SATHIBI Tengen Uzui Sword Building Set Instruction Manual

Model: JF-043 | Brand: SATHIBI

1. INTRODUCTION

Thank you for choosing the SATHIBI Tengen Uzui Sword Building Set. This set allows you to construct a detailed replica of the Tengen Uzui Sword from the popular anime series. Designed for enthusiasts aged 14 and up, this model features high-quality ABS plastic components and includes a display stand. Please read this manual carefully before beginning assembly to ensure a smooth and enjoyable building experience.

2. SAFETY INFORMATION

- **Age Recommendation:** This building set is recommended for individuals aged 14 years and older.
- **Small Parts Warning:** This product contains small parts which may pose a choking hazard for young children. Keep all components out of reach of children under 3 years old.
- **Assembly Environment:** Assemble the product on a clean, flat, and well-lit surface to prevent loss of small pieces.
- **Handling:** While the assembled sword is designed for display, avoid vigorous swinging or impact, as this may cause damage to the model or injury.

3. PACKAGE CONTENTS

Your SATHIBI Tengen Uzui Sword Building Set includes:

- Approximately 1478 building pieces.
- Detailed instruction manual.
- Display stand components.

4. ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included booklet. The assembly process is divided into logical stages to guide you through building the sword and its display stand.

4.1. General Assembly Tips

- Sort pieces by color and size before starting.
- Refer to the instruction booklet for detailed diagrams and piece counts for each step.
- Ensure pieces are firmly connected to maintain the model's stability.

4.2. Visual Guide and Assembly Process

The following images and videos illustrate key aspects of the building process and the finished product.

Figure 1: The completed SATHIBI Tengen Uzui Sword Building Set on its display stand.

