# FREDEES Nightstand with Gun Drawer Instruction Manual

Model: BL-9602-32

Brand: FREDEES

## 1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always follow the assembly instructions carefully. Ensure all components are securely fastened before use.
- Keep the gun drawer locked at all times when not in use. Store the key in a safe and secure location, inaccessible to unauthorized individuals, especially children.
- Never leave the gun drawer unlocked and unattended, even for short periods.
- Always unplug the charging ports from the power source before performing any assembly, disassembly, cleaning, or maintenance on the nightstand.
- Do not overload drawers or shelves. The maximum weight recommendation for the nightstand is 100 pounds.
- Keep liquids away from electrical components to prevent electric shock or damage.

## 2. PRODUCT OVERVIEW

The FREDEES Nightstand with Gun Drawer is a versatile and modern bedside table designed to offer convenient storage, integrated charging capabilities, and smart lighting. It features a hidden gun drawer for secure storage of valuables, USB and Type-C charging ports, and an LED light with a human sensor for enhanced functionality.

Video 4.1: Official installation instructions for the FREDEES Nightstand with Gun Drawer, demonstrating each step of the assembly process.

### General Assembly Tips:

- Unpack all components and verify against the parts list in the included assembly guide.
- Lay out all parts on a soft, clean surface to prevent scratches.
- Use the provided tools or appropriate household tools as specified in the guide.
- Do not overtighten screws to avoid damaging the engineered wood.
- Ensure all electrical connections (for charging ports and LED light) are made correctly and securely before plugging into a power outlet.

## 5. OPERATING INSTRUCTIONS

---

### 5.1 Charging Station

The nightstand is equipped with built-in USB and Type-C charging ports for your electronic devices. Simply connect your device's charging cable to the appropriate port on the side of the nightstand.

Mobile phone

Tablet pc

Humidifier

Headphones

## 5.2 LED Night Light

The integrated LED light features a human sensor and adjustable color settings. The light will automatically illuminate when motion is detected nearby, providing convenient illumination in the dark. You can also manually control the light and switch between three colors (white, yellow, and blue).

