SONGMICS 6 LEDs Lockable Mirror Jewelry Cabinet UJJC007B01 User Manual

Model: UJJC007B01 | Brand: SONGMICS

IMPORTANT SAFETY INSTRUCTIONS

- Read all instructions carefully before assembly and use.
- Keep children and pets away during assembly. Small parts may pose a choking hazard.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check for loose connections.
- Do not overload shelves or hooks to prevent tipping or damage.
- For LED lights, use 3 AAA batteries (not included). Ensure correct polarity. Remove batteries if the unit is not used for extended periods.
- Handle the mirror with care. Avoid striking or dropping the unit.
- Always use the product on a stable, level surface. The 360° swivel base requires adequate clearance.

PACKAGE CONTENTS

Please verify that all components listed below are included in your package:

- 1 x Jewelry Cabinet
- 2 x Key
- 1 x Accessory Kit (includes screws, screwdriver)
- 1 x Instructions (this manual)

ASSEMBLY INSTRUCTIONS

Assembly is straightforward and typically requires two people for optimal safety and ease. All necessary tools are included in the accessory kit.

Step-by-Step Assembly

1. **Unpack and Identify Components:** Carefully remove all parts from the packaging. Lay them out on a soft surface to prevent damage. Refer to the parts list in your accessory kit to identify each component.
2. **Attach the Base:** Secure the main cabinet body to the 360° swivel round base using the provided screws. This step is easier with two people to ensure proper alignment and stability.
3. **Install Rear Storage Shelves:** Attach the 3 storage shelves to the back of the cabinet using the designated screws. Ensure they are level and securely fastened.
4. **Insert Batteries for LED Lights:** Locate the battery compartment for the interior LED lights (typically near the top interior mirror). Insert 3 AAA batteries, ensuring correct polarity.
5. **Final Check:** Verify that all connections are tight and the cabinet stands stably. Test the door and swivel mechanism.

OPERATING INSTRUCTIONS

1. Using the Full-Length Mirror

The frameless 14.6" x 61" full-length mirror provides a head-to-toe reflection, ideal for daily outfit checks. The 360° swivel base allows you to easily adjust the mirror's angle to suit your needs.

2. Using the LED Lights

The interior of the cabinet is equipped with 6 LED lights that automatically illuminate when the door is opened and turn off when closed. This feature helps you easily select your accessories.

3. Accessing Interior Storage

Open the cabinet door to reveal extensive storage options:

- **Earrings:** Utilize the 120 earring slots and 54 stud earring holes.
- **Necklaces:** Hang necklaces on the 18 necklace hooks to prevent tangling.
- **Rings:** Store rings securely in the 91 ring slots.
- **Bracelets:** Use the 3 bracelet rods for easy access.
- **Other Accessories:** Organize makeup and other items in the 3 compartments, 2 drawers, 4

shelves, and 1 zippered bag.

5. Utilizing the 360° Swivel Feature

The cabinet rests on a large 21.5" diameter round base, allowing it to swivel 360 degrees. This provides easy access to both the mirrored front and the rear storage shelves.

6. Using the Rear Storage Shelves

The back of the cabinet features 3 additional storage shelves. These are perfect for storing larger items like handbags, storage boxes, or shoes, keeping them organized and easily accessible.

MAINTENANCE AND CARE

- **Cleaning:** Wipe the mirror surface with a soft, lint-free cloth and a glass cleaner. For the cabinet body, use a soft, damp cloth and mild soap, then dry thoroughly. Avoid abrasive cleaners.
- **Dusting:** Regularly dust the interior velvet lining and shelves with a soft brush or cloth to prevent dust buildup on your jewelry.
- **Battery Replacement:** Replace the 3 AAA batteries for the LED lights as needed.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or damage to the cabinet's finish.
- **Stability Check:** Periodically check all screws and connections to ensure the unit remains stable.

TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights not working	Batteries are dead or incorrectly installed.	Check battery polarity or replace with new 3 AAA batteries. Ensure the interior switch is in the 'ON' position if applicable.
Cabinet feels unstable or wobbly	Screws are loose; uneven floor surface.	Tighten all assembly screws. Move the cabinet to a level surface.
Door does not close properly	Obstruction inside the cabinet; hinges are misaligned.	Ensure no items are blocking the door. Check and adjust hinges if necessary.
Lock mechanism is stiff or not working	Key is not fully inserted; mechanism needs lubrication.	Ensure the key is fully inserted and turn gently. Apply a small amount of graphite lubricant if needed.
