2. SAFETY INFORMATION

- The maximum weight capacity for the desktop is **200 pounds**. Do not exceed this limit.
- Use the adjustable levelers on the desk legs to ensure stability on uneven flooring.
- Ensure all connections and fasteners are securely tightened during and after assembly.
- Keep small parts away from children during assembly to prevent choking hazards.

3. COMPONENTS AND PACKAGE CONTENTS

The Bush Business Furniture Office in an Hour 65W L-Shaped Cubicle Desk includes the following main components:

- 65W x 65D L-Workstation
- Storage and Accessory Kit (includes Mobile File Cabinet, Storage Cabinet with Doors, Paper Tray, and Pencil Holder)
- Privacy Panels (one 63-inch high panel, one 48-inch high panel)
- All necessary hardware for assembly

Rolling file cabinets provide under desk storage for letter, legal, and A4-size papers along with supplies

Lock secures all three drawers to protect valuable items and documents with sensitive information

Desktop wire management grommets

Adjustable levelers compensate for uneven floors

Sturdy metal-framed panels covered by stylish two-tone fabric

Removable leg panels for cables

4. SETUP AND ASSEMBLY

Assembly of this L-shaped cubicle desk is required. It is recommended that **two people** perform the assembly to ensure safety and ease of installation.

4.1. General Assembly Guidelines

1. Unpack all components and verify against the parts list provided in your packaging.
2. Lay out all parts on a clean, soft surface to prevent scratches.
3. Follow the step-by-step instructions provided in the separate assembly guide included with your product.
4. Ensure all screws and fasteners are tightened securely, but do not overtighten.
5. The privacy panels can be installed on either side to customize the layout.

5. OPERATING AND FEATURES

The L-shaped cubicle desk is designed for efficiency and organization in a commercial workspace.

5.1. Privacy Panels

The desk features a 63-inch high panel for enhanced privacy and focus, and a 48-inch high panel to facilitate communication. These fabric-covered panels can be configured on either side of the workstation to suit individual needs.

5.2. Storage Solutions

- Mobile File Cabinet:** This cabinet includes locking drawers suitable for letter, legal, and A4-size files, along with general office supplies. Its dual-wheeled casters allow for flexible placement, including under the desk.
- Storage Cabinet with Doors:** This cabinet can be mounted to either side of the tall cubicle panel, providing convenient access to materials.

- **Paper Tray and Pencil Holder:** These accessories help organize documents and writing instruments, keeping your workspace tidy.

Figure 5.1: Interior of the storage cabinet, showing ample space for office supplies.

Figure 5.2: File drawer of the mobile cabinet, designed for organized document storage.

5.3. Cable Management

The desk incorporates features to maintain a neat and organized workstation:

- **Desktop Grommets:** These allow for easy routing of power and data cables through the desktop.
- **Removable Leg Panels:** These panels conceal and organize cables along the desk legs.

Figure 5.3: Desktop grommet for routing cables, keeping the work surface clear.

Figure 5.4: Removable leg panel for discreet cable organization along the desk frame.

