## 6. CARE AND MAINTENANCE

Proper care and maintenance will help preserve the appearance and extend the life of your GEBADOL sofa set.

- **Regular Cleaning:** Vacuum the flannelette fabric regularly using a soft brush attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for flannelette, testing on an inconspicuous area first.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading and degradation of the fabric. Position your sofa away from direct sun exposure or use curtains/blinds.
- **Protect from Moisture:** Keep the sofa dry. Avoid placing wet items on the fabric.
- **Frame Care:** The solid wood frame requires minimal maintenance. Wipe with a dry or slightly damp cloth to remove dust. Avoid harsh chemicals.

- **Cushion Care:** Rotate and fluff cushions periodically to maintain their shape and even out wear.
