OPERATING INSTRUCTIONS

LED Lighting System

The desk features an integrated LED lighting system to enhance your workspace or gaming setup. The LED light strip requires connection to a USB port for power. You can control the lights using the provided smart controller or via a dedicated mobile application. The system offers over 60,000 color options, timing mode, mic mode, and music mode through the app. The smart controller allows switching between 12 scene modes, adjusting speed levels, and setting 3 brightness levels.

Storage Features

The desk provides ample storage solutions to keep your workspace organized. It includes a desktop surface, two side storage shelves, and a fabric drawer. The bottom shelf is suitable for placing a PC tower, while the fabric drawer is perfect for storing stationery and other private items, ensuring a clutter-free environment.

CARE AND MAINTENANCE

To ensure the longevity and appearance of your SUPERJARE desk, follow these care instructions:

- **Cleaning:** Wipe the desk surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the carbon fiber texture or powder-coated finish.
- **Stability:** Regularly check and tighten all screws to maintain the desk's stability. The adjustable feet can be used to ensure stability on uneven ground.
- **Electrical Components:** Always unplug the desk from the power source when not in use or before performing any cleaning or maintenance on the power outlets or LED lights. Avoid spilling liquids near electrical components.
- **Weight Capacity:** Do not exceed the maximum weight recommendation of 150 pounds on the desktop.

TROUBLESHOOTING

If you encounter any issues with your desk, please refer to the following common troubleshooting tips:

- **LED Lights Not Working:** Ensure the LED light strip is securely plugged into a functional USB port. Check the connection to the LED controller. If using the app, ensure Bluetooth is enabled and the app is properly connected to the desk.
- **Power Outlets Not Functioning:** Verify that the desk's main power cord is securely plugged into a working wall outlet. Check for any tripped circuit breakers. Avoid overloading the outlets.
- **Desk Instability:** Ensure all assembly screws are tightened. Use the adjustable feet at the bottom of the desk legs to level the desk on uneven floors.
- **Drawer Issues:** Check that the fabric drawer is assembled correctly and not overloaded. Ensure nothing is obstructing its movement within the compartment.

For persistent issues, please contact SUPERJARE customer support.
