Nanhent Xiaomi Pad 6/6 Pro 11

Nanhent Keyboard Case User Manual

Model: Xiaomi Pad 6/6 Pro 11 Inch 2023 Tablet

1. INTRODUCTION

Thank you for choosing the Nanhent Keyboard Case for your Xiaomi Pad 6 / Pad 6 Pro 11 Inch 2023 Tablet. This product combines a protective case with a magnetically detachable wireless Bluetooth keyboard, enhancing your tablet's functionality and portability. This manual provides detailed instructions for setup, operation, and maintenance to ensure optimal performance.

2. COMPATIBILITY

This keyboard case is **exclusively designed for the Xiaomi Pad 6 / Pad 6 Pro 11 inch 2023 Tablet ONLY**. It is not compatible with any other device models, including the Xiaomi Pad 5 11" 2021 or Redmi Pad 10.6" 2022. Please verify your tablet model before use.

Image: This diagram illustrates the specific compatibility of the keyboard case, confirming it fits only the Xiaomi Pad 6 / Pad 6 Pro 11 inch 2023 model.

3. FEATURES

- **Full Protection:** Constructed from premium TPU leather, this case provides comprehensive protection for your tablet against collisions and scratches. The non-slip soft interior safeguards the screen.
- **Magnetically Detachable Wireless Keyboard:** The keyboard is made from high-end ABS material and can be easily attached or removed from the case. Its spring mechanism keys offer tactile feedback for efficient typing.
- **Multiple Viewing Angles:** The case features adjustable grooves that securely hold your tablet in landscape mode, providing various viewing angles (110°, 120°, 130°) for different activities like watching videos or typing.
- **Ultra-Slim and Lightweight Design:** Designed for portability and comfort, the case and keyboard maintain a slim profile.
- **Multi-Function Shortcut Keys:** The keyboard includes dedicated shortcut keys for common functions, enhancing productivity.

Magnetically Detachable

Image: The keyboard can be easily detached from the case due to its magnetic design.

4. SETUP

4.1 Charging the Keyboard

Before initial use, fully charge the keyboard using the included USB cable. Connect the small end of the USB cable to the keyboard's charging port and the other end to a USB power source (e.g., computer, wall adapter). The charge indicator light will illuminate during charging and turn off when fully charged.

4.2 Pairing the Keyboard via Bluetooth

Follow these steps to connect your keyboard to your Xiaomi Pad 6 / Pad 6 Pro:

1. Ensure the keyboard is charged. Locate the ON/OFF switch on the keyboard and slide it to the "ON" position. The power indicator light will turn on.
2. Press the "CONNECT" button on the keyboard. The Bluetooth indicator light will start blinking, indicating it is in pairing mode.
3. On your Xiaomi Pad 6 / Pad 6 Pro, go to **Settings > Bluetooth**. Turn on Bluetooth.
4. Your tablet will search for available devices. Select **"Bluetooth Keyboard"** from the list of found devices.
5. Once connected, the Bluetooth indicator light on the keyboard will stop blinking and remain solid or turn off, depending on the keyboard model.

5. OPERATING INSTRUCTIONS

5.1 Using the Case as a Stand

Place your tablet into the case. The case's design allows you to fold the cover to create a stable stand. Adjust the tablet into one of the three available grooves to achieve your desired viewing angle (110°, 120°, or 130°).

5.2 Using the Keyboard Shortcut Keys

The keyboard features several shortcut keys for quick access to common functions. Refer to the diagram below for key assignments:

