Osprey Sojourn 22"/45L Wheeled Travel Backpack User Manual

Model: 10005387

PRODUCT OVERVIEW

When you travel far and pack light, the Sojourn 45 is the bag for the job. Rolling luggage is great—but sometimes you need a comfortable backpack-style carry. Oversized 90 mm wheels and a lightweight HighRoad chassis keep you rolling in comfort, and the stowaway AirScape backpanel and harness expand your horizons. StraightJacket compression straps cinch down packed items for added storage capacity. Built to fit international carry-on size requirements, your trip can begin the moment you walk off the tarmac.

The Osprey Sojourn 22"/45L Wheeled Travel Backpack, shown in black, features a retractable handle and durable wheels for easy transport.

KEY FEATURES

- **Wingjacket Protection:** Our iconic Wingjacket compression straps with padded sidewalls offer a flexible and secure option to protect contents and keep loads under control. When not fully stuffed, bag compresses to a smaller size.
- **HighRoad Chassis:** Extra-wide chassis stabilizes large loads while extra-large wheels keep up with heavy-duty use—and keep you rolling on the roughest of surfaces.
- **Sustainable & Durable Build:** Constructed with heavy-duty bluesign APPROVED, 100% recycled high tenacity nylon and ballistic polyester main body and bottom fabrics, using DWR treatments made without PFAS.
- **Deployable, removable AirScape harness and hipbelt** for optional backpack carry.
- **International carry-on size*** *Always check with your airline.

2.90 kg

This image illustrates the size and weight of the Osprey Sojourn Wheeled Travel Pack, highlighting its 45-liter capacity and 6.40 lb (2.90 kg) weight, suitable for travel.

A person wearing a dark puffy jacket, a black beanie, and tan pants is walking away from the camera through a snowy, mountainous landscape. They are pulling a large, dark green rolling bag with a black handle and carrying a snowboard under their arm. The background shows snow-covered trees and distant mountains under a cloudy sky.

StraightjacketTM Protection

Our iconic compression straps with padded sidewalls offer flexible, stabilizing protection of contents. When not fully stuffed, compress the bag to a smaller size.

The StraightJacket compression straps with padded sidewalls are designed to secure contents and compress the bag when not fully packed, as shown in this snowy outdoor setting.

A person with long dark hair, wearing a dark long-sleeved shirt, light blue jeans, and white sneakers, is walking away from the camera on a paved area. They are carrying a large tan backpack and pulling a dark green rolling suitcase. The paved area is made of reddish-brown bricks. In the background, there is a tree with green leaves and a circular stone wall. The overall scene is outdoors and appears to be a park or a public square.

Highroad Chassis

An extra-wide chassis stabilizes large loads while extra-large wheels keep up with heavy-duty use - and keep you rolling on the roughest of surfaces.

The HighRoad Chassis features extra-wide and extra-large wheels for stability and smooth rolling on various surfaces, as depicted here on a paved area.

Enhanced Travel Features

A dual-tube trolley, buttonless grip, add-a-bag compatibility and Travel Sentry® luggage identification tag makes for a premium travel experience.

Enhanced travel features include a dual-tube trolley, buttonless grip, add-a-bag compatibility, and a Travel Sentry luggage identification tag for a premium travel experience.

SETUP AND DEPLOYMENT

The Osprey Sojourn offers versatile carrying options, including a deployable harness and hipbelt for comfortable backpack carry.

This official video from Osprey Packs demonstrates how to deploy and stow the AirScape harness and hipbelt for backpack-style carrying, and how to use the various handles and compression straps.

The backpack's harness system, including shoulder straps and hipbelt, can be deployed for comfortable carrying, as

seen in this side profile.

A rear view of the backpack with the harness fully deployed, illustrating how it sits on the wearer's back for ergonomic support.

OPERATION

Rolling Functionality

The integrated HighRoad chassis with oversized wheels allows for smooth rolling on various terrains. The retractable handle extends and locks into multiple positions for comfortable pulling.

A close-up of the backpack's base, highlighting the robust wheels and chassis designed for durability and ease of movement.

Internal Organization

The main compartment offers ample space for your belongings, secured by internal compression straps. Additional pockets provide organized storage for smaller items.

The main compartment of the backpack is shown fully open, featuring internal compression straps and mesh pockets for efficient packing and organization.

A convenient top pocket provides quick access to essential items like a phone or wallet.

CARE AND MAINTENANCE

Cleaning

For general cleaning, wipe the bag with a damp cloth and mild soap. For tougher stains, use a soft brush. Do not machine wash or tumble dry. Allow to air dry completely.

Storage

Store your Sojourn pack in a cool, dry place away from direct sunlight when not in use. Ensure it is clean and dry before storage to prevent mold or mildew.

COMMON ISSUES AND SOLUTIONS

Wheels not rolling smoothly

- **Check for debris:** Inspect wheels for tangled hair, lint, or other obstructions. Remove any debris carefully.
- **Lubrication:** Apply a small amount of silicone-based lubricant to the wheel axles if they feel stiff.

Zippers sticking

- **Lubrication:** Use a zipper lubricant or a graphite pencil to rub along the zipper teeth.
- **Clear obstructions:** Ensure no fabric or foreign objects are caught in the zipper.

Straps or buckles damaged

- **Contact Osprey Support:** For significant damage to straps, buckles, or the harness system, refer to the warranty information for repair or replacement options.

PRODUCT SPECIFICATIONS

Feature	Detail
Product Dimensions	9.8 x 13.8 x 22 inches
Item Weight	7.5 pounds