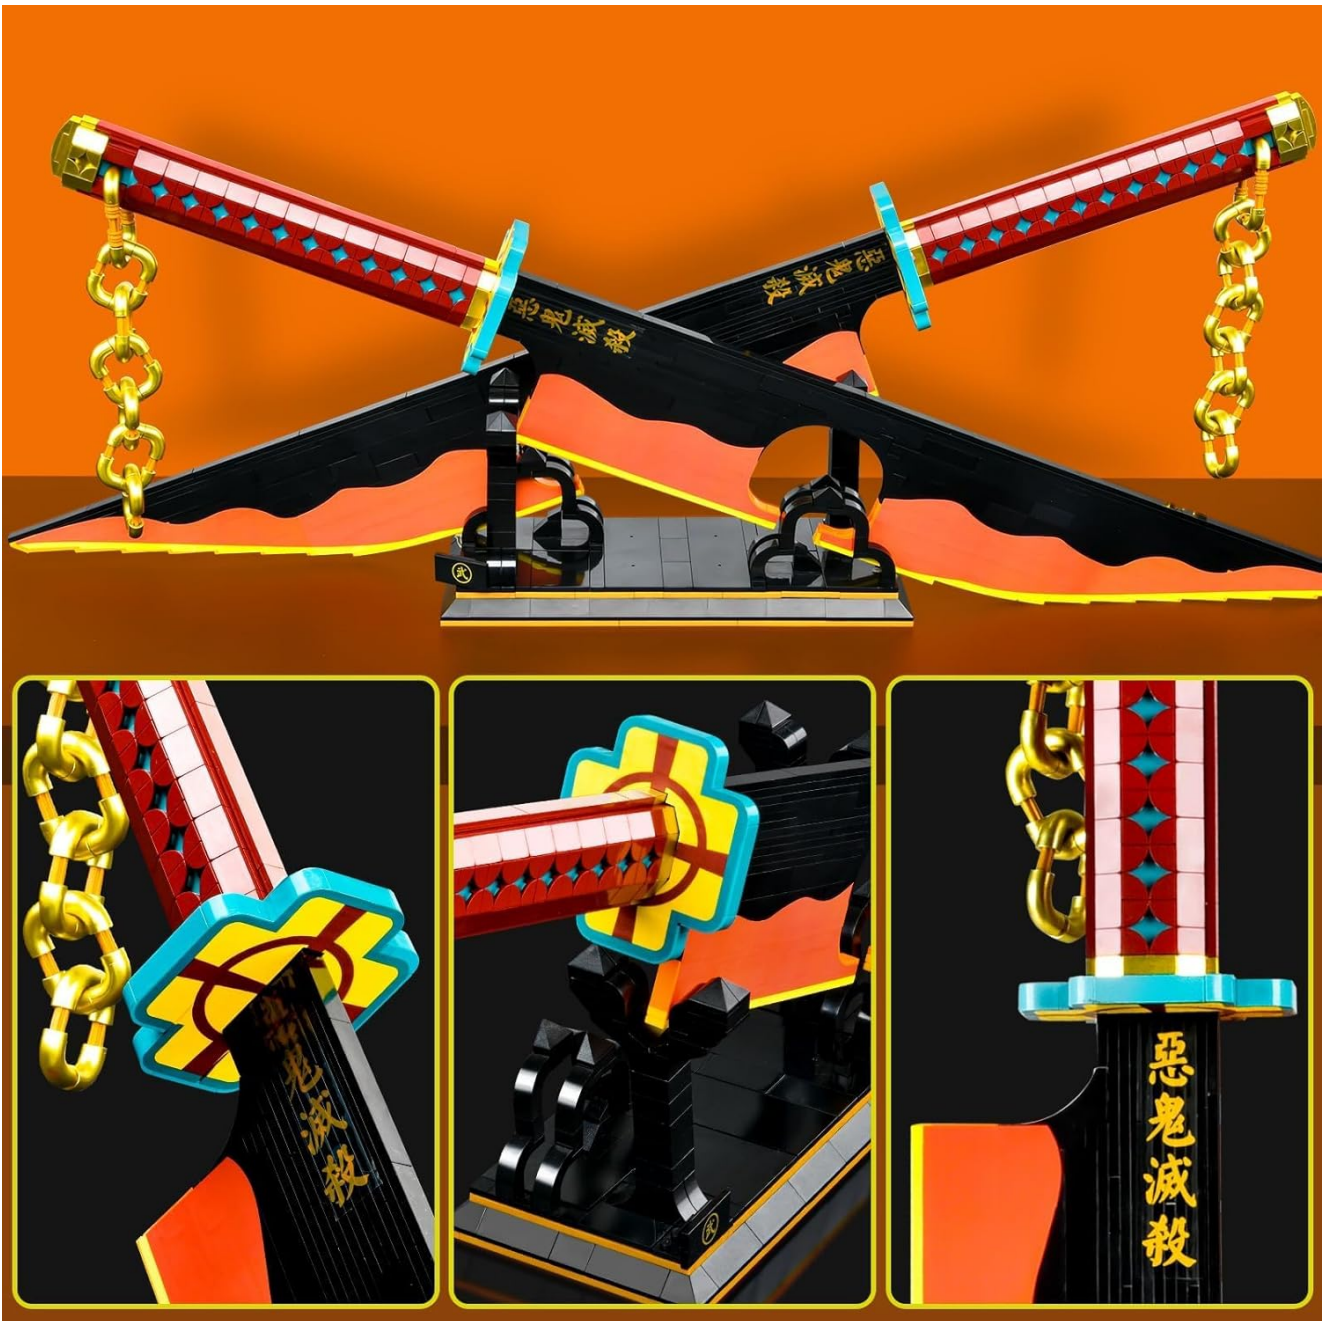

Figure 2: Detailed views showcasing the intricate design of the sword blades, handles, and the connecting chain.

