SAFETY INFORMATION

WARNING: Assemble the desk carefully according to the detailed instructions provided. Do not exceed the recommended weight of 140 kg (300 lbs) to prevent damage to the desk or injury. If children are present, ensure they are kept away from the assembly area and during desk use to prevent accidents.

- Always place the desk on a flat, stable surface.
- Do not stand or sit on the desk.
- Keep small parts away from children during assembly.
- Regularly check all fasteners to ensure they remain tight.
- Avoid exposing the desk to direct sunlight or extreme temperatures.

SETUP AND ASSEMBLY

The Tribesigns 200cm Double Computer Desk is designed for straightforward assembly. All necessary hardware and detailed instructions are included. Please follow the steps below carefully.

Before You Begin:

- Unpack all components and verify against the parts list (refer to included manual for specific part identifiers).
- Ensure you have enough space for assembly.
- Gather any required tools (usually a screwdriver or Allen wrench, often included).
- Place a soft cloth or cardboard on the floor to prevent scratching the desk components during assembly.

Assembly Steps:

1. **Attach Legs to Frame:** Secure the metal legs to the main frame components using the provided screws and Allen wrench. Ensure all connections are firm.
2. **Assemble Crossbars:** Connect the horizontal crossbars between the leg frames to enhance stability.
3. **Place Desktop Panels:** Carefully place the two desktop panels onto the assembled frame. Align the pre-drilled holes.
4. **Secure Desktop:** Fasten the desktop panels to the frame using the appropriate screws. Do not overtighten.
5. **Final Check:** Once assembled, gently lift and move the desk to its desired location. Ensure all connections are secure and the desk is stable.

Robust Construction

Adds more stability and durability

OPERATING AND USAGE

The Tribesigns 200cm Double Computer Desk is designed for versatile use in home offices, study rooms, or shared workspaces.

- **Spacious Work Surface:** The 200 x 60 cm desktop provides ample space for multiple monitors, laptops, keyboards, and other office essentials.
- **Two-Person Design:** This desk comfortably accommodates two individuals, allowing for collaborative work or separate workstations side-by-side.
- **Weight Capacity:** Do not exceed the maximum recommended weight of 140 kg (300 lbs) evenly distributed across the desktop.
- **Placement:** Position the desk in a well-lit area, away from direct heat sources or excessive moisture.
- **Cable Management:** Utilize cable ties or clips (not included) to organize power cords and data cables for a tidy workspace.

MAINTENANCE

Proper care and maintenance will extend the life and appearance of your Tribesigns desk.

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood surface.
- **Fasteners:** Periodically check all screws and bolts to ensure they are tight. Retighten if necessary to maintain stability.
- **Protection:** Use coasters for drinks and desk pads for heavy equipment or sharp objects to protect the surface.
- **Avoid Overloading:** Adhere to the recommended weight capacity to prevent structural stress.

TROUBLESHOOTING

If you encounter any issues with your Tribesigns desk, refer to the following common solutions.

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Loose fasteners; uneven floor.	Check and tighten all screws and bolts. Ensure the desk is on a level surface. Adjust leveling feet if present.
Parts do not fit during assembly.	Incorrect orientation; wrong parts used.	Review the assembly instructions carefully. Ensure parts are oriented correctly and you are using the right components for each step.
Surface scratches or minor damage.	Impact from sharp objects; abrasive cleaning.	Use furniture repair markers or wood filler for minor scratches. Avoid abrasive cleaners. Use protective mats.
