2. PACKAGE CONTENTS

Please check the package for the following items:

- Wireless Earphones (Left and Right)
- Charging Case
- Type-C Charging Cable
- Eartips (S/M/L sizes)
- User Manual

3. PRODUCT FEATURES

- **Advanced Bluetooth 5.3:** Ensures a stable and fast connection within a 10-meter range, minimizing audio dropouts.

- **Hi-Fi Audio Quality:** Equipped with 13mm large-diameter composite speakers, delivering rich bass, natural mid-tones, and clear high-frequency sounds.

- **Clear Call Performance:** Integrated noise-canceling microphones suppress ambient noise, ensuring your voice is clear during calls and online meetings.

- **Secure Ear-Hook Design:** Ergonomically designed ear-hooks provide a comfortable and secure fit, preventing the earphones from falling out during intense activities like running or sports.

- **IPX7 Waterproof Rating:** Protects against sweat and rain, making them suitable for workouts and outdoor use.

- **Extended Battery Life:** Up to 8 hours of continuous playback on a single charge, and a total of 40 hours with the 600mAh charging case.

- **Dual Charging Options:** Supports both Qi wireless charging and Type-C wired charging for convenience.

- **LED Battery Display:** The charging case features an LED display showing the battery percentage of the case and the individual charging status of each earphone.

- **Physical Button Controls:** Intuitive physical buttons prevent accidental touches and allow for easy control of music playback, calls, and voice assistant activation.

4. SETUP

4.1 Initial Charging

Before first use, fully charge the earphones and the charging case.

1. Place the earphones into the charging case.
2. Connect the Type-C charging cable to the charging port on the case and a power source, or place the case on a Qi-compatible wireless charging pad.
3. The LED display on the case will show the charging progress. A full charge is indicated by '100' on the case display and full bars for both earphones.

4.2 Pairing with a Device (One-Step Pairing)

The GOLREX T59 earphones feature one-step pairing for convenience.

1. Ensure your device's Bluetooth is turned on.
2. Open the charging case and remove both earphones. They will automatically power on and enter pairing mode.
3. On your device, search for Bluetooth devices and select "T59" from the list.
4. Once connected, the earphones will automatically pair with your device each time you remove them from the case.

Image 6: One-step pairing process for the GOLREX T59 earphones.

4.3 Single Earphone Mode

Either earphone can be used independently. Simply remove one earphone from the case, and it will automatically connect to your device if previously paired.

Image 7: The earphones can be used individually or as a pair.

5. OPERATING INSTRUCTIONS

5.1 Wearing the Earphones

Adjust the flexible ear-hooks to comfortably fit around your ears. Select the appropriate eartip size (S/M/L) for a secure and comfortable seal.

Image 8: Proper wearing of the GOLREX T59 earphones with adjustable ear-hooks.

5.2 Button Controls

The GOLREX T59 earphones feature physical buttons for precise control:

Action	Function
Press (1 click)	Play/Pause music, Answer/End call
Long Press (5 seconds)	Power On/Off
Double Click (Left Earphone)	Previous Track
Double Click (Right Earphone)	Next Track
Triple Click	Activate Voice Assistant (Siri, Google Assistant)
Long Press (Left Earphone)	Volume Down

Action	Function
Long Press (Right Earphone)	Volume Up

Image 9: Detailed overview of earphone button functions.

5.3 Making/Receiving Calls

With the integrated noise-canceling microphones, you can make and receive calls with clarity.

- **Answer/End Call:** Press the button once.
- **Reject Call:** Long press the button.

The earphones are also suitable for online meetings (Zoom, business calls) due to their clear call performance.

5.4 Voice Assistant

Triple-click the button to activate your device's voice assistant (e.g., Siri, Google Assistant) for hands-free control.

6. MAINTENANCE

To ensure the longevity and optimal performance of your GOLREX T59 earphones, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the earphones and charging case with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Water Resistance:** The earphones are IPX7 waterproof, meaning they can withstand sweat and light rain. However, they are not designed for swimming or prolonged submersion. Ensure they are dry

before placing them back in the charging case.

- **Storage:** Store the earphones in their charging case when not in use to protect them from dust and damage.
- **Charging:** Avoid overcharging. Disconnect the charging cable once the earphones and case are fully charged.

7. TROUBLESHOOTING

If you encounter any issues with your GOLREX T59 earphones, please refer to the following common solutions:

- **Earphones not pairing:**

  - Ensure both earphones are charged.
  - Turn off Bluetooth on your device, then turn it back on.
  - Forget "T59" from your device's Bluetooth settings and try pairing again.
  - Place both earphones back in the charging case, close the lid, wait a few seconds, then remove them to re-initiate pairing mode.

- **No sound or low volume:**

  - Check the volume level on both your device and the earphones.
  - Ensure the earphones are properly connected to your device.
  - Clean any debris from the eartips and speaker mesh.

- **Earphones keep disconnecting:**

  - Ensure the earphones are within the 10-meter Bluetooth range of your device.
  - Avoid obstacles between the earphones and your device that might interfere with the signal.
  - Ensure there are no other strong wireless signals nearby causing interference.

- **Charging case not charging:**

  - Check if the Type-C cable is securely connected to both the case and the power source.
  - If using wireless charging, ensure the case is correctly positioned on the charging pad.
  - Try a different charging cable or power adapter.

If the issue persists, please contact GOLREX customer support for assistance.
