## Cloud b 7673-OWB

# Cloud b Sweet Dreamz On The Go Owl Sound Machine User Manual

Model: 7673-OWB

## INTRODUCTION

This manual provides instructions for the Cloud b Sweet Dreamz On The Go Owl Sound Machine. This portable device is designed to provide soothing sounds and a gentle light to help comfort and relax children. It features multiple sound options, an automatic shut-off timer, and a smart sensor for re-activation.

## KEY FEATURES

- **8 Soothing Sounds:** Includes 4 white noise options (heartbeat, rain, waves, whale song) and 4 calming lullabies.
- **Gentle Light:** The owl's face emits a soft, comforting glow.
- **Smart Sensor:** Automatically reactivates sound when the device detects a baby's cry or loud noise.
- **Automatic Shut-off:** Light automatically turns off after 15 minutes, and sound after 45 minutes.
- **Portable Design:** Compact size with an attachment for easy transport and securing to strollers, car seats, or cribs.

## SETUP

### Battery Installation

1. Locate the battery compartment on the back of the device.
2. Using a small screwdriver, open the battery compartment cover.
3. Insert 3 AAA batteries, ensuring correct polarity (+/-).
4. Replace the battery compartment cover and secure it with the screw.

# Owl On The Go™

All-in-one baby soother—Cloud b's Sweet Dreamz On the Go helps calm fussy and tired babies: a must-have for every busy family. Each adorable soother comes equipped with a built in nightlight along with calming sounds and melodies.

### MAINTENANCE

- **Cleaning:** Wipe the device with a soft, dry cloth. Do not immerse in water or use harsh cleaning agents.
- **Battery Care:** Remove batteries if the device will not be used for an extended period. Replace all batteries at the same time.
- **Storage:** Store in a cool, dry place away from direct sunlight.

## TROUBLESHOOTING

---

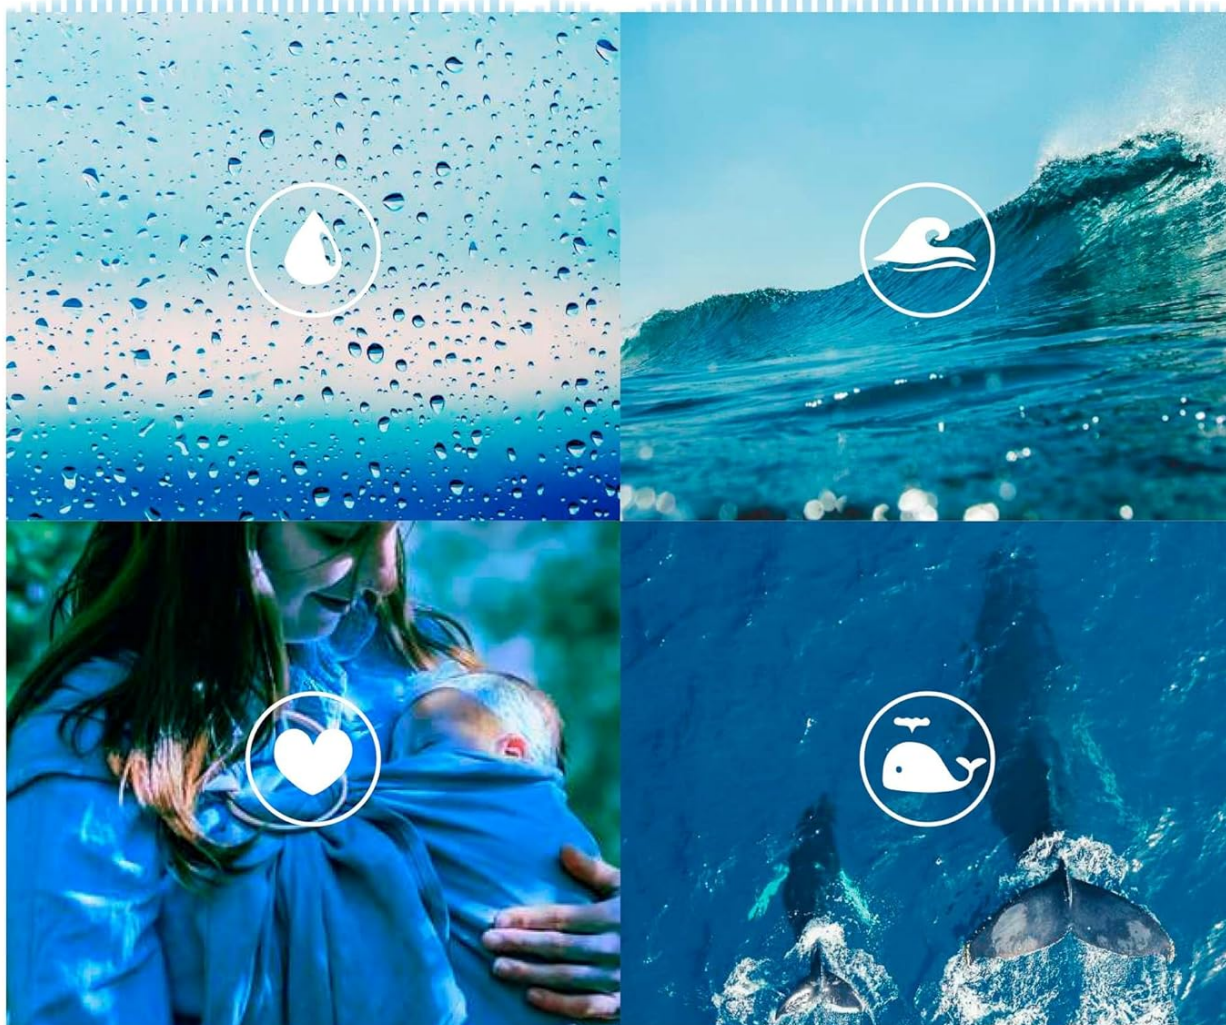

Problem	Possible Cause	Solution
Device does not turn on.	Batteries are dead or incorrectly installed.	Check battery polarity or replace with new AAA batteries. Ensure the ON/OFF switch on the back is in the 'ON' position.
Sound is too low or distorted.	Volume is set too low or batteries are weak.	Increase volume using the volume up button. Replace batteries if sound remains low.
Smart sensor not activating.	Sensor sensitivity may be too low or ambient noise is insufficient.	Ensure the smart sensor mode is active. Test with a louder sound to confirm functionality.

- **Item Weight:** 7 ounces
- **Power Source:** Battery Powered

# Power of white noise

White noise such as the sound of the mother's heart as baby hears it in utero, or the sound of the waves have calming properties. Studies showed that listening to the sounds of nature, especially the sounds of water, has soothing properties and increases well-being.
