DREAME SW1200

Dreame SW1200 Cordless Robotic Pool Cleaner User Manual

1. INTRODUCTION

This manual provides essential information for the safe and effective operation, maintenance, and troubleshooting of your Dreame SW1200 Cordless Robotic Pool Cleaner. Please read this manual thoroughly before using the product and retain it for future reference.

2. SAFETY INSTRUCTIONS

Always adhere to the following safety guidelines to prevent injury or damage to the product.

- **Read All Instructions:** Familiarize yourself with the cleaner's functions and safety warnings before use.
- **Power Source:** Use only the original charger provided by the manufacturer. Ensure the charging port is dry before connecting the charger.
- **Water Immersion:** The cleaner is designed for underwater use. Do not operate it out of water for extended periods.

- **Children and Pets:** Keep children and pets away from the pool area when the cleaner is operating.
- **Maintenance:** Disconnect the cleaner from its power source before performing any maintenance or cleaning.
- **Temperature:** Do not operate the cleaner in water temperatures outside the recommended range (typically 10°C to 35°C / 50°F to 95°F).
- **Damaged Unit:** Do not operate the cleaner if it appears damaged or is not functioning correctly. Contact customer support.

3. PRODUCT OVERVIEW

The Dreame SW1200 is a cordless robotic pool cleaner designed for efficient and thorough pool cleaning. It features powerful scrubbing brushes, double filtration, and smart navigation.

3.1 Main Components

- Main Unit Body
- Scrubbing Brushes (front and rear)
- Filter Basket
- Charging Adapter
- User Manual

4. SETUP

4.1 Charging the Cleaner

Before first use, fully charge the robotic pool cleaner. Connect the charging adapter to the cleaner's charging port and then to a power outlet. The charging indicator will show the charging status. A full charge typically takes several hours.

4.2 App Installation and Pairing

The Dreame SW1200 can be controlled via a dedicated mobile application. Download the 'Dreamehome' app from your device's app store.

1. Download and install the 'Dreamehome' app.
2. Create an account or log in.
3. Follow the in-app instructions to add your Dreame SW1200 device. Ensure your phone's Bluetooth is enabled for initial pairing.
4. Once paired, you can control the cleaner, select cleaning modes, and view status.

Intelligent APP Control

Please set up before entering the water

Image: A smartphone displaying the Dreamehome app, illustrating the intelligent APP control feature for the pool cleaner. Set up is required before placing the cleaner in water.

4.3 Initial Placement in Pool

Gently lower the cleaner into the pool. Ensure it is fully submerged and air bubbles have escaped before starting operation. The cordless design allows for easy handling.

Cordless and portable design

the pool robot can freely get the job done without worrying about tangled wires and is of highly portability

Image: A person carefully lifting the Dreame SW1200 robotic pool cleaner from the water, demonstrating its cordless and portable design for easy handling.

5. OPERATING THE CLEANER

The Dreame SW1200 offers various cleaning modes and smart features for comprehensive pool cleaning.

5.1 Starting a Cleaning Cycle

- **One-Touch Start:** Press the power button on the cleaner to initiate a standard cleaning cycle.
- **App Control:** Use the Dreamehome app to select specific cleaning modes, set schedules, or start/stop cleaning remotely.

5.2 Cleaning Modes

The cleaner supports multiple cleaning modes to address different pool cleaning needs:

- **Full Cleaning:** Cleans the entire pool, including the floor, walls, and waterline.
- **Floor Cleaning:** Focuses solely on cleaning the pool floor.

- **Wall Cleaning:** Concentrates on scrubbing the pool walls and waterline.

5.3 Wall Climbing Capability

The SW1200 is equipped with advanced technology that allows it to climb and scrub pool walls effectively, ensuring a comprehensive clean up to the waterline.

5.4 Pool Compatibility

The cleaner is designed to adapt to various pool materials and shapes.

- **Materials:** Compatible with concrete, tiles, mosaic, and vinyl pool surfaces.
- **Shapes:** Suitable for various pool shapes, including rectangular, round, and freeform designs.

6. MAINTENANCE

Regular maintenance ensures optimal performance and extends the lifespan of your pool cleaner.

6.1 Cleaning the Filter Basket

After each cleaning cycle, or when the filter basket is full, it should be cleaned. The Dreame SW1200 features a large capacity, double filtration system.

1. Carefully remove the cleaner from the pool.
2. Open the cleaner's cover to access the filter basket.
3. Remove the filter basket and empty any collected debris.
4. Rinse the filter basket thoroughly with a hose to remove fine particles.
5. Reinsert the clean filter basket and close the cleaner's cover securely.

6.2 Cleaning the Unit Exterior

Rinse the exterior of the cleaner with fresh water after each use to remove chlorine and chemical residues. Do not use detergents or solvents.

6.3 Storage

When not in use for extended periods, store the cleaner in a cool, dry place, away from direct sunlight and extreme temperatures. Ensure the battery is partially charged (around 50%) before storage to prolong battery life.

7. TROUBLESHOOTING

If you encounter issues with your Dreame SW1200, refer to the following common problems and solutions.

| Problem | Possible Cause | Solution |
|--|--|--|
| Cleaner does not start | Low battery; Power button not pressed correctly; App connection issue. | Charge the cleaner; Ensure the power button is pressed firmly; Reconnect via the app. |
| Poor cleaning performance | Full filter basket; Worn brushes; Obstruction in brushes/intake. | Clean the filter basket; Inspect and clean brushes; Remove any obstructions. |
| Cleaner gets stuck or does not climb walls | Low battery; Excessive algae on pool surface; Obstruction. | Charge the cleaner; Brush pool walls manually before use; Check for and remove obstructions. |
| App connection issues | Bluetooth off; Cleaner out of range; App glitch. | Ensure Bluetooth is on; Move closer to the cleaner; Restart the app or phone. |

If the problem persists after attempting these solutions, please contact Dreame customer support.

8. SPECIFICATIONS

Key technical specifications for the Dreame SW1200 Cordless Robotic Pool Cleaner:

- **Model Name:** SW1200
- **Item Model Number:** WY300
- **Brand:** DREAME
- **Special Feature:** Cordless
- **Control Method:** App
- **Power Source:** Battery Powered
- **Battery Type:** Lithium
- **Lithium Battery Energy Content:** 252 Watt Hours
- **Typical Runtime:** Up to 4.5 hours (270 minutes)
- **Material:** Plastic
- **Color:** Black
- **Product Dimensions:** 18.2 x 17.4 x 9.7 inches
- **Item Weight:** 31 pounds
- **Installation Type:** Portable
- **UPC:** 850044652211
