

VEVOR JK603

VEVOR Garden Kneeler and Seat (Model JK603) Instruction Manual

Brand: VEVOR | Model: JK603

1. INTRODUCTION

Thank you for choosing the VEVOR Garden Kneeler and Seat. This versatile product is designed to provide comfort and convenience for various tasks, including gardening, household chores, and outdoor activities. Its robust construction and thoughtful features aim to enhance your experience and reduce physical strain.

2. PRODUCT FEATURES

- **2-in-1 Versatility:** Functions as both a comfortable kneeling pad and a sturdy seat, allowing seamless transition between tasks.
- **Enhanced Comfort:** Equipped with an 8-inch wide EVA foam pad to cushion knees and provide a comfortable sitting surface, reducing discomfort during prolonged use.
- **Durable Construction:** Built with 0.03" thickened steel tubes, supporting a maximum load capacity of 330 pounds for stability and long-lasting use.
- **Integrated Tool Storage:** Includes two detachable tool pouches for convenient access to gardening tools and small items, promoting an organized workspace.
- **Foldable Design:** Easily folds flat for compact storage and effortless transportation, saving space when not in use.

RELIEVE KNEE PRESSURE

EVA wide soft pad

3. SETUP AND ASSEMBLY

The VEVOR Garden Kneeler and Seat comes pre-assembled and requires minimal setup.

1. **Unfolding the Unit:** Gently pull the side handles outwards until the legs click securely into place. Ensure both sides are fully extended and locked before use.
2. **Attaching Tool Pouches:** The two included tool pouches can be slipped over the side handles. The pouches are designed with multiple pockets to hold various gardening tools.

4. OPERATING INSTRUCTIONS

Using as a Kneeler:

Place the unit with the EVA foam pad facing upwards on the ground. The sturdy side handles will be elevated, providing support for kneeling and assisting with standing up. This position is ideal for tasks requiring you to be close to the ground, such as weeding, planting, or cleaning low surfaces.

Figure 3: The VEVOR Garden Kneeler configured for kneeling, providing a comfortable pad and handles for support.

Using as a Seat:

To convert the kneeler into a seat, simply flip the entire unit over. The EVA foam pad will now be facing upwards, forming a comfortable stool. The handles will be positioned downwards, acting as stable legs. This configuration is perfect for sitting while performing tasks or taking a break.

Figure 4: The VEVOR Garden Kneeler flipped over to serve as a comfortable seat.

Folding for Storage:

To fold the unit, locate the spring-loaded pins on the side of the frame. Press these pins and gently push the legs inwards until the unit folds flat. This compact design allows for easy storage in small spaces or transportation.

Easy Folding and Storage

Step1: Press the spring to fold

Step2: Fold the two leg posts inward

Step3: Store away for easy storage

Figure 5: The sturdy construction of the kneeler/seater, capable of supporting up to 330 lbs.

5. MAINTENANCE

- **Cleaning:** Wipe the frame and EVA pad with a dry cloth after each use to remove dirt and debris. For stubborn stains, a damp cloth with mild soap can be used, followed by thorough drying.
- **Storage:** Store the folded kneeler in a dry place away from direct sunlight and extreme temperatures to prolong its lifespan.
- **Inspection:** Periodically check all screws, bolts, and moving parts to ensure they are secure. Tighten any loose fasteners as needed.

6. TROUBLESHOOTING

- **Difficulty Folding/Unfolding:** Ensure the spring-loaded pins are fully depressed when attempting to fold or unfold the unit. Check for any obstructions in the folding mechanism.
- **Instability:** Verify that both sets of legs are fully extended and locked into place. Ensure the unit is placed on a flat, stable surface. Do not exceed the maximum weight capacity of 330 lbs.

7. SPECIFICATIONS

Feature	Specification
Model Number	JK603
Product Dimensions	12.2"D x 23.4"W x 19.2"H
Color	Green
Brand	VEVOR
