PLAY Toy Fire Truck

PLAY Eco-Friendly Fire Truck: Instruction Manual

Model: Toy Fire Truck

Brand: PLAY

1. INTRODUCTION

Thank you for choosing the PLAY Eco-Friendly Fire Truck. This toy is designed to provide a safe and engaging play experience while promoting environmental awareness. Made from USDA Certified bio-based plastics, this fire truck is a durable and responsible choice for children aged 18 months to 6 years.

2. PRODUCT FEATURES

- **Recyclable Bio-based Plastic:** Constructed from USDA Certified bio-based plastic derived from sugarcane, ensuring a safe, harmless, and odorless toy free of BPA, phthalates, and PVC.
- **Smooth Lines & Durable Design:** The truck features repeatedly polished lines and cuts to eliminate sharp edges, enhancing child safety. Its substantial weight (1.1 pounds) contributes to durability and resistance to falls. Wheels are designed for smooth, non-jamming movement on various surfaces, including carpet.
- **Well-designed for Toddlers:** Features include notches and grip points specifically designed for small hands, making it easy for children to push and grab. The truck measures 9.7 x 7.5 x 6.3 inches, an ideal size for young children. Large windows are incorporated to prevent finger entrapment.
- **Easy to Clean:** The fire truck is suitable for dishwasher cleaning or can be easily wiped with clean water, making maintenance simple.

Image: The fire truck's design emphasizes smooth edges for safety and robust wheels for play, along with its bio-based plastic certification.

3. SETUP

The PLAY Eco-Friendly Fire Truck comes fully assembled and ready for immediate play. No additional assembly is required.

4. OPERATING INSTRUCTIONS

The fire truck is designed for intuitive play. Simply push the truck to make it roll smoothly across various surfaces. The ladder located on top of the fire truck can be manually extended and rotated to simulate rescue operations and enhance imaginative play. The truck's size and design are optimized for easy handling by toddlers.

Big Size for Small Hands

5. MAINTENANCE

To maintain the cleanliness and longevity of your fire truck, it can be washed in a dishwasher or wiped clean with water. After washing, ensure all parts are thoroughly dried before the next play session or storage.

6. SAFETY INFORMATION

This fire truck is manufactured with your child's safety as a priority. It is made from USDA Certified bio-based plastic, ensuring it is free from harmful chemicals such as BPA, phthalates, and PVC. The toy features smooth, rounded edges and large openings to prevent cuts and finger entrapment, making it safe for young children.

7. SPECIFICATIONS

- 1 x Ladder Fire Truck

9. TROUBLESHOOTING

The PLAY Eco-Friendly Fire Truck is designed for durability and smooth operation. If the wheels do not roll smoothly, check for any debris that might be obstructing the axles. For any other concerns or issues, please refer to the warranty and support information provided below.

10. WARRANTY AND SUPPORT

PLAY is committed to product quality. If you have any questions or encounter issues with your fire truck, please contact our customer service. We aim to respond and assist within 12 hours. This product is covered by a 30-day return policy for refund or replacement.

11. ENVIRONMENTAL INFORMATION

This fire truck is a testament to PLAY's commitment to the environment. It is crafted from sugarcane-based

bioplastic, offering a completely pollution-free and recyclable alternative to traditional petroleum-based plastics. This choice supports a low-carbon lifestyle and helps educate children about sustainable practices. The product is proudly USDA Certified, highlighting its bio-based content.
