5. SETUP AND PAIRING

Initial Pairing

1. Ensure both earbuds are charged.
2. Open the charging case lid. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth.
4. Search for available Bluetooth devices and select "HOCO EQ2" from the list.
5. Once connected, a voice prompt will confirm successful pairing.

Automatic Reconnection

After initial pairing, the earbuds will automatically reconnect to the last paired device when the charging case lid is opened, provided Bluetooth is enabled on the device and it is within range.

6. CONTROLS

The HOCO EQ2 earbuds feature intuitive touch controls on each earbud. Refer to the diagram below for specific functions:

Tap the touch area (L/R): Play/Pause music.

Double tap the touch area (L/R): Next track.

Triple tap the touch area (L/R): Previous track.

Long press the touch area for 2s (L/R): Activate voice assistant (Siri, Google Assistant, etc.).

7. CHARGING AND BATTERY LIFE

The HOCO EQ2 earbuds and charging case provide extended listening time:

- **Headset Battery Capacity:** 40mAh (each earbud)
- **Charging Case Battery Capacity:** 320mAh
- **Single Headset Use Time:** Approximately 7 hours
- **Total Playback Time (with charging case):** Up to 40 hours
- **Standby Time:** Up to 180 hours

Charging Instructions

1. Place the earbuds into the charging case. Ensure they are correctly seated.
2. Connect the USB charging cable to the charging port on the case (located at the back, as shown in the image below) and to a power source.
3. The indicator light on the charging case will show the charging status.
4. Once fully charged, disconnect the cable.

9. TROUBLESHOOTING

Earbuds Not Pairing

- Ensure both earbuds are charged and placed correctly in the charging case.
- Turn off and then turn on Bluetooth on your device.
- Forget/delete "HOCO EQ2" from your device's Bluetooth list and try pairing again.
- If only one earbud connects, try placing both back in the case, closing the lid for a few seconds, then reopening to reset.

No Sound or Low Volume

- Check the volume level on both your device and the earbuds.
- Ensure the earbuds are properly seated in your ears. Try different sized ear cushions for a better seal.
- Clean any debris from the earbud mesh.

Charging Issues

- Verify the charging cable is securely connected to both the case and the power source.

- Try a different USB port or power adapter.
- Ensure the charging contacts on the earbuds and inside the case are clean and free of dust.

10. SAFETY INFORMATION

- Do not expose the earbuds or charging case to extreme temperatures, humidity, or liquids.
- Avoid dropping, impacting, or disassembling the device.
- Keep out of reach of children and pets.
- Use only the provided or certified charging cables and adapters.
- Prolonged exposure to high volume levels may cause hearing damage. Adjust volume to a safe level.

11. WARRANTY AND SUPPORT

The HOCO EQ2 True Wireless Earbuds come with a standard manufacturer's warranty. Please refer to the warranty card included in your package for specific terms and conditions. For any technical support, troubleshooting assistance, or warranty claims, please contact the seller or HOCO customer service through their official channels.
