## 4. MAINTENANCE AND CARE

---

Proper care is essential to maintain the quality and longevity of your DANZNMOTION Nadia leotard. Follow these guidelines:

- **Washing:** Machine wash cold with similar colors. Use a gentle cycle.
- **Bleaching:** Do not use bleach or harsh detergents, as these can damage the fabric and lace.
- **Drying:** Tumble dry on low heat or, preferably, hang to dry. Avoid high heat, which can affect the spandex fibers.
- **Ironing:** Do not iron the leotard, especially the lace sleeves and back, or the satin elasticized binding.
- **Storage:** Store in a cool, dry place away from direct sunlight.

## 5. TROUBLESHOOTING

---

This section addresses common concerns you might encounter with your leotard.

- **Fit Issues:** If the leotard feels too tight or too loose, re-verify your size against the manufacturer's size chart. A proper fit is crucial for comfort and performance.
- **Lace Snags:** The lace material is delicate. Avoid contact with sharp objects or rough surfaces that could cause snags. If a minor snag occurs, gently try to push the loose thread back into the fabric using a needle. Do not pull.
- **Latch Closure Problems:** Ensure the latch closure at the back is properly aligned and fully engaged. If it becomes difficult to fasten, check for any fabric obstruction.
- **Stains:** Treat stains promptly according to the care instructions for nylon spandex fabrics. Pre-treat with a mild stain remover suitable for delicate fabrics before washing.
