# Osprey Sojourn 28"/80L Wheeled Travel Backpack with Harness, Black Instruction Manual

Brand: Osprey | Model: 10005391

## INTRODUCTION

The Osprey Sojourn 28"/80L Wheeled Travel Backpack is engineered for extended journeys, offering versatile transport options and robust protection for your belongings. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your travel pack, ensuring a smooth and reliable travel experience.

## SETUP

### Deploying and Stowing the Harness System

The Sojourn features a deployable and removable AirScape harness and hipbelt, allowing for comfortable backpack carry when rolling is not feasible. To deploy, unzip the rear panel and pull out the shoulder straps and hipbelt. Adjust them for a snug fit. To stow, reverse the process, ensuring all straps are neatly tucked away to prevent snagging during transit or when checking the bag.

## Straightjacket™ Protection

Our iconic compression straps with padded sidewalls offer flexible, stabilizing protection of contents. When not fully stuffed, compress the bag to a smaller size.

*Image: A user demonstrating the deployment of the integrated harness system from the rear panel of the Osprey Sojourn.*

### Adjusting Straps for Comfort

For optimal comfort during backpack carry, adjust the shoulder straps to distribute weight evenly. The adjustable sternum strap, equipped with a whistle for emergencies, should be fastened across the chest. The hipbelt should sit comfortably on your hips, transferring load away from your shoulders.

## OPERATING

### Packing Your Sojourn Backpack

The Sojourn offers ample space and smart organization. Utilize the interior mesh and liner pockets for smaller items. The main compartment is easily accessible for larger gear. The Wingjacket compression straps with padded sidewalls help secure contents and manage the load, allowing the bag to compress when not fully

packed.

## Highroad Chassis

An extra-wide chassis stabilizes large loads while extra-large wheels keep up with heavy-duty use - and keep you rolling on the roughest of surfaces.

*Image: The Osprey Sojourn with its Wingjacket compression straps cinched down, demonstrating how they secure the load and reduce volume.*

# Enhanced Travel Features

A dual-tube trolley, buttonless grip, add-a-bag compatibility and Travel Sentry® luggage identification tag makes for a premium travel experience.

## Transporting Your Backpack

For rolling, extend the dual-tube trolley handle. The oversized 110 mm wheels and lightweight HighRoad chassis ensure smooth movement over various surfaces. Use the large webbing side and bottom grab handles for easy lifting and maneuvering. The integrated TSID luggage registration helps in reuniting with your bag if it gets lost.

## MAINTENANCE

### Cleaning Instructions

To clean your Osprey Sojourn, wipe down the exterior with a damp cloth and mild soap. For tougher stains, use a soft brush. Ensure the bag is completely dry before storage to prevent mildew. Do not machine wash or tumble dry.

### Material Durability

The backpack is constructed with heavy-duty bluesign APPROVED, 100% recycled high tenacity nylon and ballistic polyester main body and bottom fabrics, using DWR treatments made without PFAS. This ensures durability and resistance to wear and tear during travel.

### COMMITTED TO SUSTAINABILITY

We truly cherish our planet and the opportunities it provides us—striving to be not only innovators of high-quality products, but responsible citizens who aim to tread lightly as we cherish the world we live, work and play in.

## TROUBLESHOOTING

### Common Issues

- **Jammed Zippers:** Apply a small amount of lubricant (e.g., zipper wax or graphite from a pencil) to the zipper teeth and gently work the slider back and forth.
- **Stuck Wheels:** Check for debris (e.g., hair, lint) caught in the wheel axles. Clean as necessary. Lubricate the axles if rolling remains stiff.
- **Loose Straps:** Ensure all buckles are securely fastened and straps are tightened appropriately for your load and body type. Refer to the setup section for proper adjustment.

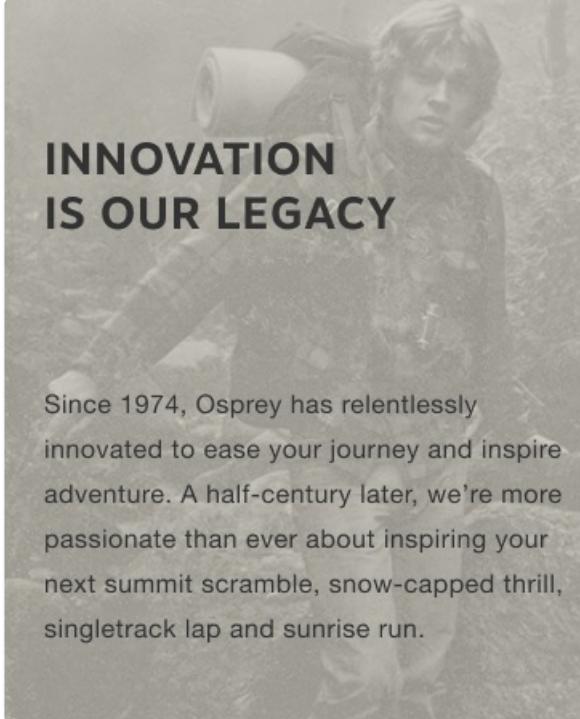

## SPECIFICATIONS

Feature	Detail
Product Dimensions	11 x 16 x 31 inches
Item Weight	9.11 pounds (4134 Grams)
Capacity	80 Liters
Item Model Number	10005391
Manufacturer	Osprey

## WARRANTY AND SUPPORT

Osprey stands behind the quality of its products. The Osprey Sojourn 28"/80L Wheeled Travel Backpack is covered by the **All Mighty Guarantee**. This guarantee ensures that Osprey will repair any damage or defect for any reason, free of charge, whether it was purchased in 1974 or yesterday. If they are unable to perform a functional repair, they will happily replace it.

For detailed warranty information, repair requests, or customer support, please visit the official Osprey website or contact their customer service directly.

## INNOVATION IS OUR LEGACY

Since 1974, Osprey has relentlessly innovated to ease your journey and inspire adventure. A half-century later, we're more passionate than ever about inspiring your next summit scramble, snow-capped thrill, singletrack lap and sunrise run.