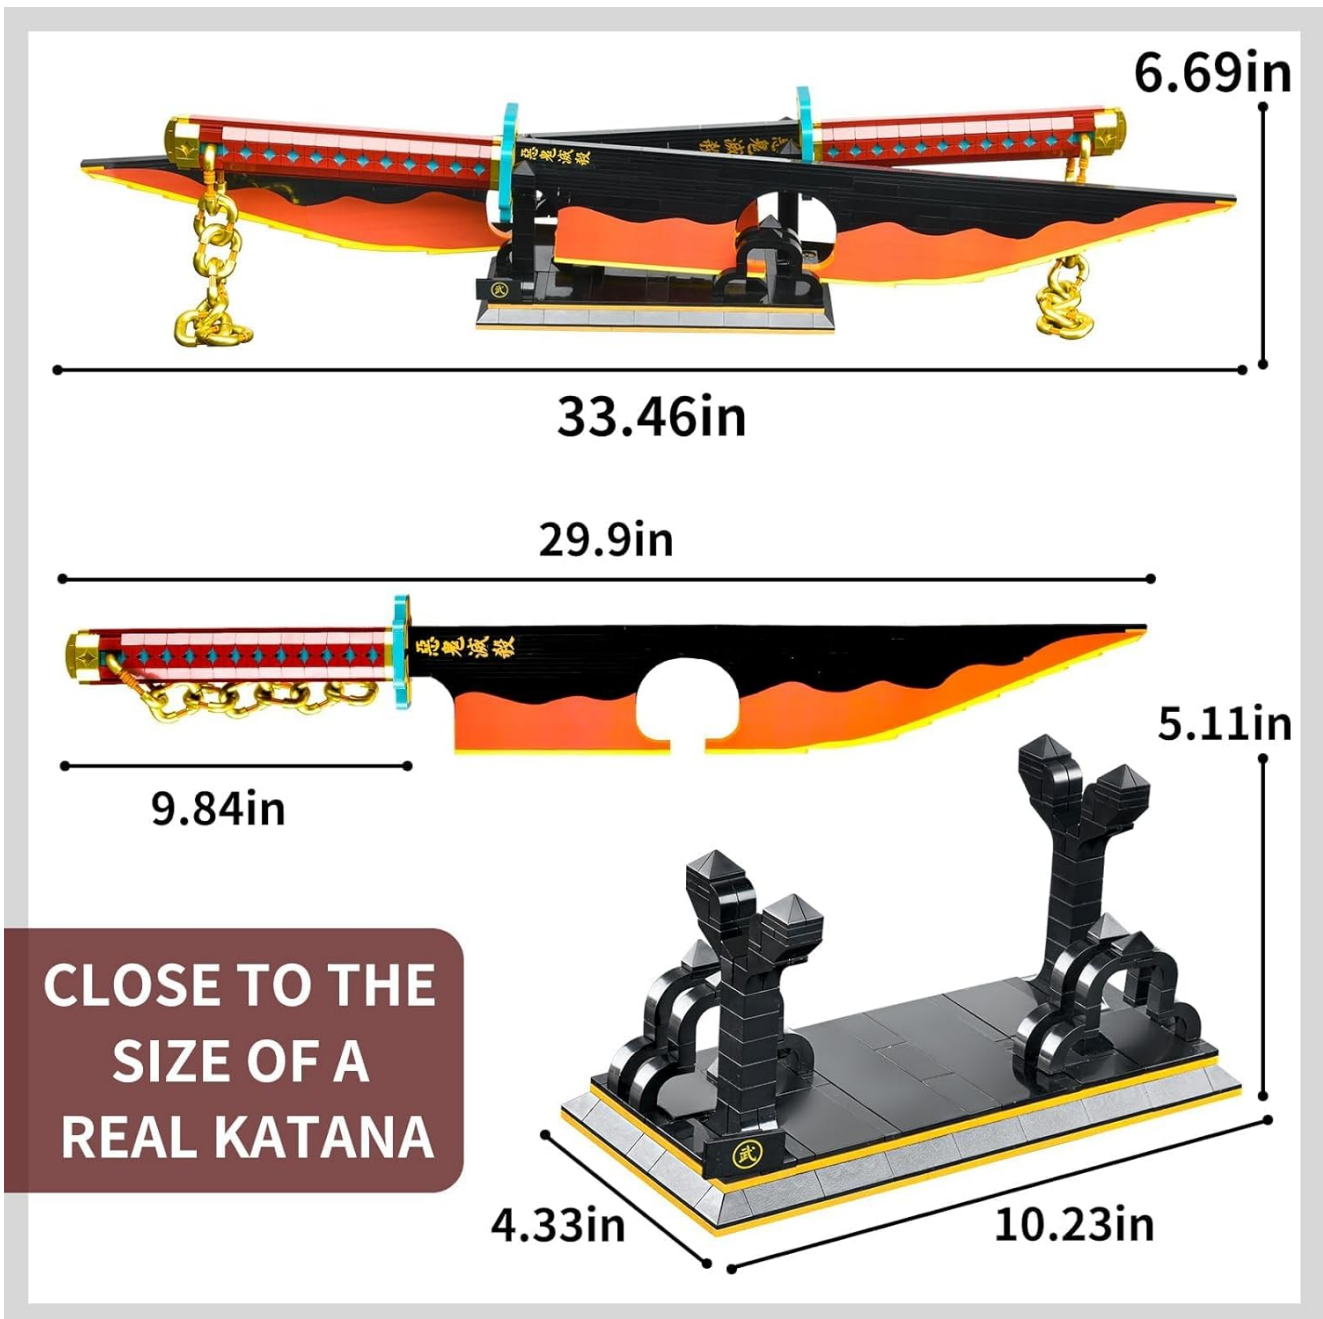

Figure 3: Dimensions of the assembled sword and stand, indicating a length of approximately 82 inches for the sword.

THE STRUCTURE IS STABLE AND WILL NOT FALL WHEN WAVED

Figure 4: The sword's stable construction allows for light movement without disassembly.

4.3. Assembly Video Guides

Video 1: Step-by-step assembly guide for the Tengen Uzui Sword building block set, demonstrating the construction of the sword and its stand.

Video 2: An overview of the SATHIBI Sword Building Set assembly, including the main sword components and the chain attachment.

5. DISPLAY AND CARE

Once assembled, your Tengen Uzui Sword model can be proudly displayed using the included stand. To maintain its appearance:

- Place the model on a stable, flat surface away from direct sunlight and extreme temperatures.
- Clean with a soft, dry cloth to remove dust. Avoid using harsh chemicals or abrasive materials.
- The sword is designed for light handling and display. Avoid excessive force or impact to prevent damage.

6. SPECIFICATIONS

Feature	Detail
Product Dimensions	29.92 x 4.72 x 3.5 inches
Item Weight	2.77 pounds
Item Model Number	JF-043
Manufacturer Recommended Age	14 years and up
Number of Pieces	1478
Material	ABS Plastic

7. TROUBLESHOOTING

- **Missing Pieces:** If you find any pieces missing, please double-check all packaging and the assembly area. If still missing, contact customer support for assistance.
- **Difficulty Assembling:** Review the instruction manual carefully, paying close attention to the diagrams. Ensure all pieces are oriented correctly and firmly pressed into place.
- **Loose Connections:** If parts feel loose, try disassembling and reassembling the section, ensuring a tight fit for each brick.

8. WARRANTY AND SUPPORT

For any questions, concerns, or support needs regarding your SATHIBI Tengen Uzui Sword Building Set, please contact the manufacturer or seller through the platform where the product was purchased. Please retain your proof of purchase for warranty claims.
