Tribesigns XK00312/313

Tribesigns Tall Shoe Cabinet User Manual

Model: XK00312/313

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, maintenance, and troubleshooting of your Tribesigns Tall Shoe Cabinet. Please read this manual thoroughly before assembly and use to ensure safe and efficient operation.

The Tribesigns Tall Shoe Cabinet is a wood freestanding storage unit designed to organize your footwear. It features multiple tiers for ample storage capacity and a space-saving design suitable for various rooms.

SAFETY INFORMATION

- Always assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten as necessary.
- Due to its height, it is recommended that two persons assemble this cabinet.
- Utilize the provided anti-tipping kits to secure the cabinet to a wall, especially in households with children or pets, to prevent accidental tipping.
- Do not overload shelves. The weight limit for each shelf is approximately 13 pounds.
- Keep small parts and packaging materials away from children.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

Component	Quantity	Description
Wooden Panels	Various	Numbered panels for the cabinet structure and shelves.
Hardware Pack	1 set	Includes screws, dowels, cam locks, and other fasteners.
Anti-Tipping Kit	1 set	Components for securing the cabinet to a wall.
Assembly Guide	1	Printed instruction manual.

ASSEMBLY INSTRUCTIONS

Please follow the steps carefully. It is recommended to have a second person assist with assembly due to the size and weight of the components.

Assembly Video Guide

Description: Official assembly video for the Tribesigns Shoe Cabinet, demonstrating step-by-step construction.

Step-by-Step Assembly

1. **Prepare Components:** Unpack all components and lay them out on a clean, soft surface. Identify each panel by its number and all hardware by its letter as indicated in the included paper manual.

Image Description: An exploded view of the shoe cabinet components, showing individual panels and their approximate dimensions. Note the movable blue boards and the fixed red structural board.

2. **Assemble Base Sections:** Connect the side panels to the bottom and middle shelves using the specified screws and dowels. Ensure all connections are tight and flush.
3. **Attach Back Panels:** Secure the back panels to the assembled sections using the provided small screws. This

adds stability to the structure.

4. **Install Feet:** Attach the non-slip feet pads to the bottom of the cabinet to protect your floor and provide stability.
5. **Insert Adjustable Shelves:** Place the adjustable shelves into the desired positions. The cabinet features open space without internal grid restrictions, allowing for flexible arrangement of shelves to accommodate various shoe sizes, including boots.

Image Description: A view of the assembled shoe cabinet highlighting the movable shelves for easy storage of boots and the location of the safe anti-tipping kits at the top.

Image Description: A comparison graphic showing the Tribesigns cabinet's open shelf design (left) which offers more space and is easier to clean, versus a traditional grid cabinet (right) with restricted compartments and many corners.

6. **Secure with Anti-Tipping Kit:** For safety, especially in homes with children or pets, secure the cabinet to a wall using the anti-tipping kit. Follow the instructions provided with the kit for proper installation.

OPERATING INSTRUCTIONS

The Tribesigns Tall Shoe Cabinet is designed for straightforward use:

- **Shoe Storage:** Place shoes directly onto the shelves. The open design allows for easy access and visibility.
- **Adjusting Shelves:** To adjust shelf height, remove the shelf, reposition the shelf pins in the desired holes, and then reinsert the shelf. This feature is particularly useful for accommodating taller items like boots.
- **Capacity:** This cabinet can hold approximately 32-35 pairs of adult shoes or 40-45 pairs of kids' shoes, depending on shoe size and arrangement.
- **Versatile Use:** While primarily designed for shoes, the cabinet's open shelves can also be used to store other daily items, small decorations, or storage boxes.

Image Description: The Tribesigns Tall Shoe Cabinet, beige gray in color, displayed in an entryway setting, filled with various types of shoes and some decorative items on the top shelf.

MAINTENANCE

To ensure the longevity and appearance of your Tribesigns Tall Shoe Cabinet, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Dusting:** Regularly dust the shelves and panels to prevent buildup.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood finish.
- **Hardware Check:** Periodically inspect all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Avoid Direct Sunlight/Heat:** Prolonged exposure to direct sunlight or heat sources can cause fading or warping of the wood.

TROUBLESHOOTING

If you encounter any issues with your shoe cabinet, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Cabinet feels wobbly or unstable.	Loose hardware or uneven floor.	Ensure all screws and cam locks are fully tightened. Adjust the non-slip feet pads if your floor is uneven. Verify the anti-tipping kit is properly installed.
Shelves do not fit properly.	Incorrect orientation or misaligned pins.	Double-check the shelf orientation. Ensure shelf pins are fully inserted into the designated holes on both sides.
Missing parts during assembly.	Packaging oversight.	Carefully check all packaging materials. If parts are still missing, contact Tribesigns customer support with your model number and a list of missing items.

SPECIFICATIONS

- **Brand:** Tribesigns
- **Model Number:** XK00312/313
- **Color:** Beige Gray
- **Product Dimensions:** 11.81"D x 31.49"W x 70.86"H
