## SETUP

### 1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Place the earbuds into the charging case. Ensure they are correctly seated in their respective slots.
2. Connect the USB Type-C charging cable to the charging port on the case and the other end to a USB power source (e.g., wall adapter, computer USB port).
3. The LED indicator on the charging case will show the charging status. A full charge typically takes approximately 2 hours for the case.
4. Once fully charged, disconnect the charging cable. The earbuds will charge automatically when placed in the case.

# More Music Less Charging

**30H**

## 2. Pairing with Your Device (One-Step Pairing)

The earbuds feature one-step pairing for quick and easy connection.

1. Ensure your device's Bluetooth is turned on.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device, search for Bluetooth devices and select "Monster N-Lite 203 AirLinks" from the list.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.
5. After the initial pairing, the earbuds will automatically connect to the last paired device when the case is opened.

# One-Step Pairing

Experience seamless connectivity by featuring advanced Bluetooth 5.3 and effortless one-step pairing

Auto Power On/Off	Take out/Place back the earbuds into the charging case

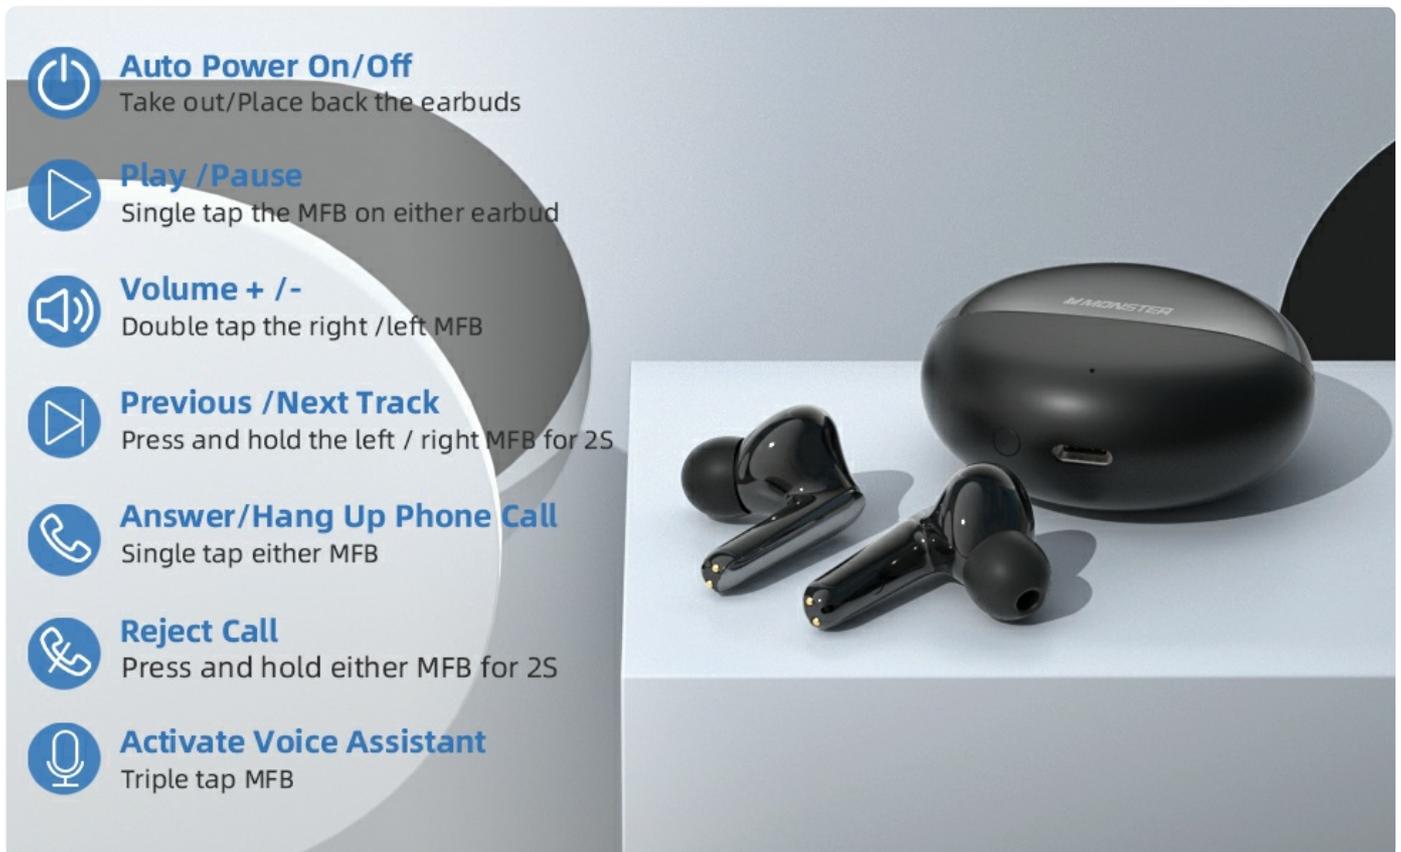

Image: A visual guide detailing the various touch control functions on the earbuds, including play/pause, volume adjustment, track skipping, call management, and voice assistant activation.

## Wearing the Earbuds:

For optimal sound quality and comfort, ensure the earbuds are properly seated in your ears.

1. Select the ear tips that provide the best seal and comfort for your ears.
2. Gently insert each earbud into its corresponding ear canal (L for left, R for right).
3. Adjust the earbud until it feels secure and comfortable. A good seal is crucial for bass response and noise isolation.

## MAINTENANCE

---

Proper maintenance ensures the longevity and performance of your earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Ear Tips:** Remove and clean the ear tips periodically with mild soap and water. Ensure they are completely dry before reattaching them to the earbuds.
