## SAFETY INFORMATION

**WARNING:** To reduce the risk of serious injury, read all instructions before using this product.

- All foam and upholstered surfaces meet flammability standards. Keep away from open flames or high heat sources.
- Supervise children and pets to avoid entrapment risks, especially when operating reclining mechanisms.
- Do not stand on the footrest or armrests.
- Ensure all components are securely fastened before use.
- Do not attempt to disassemble or modify the furniture beyond the instructions provided.

## PACKAGE CONTENTS

Your EBELLO Recliner Sofa Set includes the following components:

- 1 x Recliner Chair
- 1 x Loveseat Reclining Sofa
- 1 x 3-Seat Recliner Sofa
- Assembly Hardware (included)
- Assembly Tools (included)

## ASSEMBLY INSTRUCTIONS

Assembly is required for this product. All necessary tools are included. It is recommended to have two people for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches. Verify all parts are present against the parts list (not provided in this manual, refer to packaging).
2. **Attach Backrests:** For each sofa section (recliner chair, loveseat, 3-seat sofa), align the metal brackets on the backrest with the corresponding brackets on the seat base. Slide the backrest down firmly until it locks into place. You should hear a click.
3. **Connect Sofa Sections (if applicable):** For the loveseat and 3-seat sofa, ensure the sections are securely connected using the provided component connectors.
4. **Final Check:** Once assembled, gently lift and move each piece to ensure all connections are secure and stable.

## OPERATING INSTRUCTIONS

### Reclining Function

Each reclining seat (excluding the middle seat of the three-seat sofa) operates independently. To recline:

1. Locate the manual control lever (black buckle) on the side of the seat.

2. Pull the lever to release the footrest.
3. Lean back gently to adjust the backrest to your desired angle (between 95° and 165°).
4. To return to the upright position, push the footrest down with your legs until it locks into place, then lean forward.

## ADJUSTABLE ANGLE

### Hidden Storage and Cup Holders (Loveseat)

The loveseat features a central console with hidden storage and two cup holders.

- To access storage, lift the middle backrest of the loveseat.
- The cup holders are integrated into the console for convenient beverage placement.

## MAINTENANCE AND CARE

---

Proper care will extend the life and appearance of your EBELLO recliner sofa set.

- **Cleaning:** Wipe clean with a dry cloth. For spills, blot immediately with a clean, dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Leather Care:** As the seating areas are genuine leather, consider using a leather conditioner periodically to maintain its suppleness and prevent cracking.
- **Positioning:** Avoid placing the furniture in direct sunlight or near heat sources, as this can cause the leather to fade or dry out.
- **Moving:** When moving the furniture, lift it rather than dragging to prevent damage to the legs and frame.

# LEATHER SOFA

## TROUBLESHOOTING

If you encounter any issues with your recliner sofa set, please refer to the following common solutions:

| Problem                                               | Possible Cause                                                 | Solution                                                                                                                                    |
|-------------------------------------------------------|----------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Reclining mechanism not engaging/disengaging smoothly | Obstruction, loose connection, or mechanism needs lubrication. | Check for obstructions around the mechanism. Ensure all bolts are tightened. Apply a silicone-based lubricant to moving parts if necessary. |
| Squeaking noises during operation                     | Loose connections or friction between metal parts.             | Tighten all visible bolts and screws. Apply a silicone-based lubricant to pivot points and joints.                                          |
| Sofa sections separating                              | Connectors not fully engaged.                                  | Ensure the component connectors underneath the sofa sections are fully interlocked.                                                         |

If these solutions do not resolve the issue, please contact EBELLO customer support.