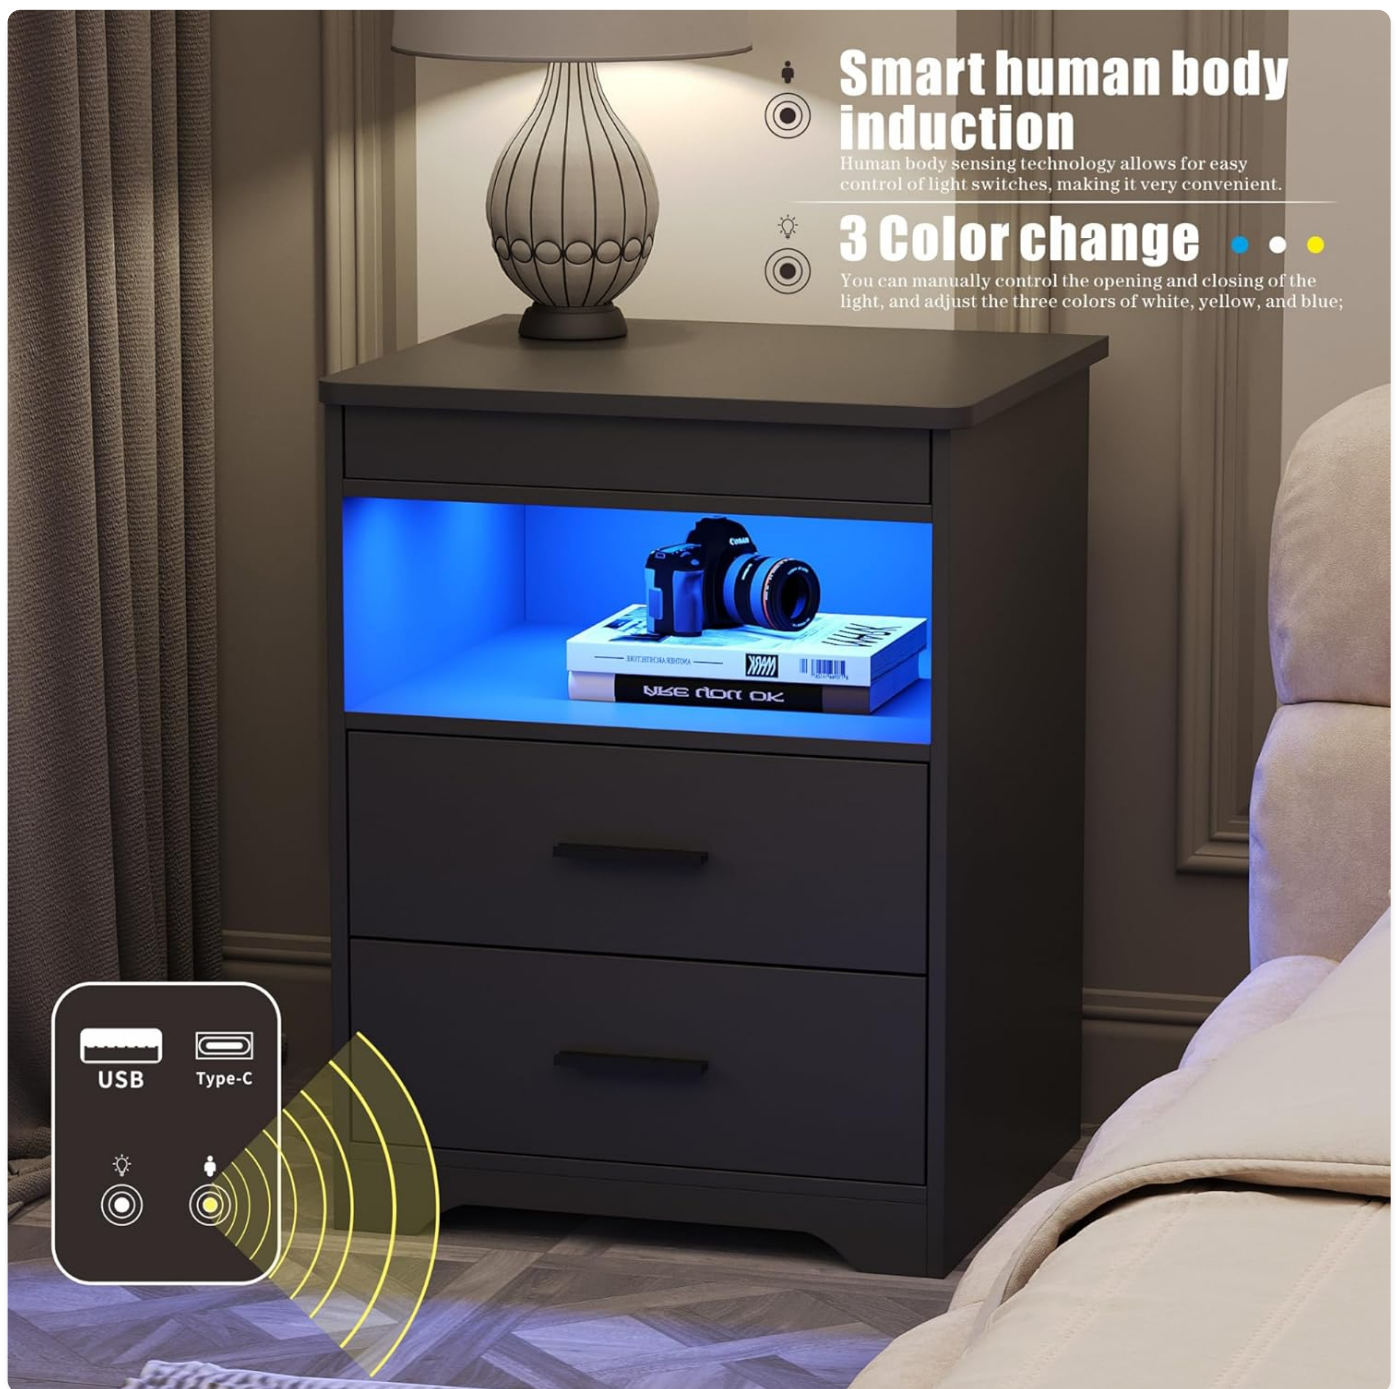

Figure 5.2: The nightstand's LED light feature, illustrating the human sensor capability and the three available color options. To adjust the LED light:

