HYES B0CC8ZJ371

HYES 2 Player Basketball Game with Electronic Scoreboard - Instruction Manual

Model: B0CC8ZJ371

Introduction

Thank you for choosing the HYES 2 Player Basketball Game. This over-the-door mini basketball hoop is designed for interactive play, featuring dual hoops and an electronic scoreboard for competitive fun. This manual provides essential information for proper setup, operation, and maintenance to ensure a safe and enjoyable experience.

Safety Information

- **Adult Supervision:** Always ensure adult supervision during play, especially for younger children.
- **Installation:** Install the hoop securely over a sturdy door. Ensure the door can close properly without obstruction or damage.
- **Weight Limit:** Do not hang or swing from the hoops. The product is designed for shooting basketballs, not supporting body weight.
- **Small Parts:** Keep small parts and deflated balls away from children under 3 years old to prevent choking hazards.
- **Battery Safety:** Use the correct type and size of batteries. Do not mix old and new batteries, or different types of batteries. Remove batteries if the product is not used for an extended period.

Package Contents

Verify that all components are present before beginning assembly:

- Backboard with Electronic Scoreboard Unit
- 2 Basketball Hoops with Nets
- Over-the-Door Hooks
- Mini Basketballs (3 included)
- Air Pump with Needle
- Assembly Hardware (screws, nuts, etc.)
- Instruction Manual

Setup Instructions

Follow these steps to assemble and install your HYES 2 Player Basketball Game:

1. **Unpack Components:** Carefully remove all items from the packaging and lay them out on a clean, flat surface.
2. **Inflate Basketballs:** Use the included air pump and needle to inflate the mini basketballs to the recommended pressure.
3. **Attach Hoops:** Securely attach the two basketball hoops to the designated positions on the backboard using the provided hardware. Ensure they are firmly tightened.
4. **Install Over-the-Door Hooks:** Attach the over-the-door hooks to the top of the backboard. These hooks are designed for easy installation without drilling.
5. **Insert Batteries:** Locate the battery compartment on the electronic scoreboard unit. Insert 3 AAA batteries (not included), ensuring correct polarity. Close the compartment securely.
6. **Mount on Door:** Carefully place the assembled unit over the top of a standard door. Ensure the backboard rests flush against the door and the hooks are stable. The protective padding on the backboard helps prevent door damage.

Operating Instructions

The HYES 2 Player Basketball Game offers an engaging experience with its electronic features:

1. **Power On:** Press the power button on the scoreboard unit to turn it on. The display will light up, indicating it's ready for play.
2. **Start Game:** The scoreboard typically starts a 60-second countdown automatically. Each successful shot through either hoop will register points on the respective 'Home' or 'Visitor' display.
3. **Electronic Scoring:** Sensors located behind the nets detect when a ball passes through, automatically updating the score. The scoreboard also features cheer sounds for each successful shot.
4. **Timer and Special Modes:** The integrated timer counts down the game duration. During the last 10 or 15 seconds, a special mode may activate, allowing for 3-point shots to add excitement.
5. **Resetting the Game:** To start a new game, press the reset button on the scoreboard. This will clear the scores and restart the timer.

6. **Foldable Hoops:** The hoops are designed to fold upwards. This feature allows for convenient storage or to fully open the door when not in use.
7. **Break-Away Rim:** The hoops feature a break-away rim with a spring load, allowing it to bend up to 60 degrees. This simulates a real basketball experience and enhances durability.

Image: A detailed view of the break-away rim, illustrating its flexibility for dunking.

Maintenance

- **Cleaning:** Wipe the backboard and hoops with a soft, damp cloth. Avoid abrasive cleaners or solvents that could damage the surface or electronic components.
- **Battery Replacement:** When the scoreboard display dims or stops functioning, replace the 3 AAA batteries. Ensure the battery compartment is sealed after replacement.
- **Storage:** When not in use, the hoops can be folded up to save space. If storing for an extended period, remove the batteries from the scoreboard.
- **Ball Inflation:** Periodically check the inflation of the mini basketballs and re-inflate as needed using the provided pump.

Troubleshooting

- **Scoreboard Not Working:**
  - Check if batteries are inserted correctly and are not depleted. Replace with fresh batteries if necessary.
  - Ensure the power button is pressed.
- **Scores Not Registering:**
  - Verify that the sensors behind the nets are clear of obstructions.
  - Ensure the ball passes completely through the hoop.
- **Door Not Closing Properly:**
  - Check if the over-the-door hooks are correctly positioned and not interfering with the door frame.
  - Ensure the protective padding is in place to prevent friction.
- **Balls Losing Air:**
  - Re-inflate the mini basketballs using the provided pump and needle.
  - Check for any punctures or leaks in the balls.

Specifications
