SAFETY INFORMATION

Caution: Risk of tipping over if not properly secured. Handle with care to avoid injury from sharp edges or parts.

- Ensure all parts are present and undamaged before assembly.
- Do not overtighten screws during initial assembly; tighten fully only after all parts are aligned.
- Do not stand on the chairs.
- Keep children away from the assembly area.
- Place chairs on a flat, stable surface to prevent tipping.

PACKAGE CONTENTS

Your Amopatio Patio Chairs (Set of 4) package should include the following components for each chair:

- Chair Frame (pre-assembled sections)
- Seat and Backrest Fabric (Textilene)
- Assembly Hardware (screws, washers, Allen wrench)

ASSEMBLY INSTRUCTIONS

Assembly is required. Instructions are provided. For optimal results, it is recommended to have two people for assembly.

1. **Step 1: Install screws into holes in frame.** Begin by loosely inserting all screws into their designated holes on the chair frame. Do not tighten them fully at this stage.
2. **Step 2: Secure seat with screws through seat holes.** Align the seat fabric with the frame and secure it by inserting screws through the seat holes. Keep screws loose.
3. **Step 3: Install the backrest rod into the corresponding hole.** Carefully insert the backrest rod into its designated hole on the frame. Ensure proper alignment.
4. **Step 4: Fully tighten all screws.** Once all parts are aligned and screws are loosely in place, gradually tighten all screws to secure the chair. Ensure even tightening for stability.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Difficulty during assembly	Screws overtightened prematurely; misaligned parts.	Ensure all screws are loosely inserted before tightening any fully. If parts are misaligned, loosen all screws, adjust, and then retighten.
Chair feels wobbly after assembly	Screws not tightened evenly or fully.	Check all connection points and tighten screws evenly and securely.
Fabric appears wrinkled or loose	New fabric may need to stretch; not fully tightened during assembly.	Ensure all screws are fully tightened. The fabric may naturally flatten and tighten with use, especially when exposed to sunlight.