- **Manual On/Off:** Press the light control button (refer to the control panel near the charging ports) to manually turn the light on or off.
- **Color Change:** Short press the light control button to cycle through the white, yellow, and blue light options.
- **Brightness Adjustment:** Long press the light control button to adjust the brightness level.
- **Human Sensor:** The human sensor automatically activates the light when motion is detected within its range. The light will turn off automatically after a period of inactivity.

### 5.3 Hidden Gun Drawer

The nightstand features a discreet hidden drawer designed for secure storage of personal valuables. This drawer is accessed by sliding the top surface of the nightstand and is secured with a key lock.

Figure 5.3: The hidden gun drawer, showing the sliding top mechanism and the integrated key lock for secure access.

To use the hidden drawer:

1. Insert the provided key into the lock mechanism located on the side of the hidden drawer.
2. Turn the key to unlock the drawer.
3. Gently slide the top surface of the nightstand forward to reveal the hidden compartment.
4. Place or retrieve items from the compartment.
5. Slide the top surface back into place and turn the key to lock the drawer securely.

**Important:** Always ensure the hidden drawer is locked and the key is stored safely after use.

#### 5.4 Standard Storage Drawers

The nightstand includes two spacious standard drawers for general storage of bedside essentials. These drawers operate on smooth gliding rails.

Figure 5.4: The two main storage drawers of the nightstand shown open, illustrating ample space for various items.

## 6. MAINTENANCE

- **Cleaning:** Wipe the surface of the nightstand with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Dusting:** Regularly dust the nightstand with a dry, soft cloth to prevent dust buildup.
- **Electrical Components:** Before cleaning or moving the nightstand, always unplug it from the power outlet. Do not spray liquids directly onto the charging ports or LED light components.
- **Drawer Rails:** Periodically check the drawer rails for any debris or obstructions that might hinder smooth operation. If necessary, gently clean the rails.
- **Hardware:** Occasionally check all screws and fasteners to ensure they are tight. Retighten if necessary, but do not overtighten.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
LED light not working	Not plugged in; loose connection; sensor obstructed; faulty LED.	Ensure the nightstand is plugged into a working power outlet. Check all cable connections. Clear any obstructions from the human sensor. If the issue persists, contact customer support.
Charging ports not working	Not plugged in; loose connection; device cable issue; faulty port.	Verify the nightstand is powered. Check the connection of your device's charging cable. Try a different cable or device to rule out external issues. Contact customer support if ports remain non-functional.
Drawers sticking or not sliding smoothly	Debris in rails; misaligned rails; overloaded drawer.	Remove the drawer and inspect the rails for any debris. Ensure the rails are properly aligned and securely fastened. Reduce the weight in the drawer if it is overloaded.
Hidden gun drawer not locking/unlocking	Key not fully inserted; lock mechanism obstructed; damaged lock.	Ensure the key is fully inserted and turned correctly. Check for any items obstructing the lock mechanism. Do not force the lock. Contact customer support if the lock is damaged.

## 8. WARRANTY AND CUSTOMER SUPPORT

For warranty information, please refer to the documentation provided at the time of purchase or contact FREDEES customer support directly. Keep your proof of purchase for any warranty claims.

If you encounter any issues not covered in this manual or require further assistance, please contact FREDEES customer support. Contact details can typically be found on the product packaging, the brand's official website, or through your retailer.

We are committed to providing excellent service and support for your FREDEES product.
