RADLEY RYS20-2156-TWS

RADLEY Smartwatch RYS20-2156-TWS User Manual

Model: RYS20-2156-TWS | Brand: RADLEY

INTRODUCTION

This manual provides detailed instructions for the setup, operation, maintenance, and troubleshooting of your RADLEY Smartwatch RYS20-2156-TWS and its accompanying True Wireless Earbuds. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

The Radley London Series 20 Smartwatch offers advanced communication and health tracking features. It enables hands-free calling directly from your wrist, eliminating the need to search for your phone. The smartwatch includes comprehensive wellness features such as sleep analysis, hydration reminders, and guided breathing exercises. For fitness, it provides an integrated heart rate monitor, multi-sport tracking, and music control. Progress can be monitored through the Radley Active application. The watch face is customizable, allowing users to select from various designs or use personal photos. This smartwatch comes with a silicone strap and a set of matching Black Gloss True Wireless Earbuds. The earbuds feature Bluetooth 5.0, offering 5 hours of playback, extendable to over 20 hours with the charging case, and a 10-meter wireless range. The free Radley Active app is compatible with both iOS and Android devices.

SETUP

1. Charging the Smartwatch and Earbuds

Before first use, fully charge both your smartwatch and the earbuds.

- **Smartwatch:** Connect the provided USB charging cable to the charging port on the back of the smartwatch and to a USB power source. A full charge typically takes approximately 1 hour.
- **Earbuds:** Place the earbuds into their charging case. Connect the USB charging cable to the case and a USB power source. The case will indicate charging status. A full charge for the case typically takes approximately 2 hours.

2. App Installation and Pairing

To unlock the full functionality of your smartwatch, download and install the Radley Active app on your smartphone.

1. **Download the App:** Search for "Radley Active" in the Apple App Store (for iOS devices) or Google Play Store (for Android devices) and install it.
2. **Create Account:** Open the Radley Active app and follow the on-screen instructions to create a user account.
3. **Pair Smartwatch:** Ensure Bluetooth is enabled on your smartphone. In the Radley Active app, navigate to the device pairing section and select your RADLEY Smartwatch from the list of available devices. Follow any prompts on both the app and the smartwatch to complete the pairing process.

4. **Pair Earbuds:** For the earbuds, open the charging case and ensure they are powered on. Go to your smartphone's Bluetooth settings and select the RADLEY earbuds from the list of available devices to pair them.

MAINTENANCE

Cleaning

- **Smartwatch:** Wipe the screen and strap with a soft, damp, lint-free cloth. Avoid using harsh chemicals or abrasive materials.
- **Earbuds & Case:** Gently clean the earbuds and charging case with a dry, soft cloth. Use a cotton swab for hard-to-reach areas. Do not use liquids directly on the earbuds.

Battery Care

- Avoid fully discharging the battery frequently.

- Store the device in a cool, dry place when not in use for extended periods.
- Use only the provided charging cable.

TROUBLESHOOTING

If you encounter issues with your RADLEY Smartwatch or Earbuds, try the following solutions:

- **Device Not Turning On:** Ensure the device is fully charged. Connect it to the charger for at least 30 minutes.
- **Cannot Pair with Smartphone:**
 - Ensure Bluetooth is enabled on your smartphone.
 - Make sure the smartwatch/earbuds are in pairing mode.
 - Restart both your smartphone and the device.
 - Forget the device in your phone's Bluetooth settings and try pairing again.
- **Inaccurate Readings (Heart Rate, Steps):** Ensure the smartwatch is worn snugly on your wrist, not too tight or too loose. Clean the sensor on the back of the watch.
- **No Audio from Earbuds:**
 - Check if the earbuds are charged.
 - Ensure they are properly paired with your device.
 - Check the volume settings on your smartphone.
- **App Not Syncing:** Ensure your smartphone has an active internet connection and the Radley Active app is up to date. Try restarting the app.
