4. OPERATING INSTRUCTIONS

This die-cast car operates manually. To use, place the car on a flat, smooth surface and push it forward or backward. The wheels are designed for free-rolling movement, allowing for imaginative play or display.

5. MAINTENANCE

To maintain the appearance and condition of your die-cast car:

- Wipe the car with a soft, dry cloth to remove dust and fingerprints.
- Avoid using harsh chemicals or abrasive materials, as these can damage the paint finish.
- Store the car in a cool, dry place away from direct sunlight to prevent fading or material degradation.

6. TROUBLESHOOTING

If the car does not roll smoothly, check the wheels for any obstructions such as dust, hair, or debris. Gently remove any foreign material. If damage is suspected, refer to the warranty information.