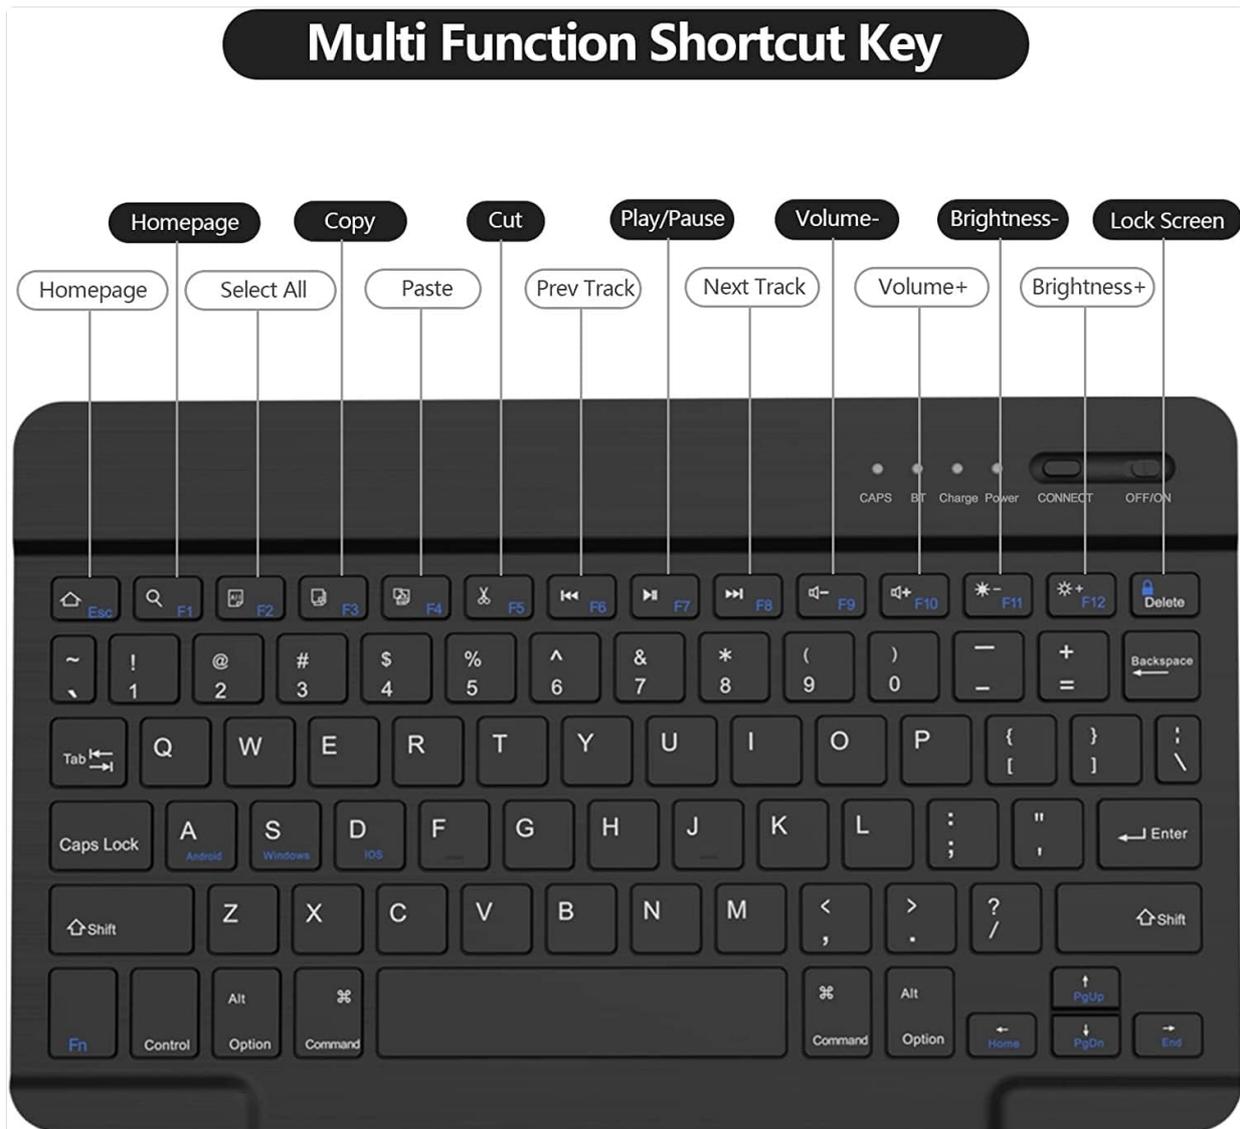

Image: Layout of the keyboard with labeled multi-function shortcut keys.

- **Homepage:** Return to the home screen.
- **Copy (F3):** Copy selected text.
- **Cut (F4):** Cut selected text.
- **Play/Pause (F6):** Play or pause media.
- **Volume - (F9):** Decrease volume.
- **Brightness - (F10):** Decrease screen brightness.
- **Lock Screen (F12):** Lock the tablet screen.
- **Select All (F2):** Select all content.
- **Paste (F5):** Paste copied or cut text.
- **Prev Track (F7):** Go to the previous media track.
- **Next Track (F8):** Go to the next media track.
- **Volume + (F11):** Increase volume.

6. MAINTENANCE

6.1 Cleaning the Case and Keyboard

- To clean the TPU leather case, gently wipe it with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- For the keyboard, use a soft, dry cloth to wipe the keys and surface. A can of compressed air can be used to remove debris from between the keys. Do not immerse the keyboard in water or use liquid cleaners directly on it.

6.2 Battery Care

- Recharge the keyboard when the battery indicator is low to prolong battery life.
- Avoid exposing the keyboard to extreme temperatures (hot or cold) as this can affect battery performance.
- If storing the keyboard for an extended period, ensure it is partially charged (around 50%) and recharge it every few months.

7. TROUBLESHOOTING

7.1 Keyboard Not Connecting

- Ensure the keyboard is turned ON and fully charged.
- Press the "CONNECT" button on the keyboard to put it into pairing mode.
- Verify that Bluetooth is enabled on your Xiaomi Pad 6 / Pad 6 Pro.
- Forget the "Bluetooth Keyboard" device in your tablet's Bluetooth settings and attempt to re-pair.
- Restart both your tablet and the keyboard, then try pairing again.

7.2 Keys Not Responding

- Check the keyboard's battery level and charge if necessary.
- Ensure the keyboard is properly connected via Bluetooth to your tablet.
- If only specific keys are not working, check for any physical obstructions or debris under the keys.

8. SPECIFICATIONS
