SETUP

1. Charging the Earbuds and Case

1. Place the earbuds into the charging case. Ensure they are correctly seated.
2. Connect the USB-C charging cable to the charging port on the case and plug the other end into a USB power adapter (not included).
3. The digital display on the case will show the charging status. A full charge is indicated when the display shows 100%.
4. It is recommended to fully charge the earbuds and case before first use.

2. Pairing with Your Device

1. Open the charging case. The earbuds will automatically enter pairing mode, and their indicator lights will flash.

2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for "HOCO EQ3" in the list of available Bluetooth devices.
4. Select "HOCO EQ3" to connect. Once connected, the earbud indicator lights will turn off, and you will hear a confirmation tone.
5. The earbuds support master-slave switching, meaning either earbud can be used independently.

Connect when you open the cover

MAINTENANCE

Cleaning

- Use a soft, dry, lint-free cloth to clean the earbuds and charging case.
- For ear tips, remove them from the earbuds and wash with mild soap and water. Ensure they are completely dry before reattaching.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Regularly clean the charging contacts on both the earbuds and the case to ensure proper charging.

Storage

- When not in use, always store the earbuds in their charging case to protect them and keep them charged.
- Store the product in a cool, dry place, away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing with device.	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget "HOCO EQ3" from your device's Bluetooth list and re-pair.
Only one earbud working.	Place both earbuds back into the charging case, close the lid, wait a few seconds, then open the lid again. Ensure both earbuds are charged.
Earbuds not charging.	Check the charging cable and adapter. Ensure the charging contacts on both earbuds and case are clean and free of debris.
Low volume or poor sound quality.	Adjust volume on your device. Ensure ear tips are properly sealed in your ear. Clean ear tips and earbud mesh.
Touch controls not responding.	Ensure your fingers are clean and dry. Try resetting the earbuds by placing them in the case and closing the lid.
