WLIVE AD SG036HF

WLIVE TV Stand Instruction Manual

Model: AD SG036HF | Brand: WLIVE

1. PRODUCT OVERVIEW

This instruction manual provides comprehensive details for the WLIVE Mid-Century TV Stand, designed for TVs up to 55 inches. It features spacious storage with a 3-level adjustable shelf and hidden cabinet space, along with integrated cable management holes. Constructed from high-quality particleboard, it offers a solid and durable structure with foot pads to protect floors. Assembly is straightforward with detailed instructions and labeled parts. Please ensure the product is stable and secure after assembly and do not exceed the maximum weight limit of 37.75 pounds (17.146 kg).

3. SETUP AND ASSEMBLY

The WLIVE TV Stand is designed for easy assembly. Please follow the detailed operation instructions provided in the included manual. All necessary hardware and tools are included, and each accessory is clearly labeled to simplify the installation process.

Assembly Tips:

- Unpack all components and verify against the parts list in the manual.
- Lay out all parts on a clean, soft surface to prevent scratches.
- Follow the step-by-step diagrams and instructions carefully.
- Ensure all connections are secure before proceeding to the next step.
- For the adjustable shelf, identify the desired height before securing.

3-LEVEL ADJUSTABLE SHELF

4. OPERATING AND USAGE

The WLIVE TV Stand is designed to be a functional and stylish addition to your living space. Utilize its features to organize your media devices and accessories efficiently.

Storage and Organization:

- The open shelves are ideal for game consoles, set-top boxes, and other frequently accessed media devices.
- Adjust the shelf height to accommodate taller items or create more space as needed.
- The hidden cabinet provides ample space for items you wish to keep out of sight, such as CDs, books, or storage baskets.

AMPLE STORAGE SPACE

Image 4.1: The spacious hidden cabinet offers discreet storage.

Cable Management:

Utilize the integrated cable management holes located at the back of the stand to route and organize power cords and signal cables for your devices. This helps maintain a tidy appearance and prevents cable clutter.

5.9 INCH FEET

5. MAINTENANCE

To ensure the longevity and appearance of your WLIVE TV Stand, regular maintenance is recommended.

Cleaning:

- Wipe surfaces with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- Promptly clean up any spills to prevent staining.
- The 5.9-inch clearance from the floor allows for easy cleaning underneath the stand.

6. TROUBLESHOOTING AND SAFETY

Please observe the following safety guidelines and troubleshooting tips to ensure safe and proper use of your TV stand.

Important Safety Information:

- **Weight Limit:** This TV stand is designed to hold up to 37.75 pounds (17.146 kg). Do not overload the stand, as this can lead to instability and potential damage or injury.
- **Stability:** After assembly, ensure the product is stable and secure before placing any items on it, especially a television.
- **Assembly Caution:** Be cautious when assembling the product. Follow all instructions to avoid injury or damage to the unit.

Common Issues:

- **Wobbly Stand:** Ensure all screws and fasteners are tightened securely. Re-check assembly steps if necessary.
- **Missing Parts:** If any parts are missing upon unboxing, refer to the parts list in your manual and contact WLIVE customer support for assistance.

7. WARRANTY AND SUPPORT

For any questions, concerns, or support regarding your WLIVE TV Stand, please contact WLIVE customer service. Refer to the contact information provided in your product packaging or visit the official WLIVE website for assistance.

While specific warranty details are not provided in this manual, WLIVE is committed to customer satisfaction. Keep your purchase receipt for any warranty claims.