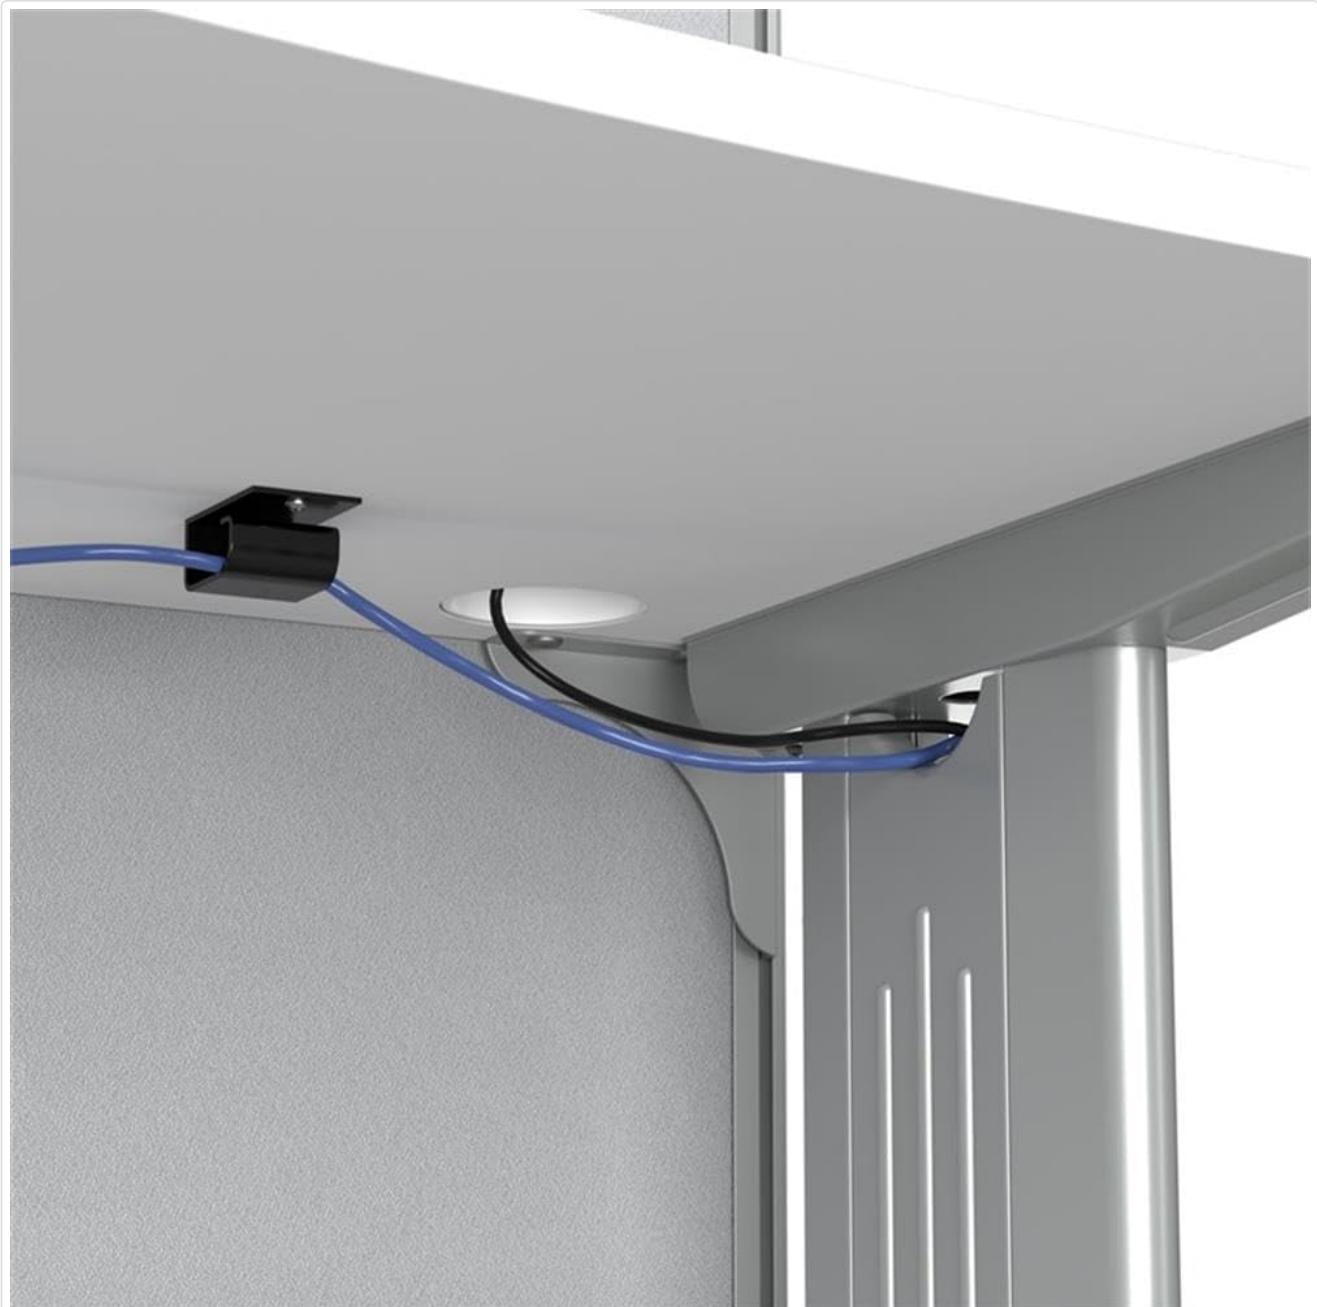

Figure 5.5: Under-desk cable management features to keep wires tidy and out of sight.

6. MAINTENANCE

To maintain the appearance and longevity of your desk, follow these care instructions:

- Wipe surfaces with a **damp cloth**.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the thermally fused laminate finish.
- Regularly check and tighten any loose fasteners.

7. TROUBLESHOOTING

This section addresses common issues you might encounter.

7.1. Desk Instability

- **Issue:** The desk wobbles or is uneven.
- **Solution:** Adjust the levelers located at the bottom of each desk leg. Rotate them clockwise or counter-clockwise until the desk is stable and level.

7.2. Drawers Not Sliding Smoothly

- **Issue:** Mobile file cabinet drawers are stiff or difficult to open/close.
- **Solution:** Ensure the cabinet is on a level surface. Check for any obstructions in the drawer glides. If necessary, lightly lubricate the ball-bearing glides with a silicone-based lubricant.

8. SPECIFICATIONS

Feature	Detail
Model Number	WC36194-03STGK
Product Dimensions (D x W x H)	64.49" x 64.49" x 62.87"
