you experience any leakage from the tub spout or shower connections, first ensure all connections are securely tightened. Verify that all washers and seals are correctly seated and undamaged. If leaks persist, check for proper installation of the included adapters.

5.2 Handheld Shower Holder Adhesion

The adhesive shower holder is designed for convenience. If the holder begins to buckle or pull away from the wall, ensure the surface was clean and dry before initial application. Re-application may be necessary, or consider alternative mounting solutions if the adhesive does not provide sufficient long-term hold for your specific surface or usage.

6. SPECIFICATIONS

Brand	YASINU
Model Number	YNF00626**
Color	Chrome
Material	Stainless Steel
Finish Type	Chrome
Number of Handles	1
Mounting Type	Wall Mount
Included Components	Tub Spout
UPC	737494736053
Item Weight	2.94 pounds
Product Dimensions	5.9 x 5.9 x 2.5 inches
Size	With Handheld
Style	With Handheld
Installation Method	Wall-Mounted
Number Of Holes	1
Batteries Required?	No
ASIN	B0CBR9MW76
Date First Available	July 13, 2023

7. WARRANTY AND SUPPORT

Specific warranty details and direct support contact information are not provided in the product data. Please refer to the product packaging or the manufacturer's official website for the most current warranty policy and customer support options.