- **Charging Contacts:** If charging issues occur, gently clean the charging contacts on both the earbuds and inside the case with a cotton swab.
- **Storage:** When not in use, always store the earbuds in their charging case to protect them and keep them charged.
- **Water Resistance:** The earbuds are IPX6 water-resistant, meaning they can withstand powerful water jets. However, they are not designed for submersion. Avoid exposing them to saltwater, chlorinated water, or other liquids. Ensure the charging port is dry before charging.

# IPX6 Water Resistant

Designed with an IPX6 water-resistant rating, perfect for your workout sessions

## TROUBLESHOOTING

---

If you encounter issues with your earbuds, refer to the following common solutions:

Problem	Possible Solution
<b>Earbuds not pairing/connecting</b>	<ul style="list-style-type: none"><li>◦ Ensure earbuds are charged.</li><li>◦ Turn off and on Bluetooth on your device.</li><li>◦ Forget "Monster N-Lite 203 AirLinks" from your device's Bluetooth list and re-pair.</li><li>◦ Place earbuds back in the case, close, wait a few seconds, then open again.</li></ul>

Problem	Possible Solution
<b>Only one earbud working</b>	<ul style="list-style-type: none"> <li>◦ Ensure both earbuds are charged.</li> <li>◦ Place both earbuds back in the charging case, close the lid, wait 5 seconds, then open the lid.</li> <li>◦ Try resetting the earbuds (refer to manufacturer's website if a specific reset procedure is available, otherwise, a full charge and re-pairing often resolves this).</li> </ul>
<b>Low volume or poor sound quality</b>	<ul style="list-style-type: none"> <li>◦ Adjust the volume on both your device and the earbuds.</li> <li>◦ Ensure ear tips provide a good seal in your ear canal. Try different sizes.</li> <li>◦ Clean any debris from the earbud nozzles and ear tips.</li> </ul>
<b>Charging case not charging</b>	<ul style="list-style-type: none"> <li>◦ Check the USB Type-C cable and power adapter. Try a different cable or adapter.</li> <li>◦ Ensure the charging port on the case is clean and free of debris.</li> </ul>
